LOVE FOUND LOVE LOST - Esther Jane Berman 2013-01-10

This fun and helpful book is one's girl's autobiography. She grew with many of life's experiences meeting all kinds of people from all walks of life. Learn how to keep the love of friendship strong and well in spite of the odds. Learn how to experience nature and reap its benefits. Learn the nature of true love. The main reason we lose love is because it was not

true love to begin with. Then there are people who come into our lives to give us temporary help. They serve a good purpose, but these relationships usually fade when the help is no longer needed. Her first husband claimed to love her, but he did not show it. He was seldom home. The heroine shows how to get what you want when you want something so badly. She reaches her goals against all odds. Nothing stops her from getting an education. Her love for the French language came to her quite by chance. She seized the opportunity to learn French and fell in love with it. The heroine's son also learned how to cope with life's problems. Like his mother, he beat the bullies without lifting a finger. He has the gift of gab. His mother has the gift of writing. He can talk to anyone anytime about anything. His mother will write down every happening. She is also his confidant and ally against a sometimes cruel world. He is an only child, but he is not spoiled. As you will see, he is quite an actor. You will laugh through the book. At times, you may cry, but not for long. The book is up beat with a little drama as life unfolds. So hold onto your seat for the ride of your life.

BREAKUP: How a Guy Can Get Over His Loved One After a Breakup - E. A. C. Andrews 2017-05-20

Can't Forget About Her? She's Just Stuck in Your Mind? Loss is a part of life. I just want you to realize that. You may be going through a loss of somebody you really loved, but you have to understand that this is part of life. In fact, if you think about it, loss or the threat of losing someone you really cared about is part of love. You know something is truly valuable if it hurts to lose it. You know that you have a real capacity to love when there is a risk of loss. It's easy to say you love somebody, but you really don't know the extent of that emotion unless you have gone through the process of losing that special someone. Let's put it this way. However good it feels to love somebody and to be loved by a special someone, it isn't really love until the pain of the hurt of loss is equally real. The risk of having your heart broken is always present in any kind of romance. Sadly, a heartbreak happens. The good news is it doesn't have to be the end. It doesn't have to turn you into a worse person. Worst of all, it doesn't have to turn you off to the whole concept of loving or being loved. Finally, it doesn't have to hurt forever. Sure, it hurts right now. It may seem like it's going to hurt so bad for so long. However, this is temporary. This too shall pass. From Weakness to Strength Your current weakness is your strength. Yes. Seriously. How? This is obviously a low point in your emotional/romantic life. Don't let this episode of pain, doubt, and regret go to waste. Use it to wake up to the reality that YOU NEED TO CHANGE. You have hit rock bottom-or close to it. Good. Use it to your advantage. Just as an alcoholic may have to wake up in his or her own vomit after passing out next to a filthy toilet bowl to decide to get sober, you may need to hurt to start realizing certain things. You can use the pain to make hard but necessary changes that can change you into a better man. Don't let weakness be an excuse for self-pity. Instead, look at it as an opportunity. You CAN turn your weakness into strength. This book teaches you how! This book is for guys who have a tough time getting over a breakup. Whether you've been going out for only a few weeks or you've been going out forever and you are actually getting ready to get engaged.
