The EROS Equation Eve Eschner Hogan 2013-12 "The Eros Equation outlines a unique approach to creating happy and long-lasting relationships. Rather than focusing on the other person or situations over which the reader has no control, this book offers readers a tool to discover new and creative responses to the situation. This is challenging but also empowering. The rewards are a greater ability to resolve issues, deeper self-knowledge, and more intimacy and harmony in the relationship. The book includes guidelines for being compassionate, as well as strategies for negotiating for change. With increased self-awareness and understanding may come the realization that the relationship serves neither person, and the book provides support and advice for working through the idea of leaving"--

The Normal Bar Chrisanna Northrup 2013-02-05 Based on data obtained from nearly 100,000 respondents, here is the ultimate resource for anyone who wants to learn the relationship-tested ways couples can achieve satisfaction and contentment in areas such as communication, sex, affection, and financial cooperation. What constitutes “normal” behavior among happy couples? What steps you should take if that “normal” is one you want to strive for? To help answer those questions, wellness entrepreneur Chrisanna Northrup teamed with two of America’s top sociologists, Yale Ph.D. Pepper Schwartz and Harvard Ph.D. James Witte, to design a unique interactive survey that would draw feedback from around the world. What has resulted is the clearest picture yet of how well couples are communicating, romancing each other, satisfying each other in the bedroom, sharing financial responsibilities, and staying faithful - or not. Since the Normal Bar survey methodology sorts for age and gender, racial and geographic differences and sexual preferences, the authors are able to reveal , for example, what happens to passion as we grow older, which gender wants what when it comes to sex, the factors that spur marital combat, how kids figure in, how being gay or bisexual turns out to be both different and the same, and -regardless of background -- the tiny habits that drive partners absolutely batty. The book is dense with revelations, from the unexpected popularity of certain sexual positions, to the average number of times happy - and unhappy -- couples kiss, to the prevalence of lying, to the surprising loyalty most men and women feel for their partner (even when in a deteriorating relationship), to the vivid and idiosyncratic ways individuals of different ages, genders and nationalities describe their “ideal romantic evening.” Much more than a peek behind the relationship curtain, The Normal Bar offers readers an array of prescriptive tools that will help them establish a “new normal.” Mindful of what keeps couples stuck in ruts, the book’s authors suggest practical and life-changing ways to break cycles of disappointment and frustration.

The Courage to Love Again Sheila Ellison 2009-10-06 For many divorced women, the prospect of reentering the dating game is a daunting one. Too often they are afraid of another failure and of not being able to get past their own feelings of inadequacy. This fear of intimacy with another man keeps many single mothers from sticking their toes back in the relationship waters. The challenges of raising children, supporting a family, managing household chores, and money concerns only make moving on with life that much harder. Now, Sheila Ellison uses her warmth, wisdom, and personal experience to provide women with the tools they need to overcome the inner and outer obstacles to finding healthy, happy love. This book will show you how to find the courage to look at your mistakes, accept your choices, forgive yourself, and go on to a place of self-acceptance and love. Part One explores the inward journey-how we learn to love and to accept who we are, and how to gain the courage to get rid of the old patterns and make room for new ideas and dreams. Part Two is about the outward journey toward a healthy new relationship. This is the exciting part, where you put your newfound self-knowledge into action. Miracles do happen! says Sheila Ellison. You do deserve it all, and you can have it all if you follow the steps presented here. The Courage to Love Again is your blueprint to finding an enduring, loving relationship.

Healthy Relationships Leslie Steinburg 2015-09-28 Relationships can be tricky, especially romantic ones, so it's important to lay a solid foundation before devoting precious time and effort into growing the relationship. Although relationships tend to differ from couple to couple, the trademark of any healthy romantic partnership comes in the form of five specific pillars on which everything else must be built, namely: love, trust, communication, intimacy, and integrity. But understanding what goes into each of these five pillars is only the first step to building a healthy relationship with your significant other. The real key lies in knowing how to go about the implementation, and that's where this book will come in handy. Understanding Creating Happy Relationships

Before you embark on your journey to find Creating Happy Relationships online, it's essential to grasp the concept of Creating Happy Relationships eBook formats. Creating Happy Relationships come in various formats, each with its own unique features and compatibility. Understanding these formats will help you choose the right one for your device and preferences.

Different Creating Happy Relationships eBook Formats Explained

1. EPUB (Electronic Publication):

EPUB is one of the most common eBook formats, known for its versatility and compatibility across a wide range of eReaders and devices.

Features include reflowable text, adjustable font sizes, and support for images and multimedia.

EPUB3, an updated version, offers enhanced interactivity and multimedia support.

2. MOBI (Mobipocket):

MOBI was originally developed for Mobipocket Reader but is also supported by Amazon Kindle devices.

It features a proprietary format and may have limitations compared to EPUB, such as fewer font options.

3. PDF (Portable Document Format):

PDFs are a popular format for eBooks, known for their fixed layout, preserving the book's original design and formatting.

While great for textbooks and graphic-heavy books, PDFs may not be as adaptable to various screen sizes.

4. AZW/AZW3 (Amazon Kindle):

These formats are exclusive to Amazon Kindle devices and apps.

AZW3, also known as KF8, is an enhanced version that supports advanced formatting and features.

5. HTML (Hypertext Markup Language):

HTML eBooks are essentially web pages formatted for reading.

They offer interactivity, multimedia support, and the ability to access online content, making them suitable for textbooks and reference materials.

6. TXT (Plain Text):

Plain text eBooks are the simplest format, containing only unformatted text.

They are highly compatible but lack advanced formatting features.

Choosing the right Creating Happy Relationships eBook format is crucial for a seamless reading experience on your device. Here's a quick guide to format compatibility with popular eReaders:

EPUB: Compatible with most eReaders, except for some Amazon Kindle devices. Also suitable for reading on smartphones and tablets using dedicated apps.

MOBI: Primarily compatible with Amazon Kindle devices and apps.

PDF: Readable on almost all devices, but may require zooming and scrolling on smaller screens.

AZW/AZW3: Exclusive to Amazon Kindle devices and apps.

HTML: Requires a web browser or specialized eBook reader with HTML support.

TXT: Universally compatible with nearly all eReaders and devices.

Understanding Creating Happy Relationships eBook formats and their compatibility will help you make informed decisions when choosing where and how to access your favorite eBooks. In the next chapters, we'll explore the various sources where you can find Creating Happy Relationships eBooks in these formats.
