

I Love Her Voice

Her Kiss with Her Voice - R.A. Podboy

2011-12-06

This is a book of poetry; about the nuances of romantic love. About the struggle of love. About the surrender of love. About the excitement, myriad passageways and the civil war of love. It's about tender confusion and the invention of love. About formalities and prohibitions that hide the heart and hold us away from love. It's about the map of Brazil discovered in a Santa Fe hotel room.

Her Voice - Varvara Athanasiou-Ioannou

2021-11-01

This book's introduction is clear about where culturally diverse women stand in the 2020s: 'while we have made some meaningful inroads

towards equality, we are nowhere near enough to where we need to be.' Such women face the glass ceiling of their gender, and a cultural ceiling as well. It assembles the voices of over 40 women from many walks of life, many of them high achievers, who detail the difficulties and the triumphs they have met within their lives. Their stories, strength and resilience inspire. Her Voice arose from the Food for Thought network, founded 20 years ago in Melbourne, made up of Greek Australian women originally, but quickly drawing in other migrant women and daughters of migrants through friendship, love and the recognition of how much they had in common. ----- "...a beautiful book! it's such a triumph - the content, the design, the

intent." - Maggie Hamilton, Sydney "...A monumental book, a gift not only to Greek women but to multicultural Australia, a historical reference point for future generations ... it should be read by all men and women ... Touching, and inspiring" - Bill Papastergiadis OAM, Melbourne "...Narrated with an authentic voice, this book is a treasure trove of life journeys." - Zografina Kopanidis, Melbourne "Varvara's story and her book is beautiful and inspiring, a true display of intelligence, determination and empowerment ... These small windows into other womens choices reminds me how important relatable role models and mentors are for our girls." - Dora Kordakis, Melbourne "I couldn't put the book down because literally and metaphorically I heard their voices. I cried. I giggled. I rejoiced. I connected with all of them. A brilliant book of historic importance." - Maria Makris, Melbourne "Many thanks to Varvara for introducing me to so many wonderful and inspirational women. In

particular, I found the key events that shaped and assisted each woman in her journey, to be very interesting! There is certainly valuable advice for younger women who read "Her Voice: Greek Women and their friends". - Sandra Keown "...Amazing book ... a valuable resource for anyone who seeks to understand the role of women within our community and beyond and Varvara Ioannou deserves our heartfelt gratitude ... she is a national treasure ... many of the achievements of women are glossed over, effaced or obscured. This volume allows Greek women of all ages and others connected to our community to speak for themselves. What they choose to say about themselves and their worldview is significant." - Dean Kalimniou, Melbourne "It is a wonderful book with a lot to offer and Varvara should be very proud of having brought it all to us women from all backgrounds but especially for women of Greek origin." - Marina Marangos, Brisbane

This is a true story narrated by the author, Gabriel Richards. Giving Love a Voice is an account of a whirlwind love affair, unbelievable financial accomplishments with monumental setbacks. love. It shows the incredible healing power of love and why love without action is dead. This memoir tells of how the lead doctor of a medical team told Gabe to put his wife's body in an institution and try and go on with his life. At the time she was totally paralyzed, blind, mute and assumed deaf. Richards identifies the lifestyles, attitudes, and/or the general lack of understanding that may contribute to the onset of illness and offers solutions that have worked for them. The Richards' story is proof that with the right attitude, enough love and a faith in God, people can overcome almost any challenge. To love and to be loved are among the greatest gifts in life. In *Giving Love a Voice*, the stage is set for a love story that began in 1972 and continues today.

Your Voice Is All I Hear - Leah Scheier
2015-09-01

"I was the one he trusted. I was the one he loved, the only one who believed him, even when his own mother had locked him up and thrown away the key. And now, I was going to pass down the white tiled hallway, knock on his doctor's office door, slam his secret notebook on her desk and make her read it, make her understand what he was hiding, make her see what only I had seen." April won't let Jonah go without a fight. He's her boyfriend-her best friend. She'll do anything to keep him safe. But

as Jonah slips into a dark depression, trying to escape the traumatic past that haunts him, April is torn. To protect Jonah, she risks losing everything: family, friends, an opportunity to attend a prestigious music school. How much must she sacrifice? And will her voice be loud enough to drown out the dissenters-and the ones in his head?

Hearing Her Voice, Revised Edition - John Dickson 2014-05-27

A fresh approach to the hot-button topic of women in ministry
 Based on his study of a key word for “teaching” in the New Testament—an activity often thought to be prohibited to women—and on various other kinds of public speaking in which women in Scripture clearly participated, scholar John Dickson builds a case for women preachers. This expanded edition of Hearing Her Voice, published originally as a short ebook, presents an entirely new and convincing biblical argument. Focused and purposefully limited in its conclusions, Dickson’s case has the potential to change minds and merits careful consideration by complementarians and egalitarians alike. This book will be useful for pastors, Bible teachers, college and seminary students, professors, and

Hear Her Heart Heed Her Voice - Meera Popkin
2014-02-11

This book is funny and relaxing. If I am stressed out this book can calm me down. It has really good poetry and juicy words. Sometimes it makes me cry, sometimes it makes me happy. It makes me have good dreams, not nightmares. But most of all, it makes you feel loved no matter what happens. Kayla Tarack Co-author of *Where Your Love Is* I think the book is very soothing in souls and very calm in how she put it in her own way. She is very loving in her own way so I know she writes very great books. She is also a great mom and author. Kol Popkin Co-author of *Where Your Love Is*
