Getting Pregnant Faster - Marilyn Glenville 2012

As women, we spend most of our reproductive lives trying not to get pregnant and it can seem so unfair that when we want to have a baby it doesn't happen. From many years of helping couples to get pregnant, Dr Glenville knows that the best approach is a well-structured plan that is tailored to the individual, in order not to waste time. She advises on nutrition, lifestyle, medical issues, age, environmental and occupational hazards and emotional concerns that are relevant to you and your circumstances. Whether you have recently decided you want to have a baby, or have been trying for a while without success, this book can help you to boost your fertility and increase your chances of conceiving.

How to Get Pregnant - Sherman J. Silber 2009-11-29

The media world will eagerly welcome Dr. Silber to discuss the latest

developments in infertility treatment.

[The Kama Sutra of Vatsyayana - Vatsyayana 2021-08-29](#)

The Kama Sutra of Vatsyayana Vatsyayana - The Kama Sutra of Vatsyayana by Richard Francis Burton is an edition of the ancient Indian text on sexuality and emotional needs. Vatsyayana was an ancient Indian philosopher who lived during the second or third century. Although it is often thought of as a sex manual, it is much more, with guides on living well, the nature of love, and finding a partner. Indeed, Vatsyayana says himself: 'This work is not to be used merely as an instrument for satisfying our desires'. Burton did not in fact translate the Kama Sutra - it was translated by the Indian scholar Bhagwan Lal Indraj. It was edited by Burton to suit prevailing British attitudes to sex, but was still banned in England and the United States until 1962. Other criticisms levelled at Burton's translation is that instead of using English words for the sex organs, he uses the words 'lingam' and 'yoni', despite those words not appearing in the original work. This was seen as an attempt to distance them and make them 'other', rather than about English people's sexual organs. He also removes the agency of women, and where in the original, women's words are direct quotes, in the Burton translation, women's words are removed and put into the passive state (i.e., A woman saying 'Stop!' becomes 'She continually utters words expressive of prohibition'). Despite all this, it has been such an influential translation that even modern editions in the Hindi language are re-translations of the Burton version. The Kama Sutra is an ancient Indian Hindu text widely considered to be the standard work on human sexual behavior in Sanskrit literature written by Vatsyayana. A portion of the work consists of practical advice on sexual intercourse. It is largely in prose, with many inserted anustubh poetry verses. "Kama" which is one of the four goals of Hindu life, means desire including sexual desire the latter being the subject of the textbook, and "sutra" literally means a thread or line that holds things together, and more metaphorically refers to an aphorism (or line, rule, formula), or a collection of such aphorisms in the form of a manual. Contrary to popular perception, especially in the western world, Kama sutra is not exclusively a sex manual; it presents itself as a guide to

a virtuous and gracious living that discusses the nature of love, family life and other aspects pertaining to pleasure oriented faculties of human life.

Basal Body Temperature : Boosting Fertility by BBT Charting - Dana Tebow 2012-11-27

This book is an easy to read guide to getting pregnant naturally. Most women often consider in vitro fertilization as the easiest option for getting pregnant. But that is only because they ignore the very obvious natural methods to have a baby. And that is where Dana's book will prove useful. Dana provides a very detailed guide about how you can make use of records of your basal body temperature in order to be able to make use of special charts that will help you determine when you are most fertile and therefore most likely to conceive. That is why she begins her book with explaining how crucial understanding your basal body temperature is in getting pregnant. Then she explains in detail how to chart your basal body temperature. She even goes as far as explain the correlation between your basal body temperature and your ability to get pregnant. Dana leaves no stone unturned in her explanations, which is exactly why she also takes the time to describe the normal ranges a fertile woman would observe when she charts her basal body temperature and even the degree of the changes to expect when they are most fertile. You will certainly benefit by taking a look at Dana's book. It might just be exactly what you need to be able to get the baby you have been craving. I hope you make great use of her advice and right away too. Now is the best time for action! The Impatient Woman's Guide to Getting Pregnant - Jean M. Twenge 2012-04-17

Comforting and intimate, this “girlfriend” guide to getting pregnant gets to the heart of all the emotional issues around having children—biological pressure, in-law pressures, greater social pressures—to support women who are considering getting pregnant. Trying to get pregnant is enough to make any woman impatient. The Impatient Woman’s Guide to Getting Pregnant is a complete guide to the medical, psychological, social, and sexual aspects of getting pregnant, told in a funny, compassionate way, like talking to a good friend who’s been through it all. And in fact, Dr. Jean Twenge has been through it all—the mother of three young children, she started researching fertility when trying to conceive for the first time. A renowned sociologist and professor at San Diego State University, Dr. Twenge brought her research background to the huge amount of information—sometimes contradictory, frequently alarmist, and often discouraging— that she encountered online, from family and friends, and in books, and decided

to go into the latest studies to find out the real story. The good news is: There is a lot less to worry about than you've been led to believe. Dr. Twenge gets to the heart of the emotional issues around getting pregnant, including how to prepare mentally and physically when thinking about conceiving; how to talk about it with family, friends, and your partner; and how to handle the great sadness of a miscarriage. Also covered is how to know when you're ovulating, when to have sex, timing your pregnancy, maximizing your chances of getting pregnant, how to tilt the odds toward having a boy or a girl, and the best prenatal diet. Trying to conceive often involves an enormous amount of emotion, from anxiety and disappointment to hope and joy. With comfort, humor, and straightforward advice, *The Impatient Woman's Guide to Getting Pregnant* is the bedside companion to help you through it.

How to Get Pregnant - Brenda Huntington 2015-06-14

There are many couples who can conceive without any difficulties. After a few tries, they get pregnant instantly! There are also others who don't even have to try. Their little one just comes unexpectedly like a surprise gift delivered right at their door. However, for other couples, having children can be quite a task. If you've tried over and over again and still can't get pregnant, then you've come to the right place. This book is written to serve as an essential guide full of techniques, tips, and tricks that will help increase your odds of getting pregnant quickly and easily. Let's get started!

Trying to Get Pregnant (and Succeeding) - Marisa Peer 2012-09-01

What to expect when seeing a fertility expert Birth rates associated with various treatments Coping methods for dealing with loss With this authoritative and friendly guide, getting pregnant doesn't have to be a stressful process. Armed with knowledge and reassurance, you will be ready to make the choices that work best for you and start you family, today.

[Do Vegans Have More Miscarriages, Vegan Pregnancy Meal Plan, How To Be Vegan While Pregnant, How To Get Pregnant Fast Naturally, How To Have A Vegan Pregnancy, How To Prepare For Vegan Pregnancy, How To Take Care Of A Pregnant Woman, How To Take Care Of A - Louanne Ringgold 2021-05-31](#)

As veganism grows increasingly popular, more women are choosing to eat this way - including during pregnancy Vegan diets exclude all animal products and typically emphasize whole foods like vegetables and legumes. This eating pattern is linked to various health benefits, including a lower risk of type 2 diabetes and heart disease Yet, some people worry that a vegan diet may cause nutrient deficiencies that could be especially dangerous for pregnant women or their babies. Don't worry. In fact, the Academy of Nutrition and Dietetics has deemed a plant-based diet healthy at any age, including throughout infancy. Although, just as when weaning your baby with any other diet, you'll need to be very strict with what you feed your baby to ensure he/she is in perfect health. During your Vegan Pregnancy, you need to be careful to not exclude nutrients only found in certain foods, in particular, you should try to incorporate foods with vitamin D, calcium, and vitamin B12, as these nutrients are primarily only found in animals foods. This book's goal is to serve as a guide for you as you are starting your journey in a society where information on vegan pregnancies is not yet so readily available. Buy now.

How to Get Pregnant Fast - DR EMMA. GRAY 2017-06-21

26 Essential Myths and Factual Guide for Crashing Your Pregnancy Goals - Mary Jakes 2021-08-23

Trying to conceive is enough to make any woman anxious. Mary Jakes has compiled a list of 26 essential counterintuitive pregnancy guides. This is a comprehensive guide to pregnancy's healthcare, psychological, social, and sexual aspects, presented humorously and compassionately. Women trying to conceive often try a variety of methods to conceive, but because fertility begins to decline at the age of thirty, many expectant mothers face conception and pregnancy with worry, doubts, fear, and myths that frequently mislead them. Women in their thirties and forties who want to conceive naturally are frequently told that it's "a little late" for easy conception. However, there is a natural alternative before resorting to invasive and costly treatments. With 26 essential myths and factual guides for crashing your pregnancy goals, you'll learn all about conception's facts and myths, as well as how to successfully conceive. Mary Jakes, who heavily promoted in this book, believes that women should hold on to, to control their fertility at any age. Moms-to-be, don't put it off any longer! As you desperately seek a resource that will enable you to make your own informed decisions, here is the guide.
