Psycho - Onley James 2021-11-25

August Mulvaney has always been exceptional. As the genius son of an eccentric billionaire, his off-putting behavior is often blamed on his high IQ. They say there's a thin line between genius and madness. August is both—a brilliant professor loved by his students and a ruthless, obsessive killer tasked with righting the wrongs of a failing justice system. And he's just found his latest obsession: Lucas Blackwell. Lucas Blackwell was once the golden child of the FBI, using his secret talent as a clairvoyant to help put away society's worst. Until, with a touch, he discovers his co-worker is a killer and his life falls apart. Now, the world thinks he's crazy and that co-worker wants him dead. He seeks refuge at a small college, hoping to rebuild his life and his reputation. But then he runs into August Mulvaney. Literally. August is immediately intrigued with Lucas and his backstory. He doesn't believe in psychics, but there's no missing the terror in his eyes when they collide in the hallway. Now, August has a problem. Lucas knows his secret, and August knows he wants Lucas. And August always gets what he wants. Can he convince Lucas that not all killers are created equal and that having a psychopath in his corner—and in his life—might be just what he needs? *Psycho* is a fast-paced, thrill ride of a romance with an HEA and no cliffhangers. It features a psychopath hell-bent on romance and a disgraced FBI agent attempting to redeem himself. As always, there's gratuitous violence, very dark humor, and scenes so hot it will melt your Kindle. This is book two in the Necessary Evils series. Each book follows a different couple.

Red, White & Royal Blue - Casey McQuiston 2019-05-14

* Instant NEW YORK TIMES and USA TODAY bestseller * * GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 * * BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's *Red, White & Royal Blue* proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience *Red, White & Royal Blue* for the first time!" - Christina Lauren, New York Times bestselling author of *The Unhoneymooners* "*Red, White & Royal Blue* is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six*

Unforgivable - Joanna Chambers 2018-01-09

After a traumatic illness robs her of her looks, Rose Davenport has little expectation of making a good marriage—until her feckless father, Miles, unexpectedly brokers a dazzling match for her with the heir to the Earl of Stanhope. Unfortunately, the marriage doesn't live up to her hopes. Instead of the kindly bridegroom she's expecting, Rose gets a sullen young husband who can barely stand to look at her. Gil Truman is in love with the beautiful Tilly when his father informs him that he must instead marry plain, sickly Rose. Forced to agree to the marriage to recover the family fortune his father lost to Miles Davenport in a game of cards, Gil is bitter and heartbroken. Their wretched wedding trip ends with him abandoning Rose at his remote Northumbrian estate, intending never to

return. After five years of exile, Rose loses patience and travels to London to make a bid at seducing her errant, faithless husband. But their first encounter at a masked ball changes everything. When Rose learns the secret truth of how Gil was blackmailed into their marriage, her appetite for revenge dissolves. It's too late to turn back, though. Their night of passion has had consequences that force Rose to confront Gil again. Gil's discovery that the lovely, masked stranger he fell for is none other than his own wife, leaves him feeling sick and betrayed. As for Rose, she has deep wounds of her own from years of Gil's neglect. With such unpromising beginnings, can Rose and Gil make any kind of life together? Or are some wrongs too painful to ever be forgiven?

Dictionary of the British English Spelling System - Greg Brooks

2015-03-30

This book will tell all you need to know about British English spelling. It's a reference work intended for anyone interested in the English language, especially those who teach it, whatever the age or mother tongue of their students. It will be particularly useful to those wishing to produce well-designed materials for teaching initial literacy via phonics, for teaching English as a foreign or second language, and for teacher training. English spelling is notoriously complicated and difficult to learn; it is correctly described as much less regular and predictable than any other alphabetic orthography. However, there is more regularity in the English spelling system than is generally appreciated. This book provides, for the first time, a thorough account of the whole complex system. It does so by describing how phonemes relate to graphemes and vice versa. It enables searches for particular words, so that one can easily find, not the meanings or pronunciations of words, but the other words with which those with unusual phoneme-grapheme/grapheme-phoneme correspondences keep company. Other unique features of this book include teacher-friendly lists of correspondences and various regularities not described by previous authorities, for example the strong tendency for the letter-name vowel phonemes (the names of the letters) to be spelt with those single letters in non-final syllables.

The Player Next Door - K. A. Tucker 2020-06-16

From the international bestselling author of *The Simple Wild* and *Ten Tiny Breaths* comes a new second-chance, hate-to-love romance. Scarlet Reed has returned to Polson Falls, convinced that twelve years away is long enough to shed her humiliating childhood identity as the town harlot's daughter. With a teaching job secured and an adorable fixer-upper to call home, things in her life are finally looking up. That is, until she finds out that Shane Beckett lives next door. Shane Beckett, the handsome and charismatic high school star quarterback who smashed her heart. The lying, cheating player who was supposed to be long gone, living the pro football dream and fooling women into thinking he's Prince Charming. Shane Beckett, who is as attractive as ever and flashing his dimples at her as if he has done no wrong. Scarlet makes it abundantly clear that old wounds have not been forgotten. Neighbors they may be, but friends they most certainly are not. She won't allow herself to fall for the single father and firefighter again, no matter how many apologies he offers, how many times he rushes to her aid, or how hard he makes her heart pound. But as she spends more time with him, she begins to fear that maybe she's wrong. Maybe Shane has changed. And maybe this time she's the one playing herself-out of a chance at true happiness.

Maria Shaw's Book of Love - Maria Shaw 2005

A guide to using astrology, numerology, and palmistry to find friendship and love.

Text Chemistry - Amy North 2019-12-31

It is not a medicine or tools. You will not find any equipment in the package. As its name, it is about text that can create great chemistry between you and man who you love. Well, it is a book that will give a lot of solutions to make him love you.

Linda Goodman's Love Signs - Linda Goodman 2014-01-09

The New York Times bestseller that helps you explore whether romance is in the stars. Linda Goodman's *Love Signs* addresses the question asked by everyone familiar with astrology: How do I relate to someone of another sign? Each sign is "related" to the twelve signs of the zodiac in a

different and unique way. Each section addresses the differences for a male and a female with the same sign matches. This is an updated edition of Linda Goodman's lively bestseller, which has introduced millions to the concept of astrological compatibility. "What seems to set Goodman's books apart from other stargazing guides is their knowledgeable approach and comprehensive reach." —Newsweek

Happy Hour - Marlowe Granados 2021-09-07

With the verve and bite of Ottessa Moshfegh and the barbed charm of Nancy Mitford, Marlowe Granados's stunning debut brilliantly captures a summer of striving in New York City Refreshing and wry in equal measure, *Happy Hour* is an intoxicating novel of youth well spent. Isa Epley is all of twenty-one years old, and already wise enough to understand that the purpose of life is the pursuit of pleasure. She arrives in New York City for a summer of adventure with her best friend, one newly blond Gala Novak. They have little money, but that's hardly going to stop them from having a good time. In her diary, Isa describes a sweltering summer in the glittering city. By day, the girls sell clothes in a market stall, pinching pennies for their Bed-Stuy sublet and bodega lunches. By night, they weave from Brooklyn to the Upper East Side to the Hamptons among a rotating cast of celebrities, artists, Internet entrepreneurs, stuffy intellectuals, and bad-mannered grifters. Resources run ever tighter and the strain tests their friendship as they try to convert their social capital into something more lasting than precarious gigs as au pairs, nightclub hostesses, paid audience members, and aspiring foot fetish models. Through it all, Isa's bold, beguiling voice captures the precise thrill of cultivating a life of glamour and intrigue as she juggles paying her dues with skipping out on the bill. *Happy Hour* is a novel about getting by and having fun in a world that wants you to do neither.

The Witches' Dream Book; and Fortune Teller - A. H. Noe 2022-09-16
DigiCat Publishing presents to you this special edition of "The Witches' Dream Book; and Fortune Teller" by A. H. Noe. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Leo Loves Aries - Anyta Sunday 2017-03-03

A new person will enter your life in the early year, Leo. Look past any moments of frustration they might bring and laugh-this could be the start of a thriving friendship. Theo Wallace usually laughs at the horoscopes his mom sends. Still hung up on his ex-girlfriend and practically friendless, this one begs him to reconsider. Because a friendship that stuck, that thrived... Well, that would be a reason to leave past pains behind and look to the Bright Future. When his sister Leone challenges him to find her the perfect date for a spring wedding, Theo uses it as a chance to make new friends. Theo's ex economics tutor and newest roommate Mr. Jamie Cooper seems to be a possible and convenient match. Real convenient. Like written in the stars, convenient. All he has to do is make sure this Jamie is good enough. Could really be The One for her, and the friend for him. But watch out, Leo, the stars have a surprise in store... "Leo Loves Aries" is a sweet, slow burn, M/M romance with HEA. This New Adult, college, GFY, friends-to-lovers novel can be read as a standalone.

When Enemies Marry... - LINDSAY ARMSTRONG 2012-07-01

In bed with her enemy! Justin Waite made it plain that Lucy could lose everything if she didn't marry him so she agreed to tie the knot. Justin had claimed he only wanted a marriage of convenience, but soon it became clear he actually wanted a wife in the fullest sense of the word! Justin was supposed to be Lucy's enemy, so why was she tantalized by the thought of sleeping with her own husband?

The Mystic Test Book or the Magic of the Cards - Olney H. Richmond 2018-09-13

The publication of this work was, we might say, forced upon us by the demand, before even a page of manuscript was prepared for the press. The demand was caused by members of the Temple, who recognized the necessity of a printed text book, from which they could study the meanings of the cards and their indications under the seven planets. These brothers and sisters naturally wished to perfect themselves in emblem reading as rapidly as possible, and they could not so perfect themselves, without a full and complete set of tables that they could study and refer to at will. The next trouble that arose was the question of expense, as, aside from the printing, engraving, binding, electrotyping and matters of that kind, the author's time was, and is now so valuable that the item far overbalances those mentioned. It was finally decided

that the most feasible plan, was to get out enough copies to supply more than our immediate membership and to sell them to outsiders under certain restrictions.

The Start of Me and You - Emery Lord 2017-07-04

Can you plan happiness? It's been a year since Paige's first boyfriend died in a swimming accident and it's time she rejoined the real world. So she makes a plan: 1. Date a boy (long-standing crush Ryan Chase seems like the perfect choice) 2. Attend parties (with best friends by your side: doable) 3. Join a club (simple enough, right?) 4. Travel (might as well dream big) 5. Swim (terrifying. Impossible) But when she meets Ryan's sweet but so nerdy cousin, Max, he opens up her world and Paige's plans start to change. Is it too late for a second chance at life? Brimming with characters so real you feel you could pick up the phone and call them, *The Start of Me and You* will prove that it's never too late for second chances. Perfect for fans of Rainbow Rowell, Jennifer Niven and John Green. Chosen by bestselling author Amy Alward as part of the 2017 Zoella Book Club!

The Haunted Ghost - Aayush Das 2018-03-05

Boy meets girl, girl meets boy. Routine story. Except that the girl has been dead for seven years. Boy meets ghost, ghost avoids boy. However, fate brings them together and together they embark upon a rollercoaster ride towards finding what they had always been looking for. They become friends. The girl teaches the boy about death, while the boy teaches her about life. This unlikely friendship is at peril, though, for life and death can never coexist without grave repercussions.

Female Masculinity - Judith Halberstam 1998

Masculinity without men. In *Female Masculinity* Judith Halberstam takes aim at the protected status of male masculinity and shows that female masculinity has offered a distinct alternative to it for well over two hundred years. Providing the first full-length study on this subject, Halberstam catalogs the diversity of gender expressions among masculine women from nineteenth-century pre-lesbian practices to contemporary drag king performances. Through detailed textual readings as well as empirical research, Halberstam uncovers a hidden history of female masculinities while arguing for a more nuanced understanding of gender categories that would incorporate rather than pathologize them. She rereads Anne Lister's diaries and Radclyffe Hall's *The Well of Loneliness* as foundational assertions of female masculine identity. She considers the enigma of the stone butch and the politics surrounding butch/femme roles within lesbian communities. She also explores issues of transsexuality among "transgender dykes"--lesbians who pass as men--and female-to-male transsexuals who may find the label of "lesbian" a temporary refuge. Halberstam also tackles such topics as women and boxing, butches in Hollywood and independent cinema, and the phenomenon of male impersonators. *Female Masculinity* signals a new understanding of masculine behaviors and identities, and a new direction in interdisciplinary queer scholarship. Illustrated with nearly forty photographs, including portraits, film stills, and drag king performance shots, this book provides an extensive record of the wide range of female masculinities. And as Halberstam clearly demonstrates, female masculinity is not some bad imitation of virility, but a lively and dramatic staging of hybrid and minority genders.

Astrology for Real Relationships - Jessica Lanyadoo 2019-12-31

A modern, inclusive guide to astrology that uses the zodiac to illuminate your love life as well as your relationships with your family, your friends, and yourself. When it comes to friendship, family, and romance, we all want the same things: to love and be loved, to communicate, to fight fair, and to feel okay in our own skin. Illuminating and accessible, *Astrology for Real Relationships* includes a primer on basic zodiac knowledge—including the importance of your Sun, Moon, and the planets in your birth chart—before exploring how self-love and self-care affects all types of relationships. Once your mental health and spiritual and emotional wellness are balanced, you can be empowered in your relationships, including:

- Friends and chosen family: The Sun governs your identity and your will. Are you comfortable being yourself? Do your friends see you in the same ways that you see yourself?
- Hanging out and dating: The Moon governs your feelings and emotions. Are you honest with yourself about how you feel and what you really need from a partner?
- Long term relationships: Mars is the planet of conflict. Do you always seem to be attracted to the wrong people? Are women really from Venus and men from Mars? Full of real talk about attraction, dating, sex, frenemies, self-love, mental health, and how to deal with family, this book will help you build and maintain strong connections—with your crushes, your spouse, your boss, or your mom—and uncover and empower you to get what you really want in relationships, not what you

think you should want.

Get the Guy - Matthew Hussey 2013-01-31

Written by the hottest dating coach on the scene, Matthew Hussey, this book offers clear, honest and practical advice for women on how to find their ideal man - and, importantly, how to keep him. Using simple steps, Matthew guides us through the complex maze of dating and shows us just how to find the guy, get the guy and keep the guy. In *Get the Guy*, Matthew shares his dating secrets and provides women with the toolkit they need to approach men, and to create and

maintain relationships. Along the way, he explodes some commonly held myths about what it is that guys really want, shares strategies on how women can take control of their dating destinies and empowers them to go out there and find an exhilarating, adventurous love life.

Qualitative Data Analysis - Ian Dey 2003-09-02

Qualitative Data Analysis shows that learning how to analyse qualitative data by computer can be fun. Written in a stimulating style, with examples drawn mainly from every day life and contemporary humour, it should appeal to a wide audience.
