Kings Rising - C. S. Pacat 2016-02-02

The stunning conclusion of worldwide phenomenon—from the boldly original author of *Captive Prince* and *Prince's Gambit*. His identity now revealed, Damen must face his master Prince Laurent as Damianos of Akielos, the man Laurent has sworn to kill. On the brink of a momentous battle, the future of both their countries hangs in the balance. In the south, Kastor's forces are massing. In the north, the Regent's armies are mobilising for war. Damen's only hope of reclaiming his throne is to fight together with Laurent against their usurpers. Forced into an uneasy alliance the two princes journey deep into Akielos, where they face their most dangerous opposition yet. But even if the fragile trust they have built survives the revelation of Damen's identity—can it stand against the Regents final, deadly play for the throne?

She's been used. Broken. Scarred inside and out, she tries to hide. But I see her. There's a fire burning deep inside. One they haven't extinguished. Imogen Byrnes is going to be mine. I'll show her there can be pleasure with pain. Freedom in submission. I'm a monster. Her monster. I'll bend her to my will. Break her in new ways. Then I'll put her back together. My beautiful, broken girl will be in my bed, and she'll wear my ring. Once she's mine, I'm never letting her go. Please be warned there are some scenes that may trigger sensitive readers.

Wicked Daddy - Bianca Cole 2021-09-26

Christmas vacation with my two best friends turns into a nightmare I never saw coming. Aida and Gia begged me to vacation with them in Boston. My parents were away in Hong Kong, so I agreed. It might be one of the worst decisions I've ever made. I'm snatched from the bar we're drinking at. Taken captive by one of Milo's enemies. The Russian Bratva boss, Mikhail Gurin. He holds me for ransom in an attempt to force Milo to back down from a merger. Milo doesn't strike me as the kind of man that accepts threats. It means I'm doomed to a fate worse than death. Mikhail Gurin is brutally handsome, but he's as wicked as sin. The way he looks at me scares me to the core. He intends to use me as his slave and plaything until Milo submits. He tells me he will ruin me for all other men and then toss me aside. Milo will never back down, so it means I'm entangled in this trap forever, destined to be used by the Bratva boss for all eternity. Will his wicked ways ruin me forever? Wicked Daddy is the fifth book in the Boston Mafia Dons Series by Bianca Cole. This book is a story with no cliffhanger and a happily ever after ending. This story has some very dark themes that may upset some people, hot scenes, and bad language. It features an over-the-top possessive, and wicked Russian Pakhan.

Symphonic and Chamber Music Score and Parts Bank Thematic Catalogue of the Barry S. Brook Facsimile Archive of 18th and Early 19th Century Autographs, Manuscripts, and Printed Copies at the Ph.D. Program in Music of the Graduate School of the City University of New York - Symphonic and Chamber Music Score and Parts Bank (City University of New York) 1996

The Symphonic and Chamber Music Bank of the Ph.D. Program in Music at the Graduate School of the City University of New York is an archive of 18th and 19th century reproductions assembled with a special purpose. Pertinent parts and scores have been culled from libraries and collections world-wide, bringing a lesser-known notated music to a central location for further intensive study. The archive, which has been expanding steadily since 1974, was conceived by Professor Barry Brook, the first Executive Officer of the CUNY Music Department. It is our intent to present the compositional sources - the compositions heard in

the classical salons, courts, and concert halls - which did not necessarily make their way into the current repertoire. Excluded are the bulk of the works of the masters - Haydn, Mozart, and Beethoven - which have already been catalogued extensively, and are constantly being updated. Included are any compositions from the early 1700s through the 1830s which have survived. These building blocks of yesteryear are the foundation for a penetrating rediscovery and assessment of music in the Classic Era.
