Break the Good Girl Myth - Majo Molfino
2020-07-28

"A must-read for any woman who is ready to design a life on her own terms." - Sophia Amoruso, Founder and CEO, Girlboss Women: it's time to break the good girl myths that are holding you back and share your true gifts with this groundbreaking book from Stanford University-trained designer and women's

leadership expert Majo Molfino. For thousands of years, women have been taught to be "good" instead of powerful. But when we embody the good girl, we hold back their voices and gifts in a world that desperately needs female perspectives. Drawing on countless coaching sessions and conversations with female leaders, Majo identifies five self-sabotaging tendencies ("the five Good Girl Myths") every woman must overcome to unleash her power and design a more purposeful life: The Myth of Rules The Myth of Perfection The Myth of Logic The Myth of Harmony The Myth of Sacrifice While there are many women's leadership books, Majo uses her knowledge and training in design thinking (which is used by the world's most innovative

people and companies) to help you build creative confidence and break free from these disempowering myths once and for all. Discover how each myth negatively affects your relationships, career, and well-being and identify your primary good girl myth - the blindspot that's zapping most of your power as a creative badass. If you're a woman who can't seem to get your voice or ideas out into the world, Break the Good Girl Myth will finally help you understand why and light the way out so you can become the woman you're meant to be. Your time - our time - is now.

Girl...Get Yourself Together - Robyn Smith

But here's the good news...You AREN'T like the masses. YOU ARE A DIFFERENT KIND OF CHIC! What I have found is that women who are drawn to books such as Girl...Get Yourself Together, already have part of what it takes to begin receiving what they want! In other words, they are poised to start receiving and achieving the life they envision. They just need a handful of simple steps and the right kind of support and everything starts to change!

A Brown Girl's Epiphany - Aurelia Dávila Pratt
2022-09-13

You already have all you need to step into the fullness of your power. Each of us has traumas, triggers, and painful experiences that have shaped our existence in this world. We carry these burdens with us as we navigate the realities of our lives. Learning to embody the truth of imago Dei is our catalyst for healing. We are each made in the image of God, and the Spirit of God lives within us. Therefore, we are allowed to listen to our Spirit. We are invited to develop our own Divine intuition, and we are empowered to trust our inner voice. We don't need anyone else's permission to navigate our life and faith, except our own. With the powerful voice of a woman, pastor, mother, and advocate,

Rev. Aurelia Dávila Pratt gives us the compassionate nudge and tools we need to access our inner authority. By stepping out of harmful belief systems informed by white supremacy and scarcity, we can step into healthy paradigms of abundance, liberation, and power. A Brown Girl's Epiphany is a love letter to all of us in need of guidance on our journey. Honest, vulnerable, and humble, Pratt imagines a world where the walking wounded become the fully healed and liberated, where our inner work becomes the starting point for creating heaven on earth.
