Gaudy Bauble - Isabel Waidner 2017-05-14
"I'm besotted with this beguiling, hilarious, rollocking, language-metamorphosing novel. The future of the queer avant-garde is safe with Isabel Waidner." Olivia Laing Gaudy Bauble stages a glittering world populated by GoldSeXUal StatuEttes, anti-drag kings, Gilbert-&-George-like lesbians, maverick detectives, a transgender army equipped with question-mark-shaped helmets, and birds who have dyke written all over them. Everyone interferes with the plot. No one is in control of the plot. Surprises happen as a matter of course: A faux research process produces actual results. Hundreds of lipstick marks reanimate a dying body. And the Deadwood-to-Dynamo Audience

Prize goes to whoever turns deadestwood into dynamost. Gaudy Bauble stages what happens when the disenfranchised are calling the shots. Riff-raff are running the show and they are making a difference.

A History of Bisexuality - Steven Angelides
2001-09-15

Angelides explores the evolution of sexuology, revisiting modern epistemological categories of sexuality in psychoanalysis, gay liberation, social constructionism, queer theory, biology, and human genetics. He argues that bisexuality has functioned historically as the structural other to sexual identity itself, undermining assumptions about heterosexuality and homosexuality.

Talking Bodies Vol. II - Bodie A. Ashton

2020-05-07

This volume brings together scholars from across disciplines and continents in order to continue to analyse, query, and deconstruct the complexities of bodily existence in the modern world. Comprising nine essays by leading and emerging scholars, and spanning issues ranging from literature, history, sociology, medicine, law and justice and beyond, Talking Bodies vol. II is a timely and prescient addition to the vital discussion of what bodies are, how we perceive them, and what they mean. As the essays of this volume demonstrate, it is imperative to question numerous established presumptions about both the manner by which our bodies perform their identities, and the processes by which their ownership can be impinged upon.

[Why I Am Not a Feminist](#) - Jessa Crispin

2017-02-21

Outspoken critic Jessa Crispin delivers a searing rejection of contemporary feminism . . . and a bracing manifesto for revolution. Are you a

feminist? Do you believe women are human beings and that they deserve to be treated as such? That women deserve all the same rights and liberties bestowed upon men? If so, then you are a feminist . . . or so the feminists keep insisting. But somewhere along the way, the movement for female liberation sacrificed meaning for acceptance, and left us with a banal, polite, ineffectual pose that barely challenges the status quo. In this bracing, fiercely intelligent manifesto, Jessa Crispin demands more. *Why I Am Not A Feminist* is a radical, fearless call for revolution. It accuses the feminist movement of obliviousness, irrelevance, and cowardice—and demands nothing less than the total dismantling of a system of oppression. Praise for Jessa Crispin, and The Dead Ladies Project "I'd follow Jessa Crispin to the ends of the earth." --Kathryn Davis, author of *Duplex* "Read with caution . . . Crispin is funny, sexy, self-lacerating, and politically attuned, with unique slants on literary

criticism, travel writing, and female journeys. No one crosses genres, borders, and proprieties with more panache." --Laura Kipnis, author of *Men: Notes from an Ongoing Investigation* "Very, very funny. . . . The whole book is packed with delightfully offbeat prose . . . as raw as it is sophisticated, as quirky as it is intense." --The Chicago Tribune

Love Becomes a Funeral Pyre - Mick Wall
2014-10-30

'Explodes in to life from the opening paragraph'
RECORD COLLECTOR Think you know the story of Jim Morrison and The Doors? This revelatory and explosive biography from critically acclaimed rock journalist Mick Wall will make you think again. 'The pick of the best guitar tomes: Wall's account pulls no punches,

cataloguing each of the primal scenes - early performances, indecent exposure, Jim's sexuality, decline and death' GUITARIST In 1971, Jim Morrison was found dead in a club toilet in Paris. He was 27 years old. Since then, The Doors have been the subject of a mystery fuelled by sensationalised rumours and empty conjecture. In this definitive account of Jim Morrison and The Doors, critically acclaimed rock writer Mick Wall unravels the myths surrounding the iconic band and its frontman, and captures the unique and unforgettable spirit of the sixties. A brilliantly penetrating and long-overdue biography, *Love Becomes a Funeral Pyre* questions the idolisation of Jim Morrison and considers the story of The Doors in all of its uncomfortable truth.

nominated screenplays for *The French Lieutenant's Woman* and *Betrayal*, collaborations with English director Joseph Losey, and an unproduced script for the remake of Stanley Kubrick's 1962 adaptation of *Lolita*. In this definitive study of Pinter's screenplays, Steven H. Gale compares the scripts with their sources and the resulting films, analyzes their stages of development, and shows how Pinter creates unique works of art by extracting the essence from his source and rendering it in cinematic terms. Gale introduces each film, traces the events that led to the script's writing, examines critical reaction to the film, and provides an extensive bibliography, appendices, and an index.

The Space Between - Michelle L. Teichman
2016-03-02

Everything's great for Harper Isabelle, the most popular girl in grade nine. That is, until she meets Sarah Jamieson. Sarah is a reclusive artist, a loner who wears black makeup and

doesn't have any friends, but for some reason, Harper can't stop thinking about her. Sarah isn't used to people looking her way, especially popular girls like Harper Isabelle. Scared, religious, and unsure of herself, when Sarah begins to realize that her feelings for Harper might go beyond friendship, she is afraid to take the plunge and tell Harper how she feels. Emotions build between these young women until they both reach their breaking points, and they need to make a choice about coming to terms with who they really are, and what they can and cannot live without.

Not Just Lucky - Jamila Rizvi 2018-12-03

"Australian women are suffering from a crisis of confidence about work. Accustomed to being overlooked and undervalued, even when women do get to the top, they explain their success away as 'luck'. But it's not. Not Just Lucky exposes the structural and cultural disadvantages that rob women of their

confidence - often without them even realising it. Drawing on case studies, detailed research and her own experience in politics and media, Jamila Rizvi is the warm, witty and wise friend you've been waiting for. She'll give you everything you need to start fighting for your own success and for a more inclusive, equal workplace for all.

(She'll also bring the red wine.) This unashamedly feminist career manifesto is for women who worry they'll look greedy if they ask for more money. It's for women who dream big but dread the tough conversations. It's for women who get nervous, stressed and worried, and seem to overthink just about everything"-- Back cover.

Everything You Need to Know But Have Never Been Told - David Icke 2017-11-18

two covers? Religious books claim to do this but they are works of self-delusion and perceptual imprisonment. Everything You Need To Know in this case refers to the information necessary to open entirely new ways of thinking and perceiving reality, both in the seen and unseen, from which everything else will come. This book is a start not a finish. It is written in layers with information placed upon information that together reveals the picture by connecting the parts. The parts are fascinating, but the picture is devastating. Prepare for a perception reboot]]

Against the Day - Thomas Pynchon 2007

Thomas Pynchon is up to his usual business. Characters stop what they're doing to sing what are for the most part stupid songs. Strange sexual practices take place. Obscure languages are spoken, not always idiomatically. Contrary-to-fact occurrences occur. Maybe it's not the world, but with a minor adjustment or two it's what the world might be.

The Girl - Meridel Le Sueur 1999

In November 1978, West End Press published The Girl, a rewritten version of a novel the author had first completed in 1939. The original story told of women struggling to survive a harsh winter in St. Paul after having suffered the loss of their male companions in a failed bank robbery. According to Le Sueur, it was a collective work: We had a writer's group of women in The Workers Alliance and we met every night to raise our miserable circumstances to the level of sagas, poetry, cry-outs. The rewritten version emphasised the fate of the farm girl of the title as she struggled to survive the death of her lover and give birth to another girl, the hope of a new and better generation.

“capital-L lesbians” had been Nina Krieger’s type, for friends that is. She hadn’t dated in seven years, a period of non-stop traveling—searching for what, or avoiding what, she didn’t know. When she lands in San Francisco’s Castro neighborhood, her roommates introduce her to a whole new world, full of people who identify as queer, who modify their bodies and blur the line between woman and man, who defy everything Nina thought she knew about gender and identity. Despite herself, Nina is drawn to the people she once considered freaks, and before long, she is forging a path that is neither man nor woman, here nor there. This candid and humorous memoir of gender awakening brings readers into the world of the next generation of transgender warriors and tells a classic tale of first love and self-discovery. Discussion Guide for Book Clubs, Classrooms, and Group Discussions What did you know about transgender people before reading this book? How has your perspective changed? Did reading

this book make you think about your own body, gender, and identity? In what ways? How do you feel about the way Nina treats her parents? How about the way they treat her? How would you react if your child was transgender? What role does Ramona play in Nina’s journey? How do you envision gender—a binary, spectrum, galaxy...? What are some of the benefits to our culture of gender? Some of the downfalls? How does the binary (man/woman) system help you? Hurt you? How do you relate to Nina’s experience? In what ways is her story universal? Specific? In what parts of your life do you feel you are “privileged”? Have your privileges changed over time? Has this impacted your worldview? How is this book similar to other memoirs about gender? How is it unique? How does the diagnosis of Gender Identity Disorder and its classification as a mental illness affect trans people? What do you see as the main challenges for trans people in our society? Are these covered in the book, or are these from

other sources and experiences? What did you learn through The Boys? How are their gender expressions and decisions similar? Different? Where do lesbian and transmasculine (trans people on the male side of the spectrum like The Boys) communities overlap? Where is there friction? What defines “women’s spaces” and in what cases, instances, or places should transmasculine people be included? Excluded? Pro Full-Text Search in SQL Server 2008 - Hilary Cotter 2009-01-29

I, etcetera - Susan Sontag 2013-10-01

In eight stories, this singular collection of short fiction written over the course of ten years explores the terrain of modern urban life. In reflective, telegraphic prose, Susan Sontag confronts the reader with exposed workings of an impassioned intellect in narratives seamed with many of the themes of her essays—the nature of knowing, our relationship with the past, and the future in an alienated present.
