Can she catch the real killer before she's planted in jail? Quincy McKay is ready for a fresh start. Finally free of her good-for-nothing ex, she can't wait to grow her aunt's struggling small-town floral boutique. But her hopes wither and die when her biggest competitor is found dead and she's accused of murder. Teaming up with her blunt-speaking elderly friend, and a dreamy cop, Quincy desperately digs for clues to prove she didn't do it. But her mother's gossip network and the return of her crazy ex

threaten to blight her investigation. Can Quincy unearth the culprit, or will she be buried along with her business? The Final Arrangement is the first book in the charming Flower Shop cozy mystery series. If you like quirky characters, bizarre cases, and a light sprinkling of romance, then you'll love Annie Adams' freshly picked tale. Deadly Arrangements Wedding bells are ringing and the groom has gone missing in small town Hillside. Florist Quincy McKay was all set for wedding season, until the groom from one wedding disappeared and the groom from another became the prime suspect. Hard for a florist to make a living on weddings without the grooms, and even harder for her to stay out of the investigation, when the suspected culprit is the

fiancé of her truth-telling older friend and sidekick, K.C. All Quincy wants is success in business, a happy family and the perfect romance with Alex Cooper, the hottest cop in the state. Not necessarily in that order, of course. The trouble is, between Alex's job and everyone else's weddings, it's getting harder and harder for Quincy and Alex to find any time to themselves. Every time the flames of passion ignite between them, someone or something shows up to fizzle the fire, including her meddling mother, her formerly absent father and even Elma, the handsiest waitress in the West. Just when Quincy thinks nothing else could go wrong, a ghost from Alex's past comes back to haunt them both, which could keep them apart forever if someone doesn't kill Quincy first. She stumbles into the clues to solve the case of the missing groom and finds a corpse as well, with the real culprit right on her sensible but stylishly clad heels, proving that planning a wedding can literally be murder. Deadly

Arrangements is the second book in the charming Flower Shop cozy mystery series. If you like quirky characters, bizarre cases, and a little romance, too, then you'll love Annie Adams' funny, feisty mystery. A Christmas Arrangement It's Christmastime in Hillside, but holiday spirit is in short supply for busy flower shop owner Quincy McKay. She's in charge of the town festival and her shop's open house, but her Santa's a no-show and her flower cooler is on the fritz. To make matters worse, she's learned her ex-husband isn't as ex as she'd thought. Just when she thought things couldn't get any worse, her boyfriend, hot cop Alex Cooper announces his parents are coming to town. Alex is the perfect man in Quincy's book, unfortunately his mother thinks he's perfect too. And no woman is perfect enough for her perfect son, especially not the weird flower shop girl who works too much, can't cook and who she catches kissing another man in the department store. And what's

How To Get A Crazy Girlfriend Out Of Your House

this she heard about Quincy being married? Eleanor Cooper must help her son dodge a bullet (and not the kind from his job) during the romantic holiday season to prevent him from being ensnared in a regrettable relationship. Quincy's dignity (of which lately she's in short supply), her reputation, and every business in town are riding upon the success of the city's Christmas celebration. If she can figure out a way to make it work despite failing equipment, helpers as flaky as the falling snow, and a troubling and inappropriate Secret Santa, she might win the respect of everyone in the town, but more importantly, Alex's parents. If Alex can survive his loving but meddling mother until Christmas, and keep Quincy safe from her crazy ex-husband, with a little help from the MLM (Mormon Ladies Mafia), and K.C. the she-Santa, he'll arrange for the perfect holiday for himself and the woman who has captured his heart Buy The Arrangements to weed out a small-town

murderer today!

Hydroplane - Susan Steinberg
2006-04

Hydroplane is a story collection filled with the urgency of erotic obsession. Its breathless voices, palpable in their desire, are propelled by monomania, rushing from one preoccupation into another: a garage, a painting class, a basketball game, boys. Their words take on kinetic force, an almost headlong momentum, as though, while reading, one were picking up speed, veering out of control. The past returns. Rumination are continuous. A stranger at a bus

stop is indistinguishable from the narrator's deceased grandfather; party guests turn ghoulish, festivities merge with nightmares. Each of Steinberg's stories builds as if telegraphed. Each sentence glissades into the next as though in perpetual motion, as characters, crippled by loss, rummage through their recollections looking for buffers to an indistinct future.

Time Slider - Alan E. Todd

2012-01-26

SYNOPSIS Tim wants nothing more than to be a normal boy, with normal friends, normal family, and normal problems. However, Tim is anything but normal. He has a secret giftman would call it a curse that allows his conscious mind to slide to random places and times for exactly 38 minutes each day. But are his slides truly random? Or is someone, or something, in control? One moment, Tim may be safely sleeping in his own bed, and the next thing he knows, he is on the other side of the world, wandering the streets of China, or struggling

to save lives of those on a doomed airline flight. This is the story of Tim's life and his pursuit for answers. Why is he not bound to one time and place? Who, or what, is in control of his slides? What purpose in life can a boy like Tim find as he grows up into a man? And through it all, can he and his lifelong friend, Lexie, find their way to a complicated but enduring love when the universe seems set against them? Time Slider is a heroic tale of life, when life is not all that it seems.

Unintentionally Celibate -

Olive Persimmon 2015-02-09

Kinky, pornstar-style sex. In every room and every position. Sex advice for the inept, the knowledgeable, and the sexiest sex-ers having sex. If that's what you're looking for...this is probably not the book for you. Because I'm currently in the middle of the world's greatest stretch of unintentional celibacy. If you want a sexy book like *Fifty Shades of Grey*, this is not it. I haven't had sex in two years, six months, three days and 2.5 hours. During this time, I've learned two facts: Fact one: Granny panties never lead to coitus. Fact two: Using the word coitus never leads to coitus. My comedic tragedy started when I was twelve and looked exactly like the female version of George Costanza from *Seinfeld*. My life was full of shenanigans after that. This humor book is a collection of those tales, ramblings, and

adventures. But mostly it's about all of the fabulous sex I'm not having.

Men are from Mars, Women

are INSANE - Chris Mauns

How To Get A Crazy Girlfriend Out Of Your House

teach you how to be in a relationship and still keep at least SOME of your sanity/freedom. We start from the very beginning by explaining what a woman really IS by comparing her to better known everyday objects like a Computer, a Rock, and a Parrot. Learn about: different types of women common relationship problems fending off marriage/kids signs that your relationship is heading for doom how hormones screw up your sanity why marriage is a scam and much, much more! After reading this book you will also know how to choose the best specimen, what love really is, and how to ensnare a beautiful woman using only your beard! I know it all sounds too good to be true, but don't take my word for it! Here are some other people's opinions: "Hilarious Book! Every guy should read this! Chris tells some very funny stories and has a good solution to dealing with 1/2 of the world's population." John Holley "This book was a hilarious and pretty accurate read. I look forward

to reading more books by you. Good job!" Charli W "I haven't laughed so much in years. Being female I must admit some of the laughter was evil as I recognized other women I know (not me). Definitely a great read. I would recommend it to anyone who likes to at least smile." Author Linda Arditto "Don't buy it!! I FORBID YOU! It's a waste of \$2.99!!" Your woman, just before she flew off to buy yet another \$50 handbag (using YOUR money!) Buy this book NOW before she comes back, NOT because you aren't the man of your own house, but because you prefer peace and quiet over having to fight off a blood crazed bird pecking for your last remaining eye. ;-O

Won by Love - Norma McCorvey 1998-01-05

In *Roe v. Wade*, perhaps the most controversial United States Supreme Court decision, Norma McCorvey fought for and won the right to secure an abortion. Though she never had an abortion, under the pseudonym "Jane Roe," Norma reluctantly became the poster child for the pro-choice

How To Get A Crazy Girlfriend Out Of Your House

movement. Over the next two decades, Norma experienced the grief and despair of millions of women who chose to abort their babies; she witnessed the destruction of thousands of human lives in abortion clinics where she worked; and the "champion" of the pro-choice movement was soon being crushed by the weight of so much pain, so much death, and so many ill-considered "choices." Finally, she began to break. She found out that the real choice she had been burdened with was not about abortion but about eternal life. It was a choice that would shock the world and change Norma's life forever.

Ellen Miller 2010-10-05

If you're living a perfect, charmed life . . . well, then this book isn't for you. But if, like the rest of us, you are at times

This quirky, friendly, and gut-honest devotional comes straight from the heart of Ellen Miller (CEO, marketing executive, mom, and unapologetic "glorious mess"). Despite the serious struggles she's faced, Ellen today lives a life of profound joy, and *The One Year Book of Inspiration for Girlfriends* contains 365 days' worth of the principles and philosophies that have gotten her there. There's no subject she's afraid to tackle! Her quick, daily doses of encouragement will make you laugh, give you something to look forward to, help you to stay (somewhat!) sane . . . and remind you that you're never alone.
