TextAppeal - for Guys! - Michael Masters 2012-02-10

From the Author: Wouldn't you like to know: Why she text you so much before but now NOTHING?? Why your multiple texts are killing the attraction? Why she is playing so hard to get? If she actually is interested in you? How to have her text you back immediately? How to safely flirt with the amazing results? How to have her waiting for your text rather than the opposite??? What if... She were the one texting you all of the time? You could get her to respond, right now!? You could get that really

hot girl to finally pay attention to you? You stopped feeling so much anxiety over that one girl because too many girls were paying attention to you?? I promise you this, if you read this book and apply its principles, you will have so much more success with women. Imagine, all of the cash you are leaving on the table by not understanding how to get what you want! Imagine, all of those dates, with so many hot girls that you didn't go on simply because you couldn't text right! Seriously, texting incorrectly can crush your chances with women permanently. I can't tell you how many women have vented to me their frustrations at what you are doing. These women WANT you to understand, they WANT you to say the right things! But like breaking wind mid sex, it is incredibly easy to snuff attraction. Let me teach you to really understand the opposite sex, and land that date with that really hot/amazing girl. -Mike Masters

Dating Tips from a Woman's Point of View - Elizabeth Meadows
2014-09-24

If you are looking for how to get laid on the first date, that's easy, take her to a bar, get her drinking, but not to the point of throwing up. After she's pretty intoxicated, giggling at everything you say, try a few advances, touching her arm, or shoulder, and see if she responds. Dance with her, and do a little grinding, and see if she grinds back. If the answers to these are yes, then offer her, since she can't drive, to come back to your place. Once she's at your place, continue with just a little more alcohol for the nerves. Don't mix alcohol. If she was doing shots at the bar, don't give her beer or wine coolers at your place, or she'll be spending the night with your toilet, not you. Give her just a few more shots, and then do the final move with a kiss. The kiss will tell it all. If she pushes you away, and doesn't take your advances, don't get discouraged, you still have a chance. Offer her to put a movie on, get a pillow and a blanket, if you have a pull out couch, great, or one big enough for you two to snuggle on. If not, let her lay back to watch the movie. Let her put her feet on your lap. I don't know many woman who would turn down a foot massage. Massaging is a great way to lead to sex. After both feet, work your way up to her calves. Hint: use lotion. It makes her feel more like it's a massage, not you just trying to grope her up. If

when you get to her calves, and she's still allowing you to massage, continue on, and then get the thighs. I'm pretty sure you know where to go from there.

A 101 WAYS TO DATE A GIRL - MARCUS EDWARD BOND 2022-11-08
 Have you ever considered why all your attempts at relationships or
 simply trying to get a girl to sleep with you have either failed or feel like
 you overworking every step of the way? In this book, I'm going to set out
 why the above statement is true in many cases.

[The Guyde](#) - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-
 improvement book ever written, designed to be everything you need to
 transform into the most confident version of yourself. There are no lines
 or routines; instead you'll find exercises and information to improve your
 self-esteem, social skills, and other elements integral to social success.
 Everything in these pages is backed with scientific evidence, and when I
 say scientific evidence, I mean cited peer-reviewed literature, not pop
 evolutionary psychology or the "law of attraction." You won't be reading
 anecdotes telling you about my "successes" or opinions; you'll be
 learning the practical steps necessary for the specific changes you want
 to manifest in your life. The Guyde is divided into four sections: Part I -
 Psychology Part I focuses on the internal elements of social interaction.
 How do you overcome your toxic self-limiting beliefs that keep you from
 being authentic with people? How do you overcome your fears? How can
 you stay motivated to make your changes? You will learn clinically
 effective approaches to all of these and more. Part II - Social Skills For
 many men, the biggest barrier between themselves and social success is
 a lack of social skills and awareness. In Part II, you'll learn how to shore
 up this weakness. You will learn how to listen, banter, share stories, and
 assert yourself with others. You'll learn how to improve your body
 language and vocal tonality to project confidence and charisma. Part III -
 Physical Attractiveness Part III will teach you how to improve your
 physical features. The first two chapters detail the most clinically
 effective approaches to diet and exercise. We'll also discuss the basics of
 fashion and how to dress to impress. Master Part III, and when you go
 out, you will turn heads. Part IV - Dating The final portion of The Guyde
 deals with dating, in this version, in a heterosexual male context. You'll
 learn the best places to meet potential dates, how to flirt, and how to ask
 someone out. You'll learn how to plan brag-worthy romantic evenings
 and how to address problems like rude cancellations and "ghosting."
 You'll learn how to interact physically while being sensitive to your date's
 wishes, as well as how to perform better in bed. You'll learn why
 relationships fail and how to avoid the pitfalls most couples fall into, and
 you'll come to understand a bit about what it's like to date from a

woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

The Text Attraction Guide For Men - Nelson Whetat 2023-11-07
Discover The New Secrets About Texting Women To Get Dates And Sex That 99.9% Of Men Don't Know Yet When a man gets a number from a woman in person or matches with her on a dating app like Tinder or Bumble, he will often experience one or more of the following problems when he texts her: She takes way too long to reply She doesn't contribute much to the conversation (e.g., she gives short answers and seems uninterested) The conversation becomes boring or fizzles out She rejects his offer to meet up with him for a date She takes what he says the wrong way and then loses interest She ghosts him (i.e. stops replying without any explanation, even though things seem to be going well) She friend zones him (e.g. "You're a great guy, but I'm not looking for a relationship right now" or, "You're a great guy, but I'm not looking to date anyone right now" or, "You're a great guy, but I think we'd be better off as friends.") She leaves him on read and doesn't reply for days, weeks or months...or not at all She plays hard to get when it comes to meeting up Do you know why? It's because most men make texting girls far HARDER than it needs to be. They don't understand this little-known secret I shared in this guide. These days, women are so tired, bored and frustrated by the endless texts that guys send (i.e. trying to get to know her, get along with her and just chat because he's afraid to ask her out), or the unattractive texts they send (i.e. being too nice, being too serious, sleazy, boring, etc). That's why when a woman gets a text from a guy who is using the texting method I shared in this guide, "The Text Attraction Guide For Men" she feels surprised and excited. It immediately gets her attention and she begins feeling like she wants something to happen with him (i.e. go on a date, have sex etc) The fact is

that when a guy texts in the way that I recommended in this book, he will get 10x more dates and sex than a guy who just wastes a woman's time trying to get to know her or get along with her, or worse, acts like he's not even that interested in dating her. Texting women to get dates and sex is very easy when you understand how it works and why women respond so well to this more direct and masculine approach. Here's what you'll learn: How And What To Text A Girl You Just Met: 4 Examples Text Message Examples That Attract Women What To Text A Woman After Getting Her Number In Person Texting Mistakes To Avoid: Terrible Texts That Turn Women Off 10 Possible Reasons Why She Stopped Texting You 3 Best Tips On How To Text A Girl You Like + Examples How To Attract A Woman And Get A Girlfriend Via Texts 6 Word Text That Makes A Guy Seem Needy In A Relationship 4 Texting Tricks That Seem Confident, But Are Actually Insecure 7 Beginner Texting Mistakes Guys Make With Women Should You Leave Her On Read? 6 Possible Outcomes If You Do The Secret To Getting Dates Via Text (With Examples) 3 Best Tips On How To Text A Girl You Like + Examples 4 Examples Of How To Be Masculine Over Text 10 Signs A Girl Likes You Over Text How To Make A Girl Like You Over Text (Example + 3 Rules) 8 Frustrating Problems Guys Experience When Texting Women 4 Texting Tips For Guys (10x More Dates And Sex) When a guy knows how to attract women via text, they naturally feel attracted, compelled and motivated to reply and contribute to the conversation and then happily say yes to meeting up. How to create immense attraction through text without being awkward even if you've never texted a woman before! Do you find yourself constantly checking your phone to see if the girl has texted you back only to be disappointed? I remember the times where I would meet a girl that was perfect for me, we would talk for hours and have amazing face to face interactions only to have our connection destroyed by texting. If you have had a similar experience, I completely understand you. I've been there. You text a girl trying to build a conversation only to have her reply

with boring one word answers. When you finally do manage to have a normal conversation she leaves you on "Seen" out of the blue. You text her back and she doesn't reply until 3 hours later! Don't worry, I can guarantee you this will never happen to you again. I have dedicated my life to understand women and attraction, and to apply everything I learnt to see what works and what doesn't. My mission is to share my knowledge with you and help you discover how to create attraction with women effortlessly. "If you're getting more stress than fun out of dating then you are doing it wrong" - Max Smith Disclaimer: Read This Before You Buy This Book! If you are going to read this book you must understand these 3 conditions: This book is not a magic bullet that will guarantee you get laid with just one text. Don't expect me to give you a script you can apply to any conversation and have sex with any girl instantly. You won't find any cheesy one liners or texts that you can use again and again. I'm not like other dating coaches that provide you with useless scripts. I'm not going to try to change you or make you someone you are not. Every text you send to a girl will be 100% you. What I provide in this book is solid advice that I have personally used and I know works. I will give you all the knowledge you will ever need. All you have to do is take action. If you take action and apply my advice you will see for yourself that women will start being more receptive to you. By the end of this book, you will be able to: Effortlessly start a conversation on social media without being cheesy Understand the 4 biggest mistakes every guy makes when texting and what you can do instead Use emoji's effectively to create sexual attraction Determine if a girl likes you through text (My secret 2 step-formula) Drastically increase your number of dates by asking the girl out using my bulletproof strategy. (I have had guys thanking me on Instagram for sharing this information with them) Uncover the underground technique to get the girl eagerly waiting for your text, she won't be able to stop thinking about you. Are you ready to become the man women will be dying to text?

How To Get a Girl To Like You - Willis Combs 2014-09-26

This is not a book about pick up lines, being taller, using pheromones, positive thinking B.S., or even going to the right places to meet single women. You see, the plain truth is that it is much more fruitful for you, if your work on making yourself attractive to women, than keep looking for the right places to meet women. If you can make yourself attractive to women, than you can effortlessly and naturally attract any and all women, regardless of any sausage fest conditions you may find yourself in. And without any hard work, black voodoo magic, or making a deal with the devil. In this book we will reveal all the dirty little secrets to making yourself attractive to every woman and shift your perspective from looking for women, to finding the right woman. Listen, there are 3 components we will go through in detail in this book, a philosophical,

strategic, and behavioral component. You see, women aren't concerned with how good looking you are, or even how much money you make. This is why women date cheaters, criminals, and drug dealers. Look, if you can follow this simple guide to make yourself magnetic to every woman, it doesn't matter how good looking your are, your age, height, weight, ethnicity, race, religion, or creed. You will create recurring passive streams of sexy single women all banging on your door, wanting to hang out with you, date you, make out with you, and even sleep with you. In this book we will cover: - Why women like a-holes, jerks, and bad boys - How to talk to women - How to be confident - How to be a ladies man - How to destroy approach anxiety - Exactly what to say her - How to ask her out - The #1 attraction killer - And more. Warning Yes, a warning. This is a blunt revelation of the plain truth to attracting women, and making yourself a magnet to every woman. This will offend the herd and if you cling to the delusional belief that leprechauns ride unicorns on rainbows, and if only you make more money, get in shape, get taller, hypnotize her, or use the right pickup line then you will attract women, good luck. But if your ready to climb aboard and get on the fast track to using a simple proven, blueprint to effortlessly, and naturally attract women, let us commence at once.
