

## Love Zac

*Love, Zac* Reid Forgrave 2020-09-08 "Love, Zac is not just a vital contribution to the national conversation about traumatic brain injury in athletes, it's so beautifully written it belongs on the shelf alongside classic works of literary journalism." —Jeanne Marie Laskas, New York Times bestselling author of *Concussion* In December 2015, Zac Easter, a twenty-four-year-old from small-town Iowa, decided to take his own life rather than continue his losing battle against traumatic brain injuries he had sustained as a high school football player and which led him to develop chronic traumatic encephalopathy (CTE). For this deeply reported and powerfully moving true story, award-winning writer Reid Forgrave was given access to Zac's own diaries and was able to speak with Zac's family, friends, and coaches. He explores Zac's tight-knit, football-obsessed Midwestern community; he interviews leading brain scientists, psychologists, and sports historians; he takes a deep dive into the triumphs and sins of the sports entertainment industry; and he shows us the fallout from the traditional notions of manhood that football instills. For parents wondering about whether to allow their kids to play football, for players, former players, and fans, for anyone concerned about concussions and sports, this eye-opening, heart-wrenching, and ultimately inspiring story may be one of the most important books they will read.

**Little Big Man** Katy Regan 2018-04-19 Meet 10-year-old Zac - a boy on a mission - in Katy Regan's new novel *Little Big Man* . . . You can't see the truth from the outside, that's what I've worked out. Ten-year-old Zac has never met his dad, who allegedly did a runner before he was born. But when his mum lets slip that he's the only man she's ever loved, Zac turns detective and, roping in his best

friend, hatches a plan to find his father and give his mum the happy-ever-after she deserves. What he doesn't realize, though, is that sometimes people have good reasons for disappearing . . . Little Big Man is a story about family secrets and fierce, familial love. It's about growing up and being accepted; grief and lies, and the damage they can do. Most of all though, it's about a little boy determined to hunt down the truth; a boy who wants to give the Dad he's never met a second chance to be a father - and his mum a second chance at love.

*Hands Down* Mariana Zapata 2020-07-03 Before he was "Big Texas," he was "Zac the Snack Pack." Bianca Brannen knows time-mostly-heals all wounds. Including those your once loved ones might have unintentionally given you. (Those just take longer.) She thinks she's ready when a call has her walking back into her old friend's life. Or at least as prepared as possible to see the starting quarterback in the National Football Organization. Before the lights, the fans, and the millions, he'd been a skinny kid with a heart of gold. Waltzing out of Zac Travis's life should be easy. Just as easy as he walked out of hers.

**Zac Attack** Grace Norwich 2006 Explore Zac's childhood, early roles, and singing and acting success -- all while learning what gives Zac that drive to succeed.

Living His Dream Joey G. Cannady 2012 Pastor Joey Cannady has written his first book to share the story of the life of his son, Zachary Andrew Cannady, who was born in 1986 with a severe birth defect known as spina bifida, which rendered Zac paralyzed. Joey has been inspired by Zac for the past twenty-five years and wrote this book from the principles he learned from his son over the past years. Zac was not supposed to live outside his mother's womb, but twenty-two years later was working his dream job as a police dispatcher for the city of Albertville, in northeast Alabama, when a newspaper reporter did a story on him for the local paper. The title of the story was Living His Dream. In this article, Zac told the reporter, George Jones, that he was truly living his dream of working in law enforcement. After reading the article, Pastor Joey was inspired to write this chronicle of their lives together. May the writing of Pastor Joey and the story of his son's victories and struggles to overcome life in a wheelchair inspire you, motivate you, encourage you to live your life and fulfill your dreams.

*For the Love of Zachary Book 1* Marie Casperson 2005-11 Marie Casperson is the mother of 3 wonderful children. At the time of this incident their ages were Keith 21, Zachary 17 and Arianne 14. Her children have an extreme closeness, love and respect for each other and for their mother. Her children are on top of the world with their lives. Healthy, popular, smart, lots of friends, good self-esteem, active in sports, very well taken care of by their parents, cars, 4-wheeler, jobs, savings accounts, and life couldn't be any better for the Casperson family. Then one night Zachary went out with 8 of his friends just to have innocent fun driving 4x4 trucks in a pit. On this night there were about 30 kids riding cycles. A fight broke out between 24 and 17-year old kids and one boy got angry and ran the crowd with his vehicle. In one person's rage, little 17-year old Zachary ran for his life, but Zachary wasn't fast enough and he was physically crushed into the back of his friend's pickup truck. As the criminal backed up his vehicle to flee, little Zac fell to the ground and this criminal ran over little Zachary's body a second time without a bit of remorse. 3 weeks later Zac's cousin Nick died in a motor cycle accident while riding with many kids from town in Zac's memory. This criminal is also responsible for another death. This book is about what this criminal did to a family that had it all. What he did to a community of children who adored Zachary and Nick. In a moment of anger this criminal shattered so many lives. The Casperson's family, grandparents, aunts, uncles, cousins and friends all lost their innocence in just a few seconds. It tells of a "Mother's Love" who fought for

answers and went up against the justice system and "For the Love of Zachary" she did not rest until someone heard her cries. How a criminal, a murderer, had more rights than the Casperson family. How "For the Love of Zachary" a community of children helped in this fight. Some hated each other and did not get along, but "For the Love of Zachary" they put their differences aside and stood strong. This book was written in Memory of Zachary. It includes the writings of Zachary's mom in a journal since that horrible phone call on the night Zachary lost his life. It contains every experience, every heartache, every step that was taken to get through such a nightmare. It is a compelling story written to let people know how murder affects lives. It also shows the true meaning of the word "LOVE"! It tells of a "Mother's Love" that searches through books and God to find the answers to heal her hurting heart and as she finds these answers she continues to share them with the children. Zachary's love reaches out and shows them the way. Out of this love they all become very close and help each other heal. After reading this book it will touch your life in some way. Maybe you lost a loved one to a murder or another reason and your life is still shattered. Maybe this book will help you heal your hurting heart. "For the Love of Zachary" his mother wants to help anyone who hurts from losing someone they love. Someone so precious that you want to die when they are ripped away from you! It is "For the Love of Zachary" that a "Mother's Love" found answers and helped her family and a community of children fight to get their lives back and made them all the strongest people that they ever could be. Stronger, better people! And it is the Love of Zachary shared between them that took them on this journey and it is the Love of Zachary that brought them back. To show you how "Love Transcends All Time" and how they are all proof of that! Please open your heart to this book. It will enlighten your mind, your heart and your soul. And maybe you will become a stronger, better person after you open your heart and let all the love and understandings of life

When they succeeded in ripping her world apart, Selena vowed to have her revenge one way or the other. Then she meets an alpha as stubborn as she is and accidentally becomes his mate. Is he the help she needs to get her payback or will he become another pain in her neck? "So what do you plan to do with them?" Gabriel asked. "I want them all to pay with their wealth, happiness, and bodies!" Selena answered in tears, but Gabriel understood the hate in her words, and he loved it. Gabriel was a bit worried that the things he had planned for the Adler family may affect Selena's emotions negatively. But since he knew that they were now on the same page, he did not intend to hold back on the punishment that he originally planned for each of them. "Thank you for trusting and telling me. Since you are now my omega, your wish is my command." "Wait, what do you mean?" Gabriel did not answer. He stood up from his seat, approached Selena, and gently kissed her on her forehead before leaving the room.

Omega rose quickly, moving from small community productions to Broadway and then on to a long-running television series. He even had a few decent movie credits under his belt. But, the stage was his real love. Except of course for Timmy. That romance ended badly years ago. Losing Timmy had been hard. Omega should be over him by now. The problem was, he wasn't. Timmy still haunted his thoughts as well as his nights. Omega was having a real problem moving on. To make matters worse,

Omega Williams tended to be secretive about his sex life. It was not that he was ashamed of who he was, far from it. It was just that the acting world was one thing. Small town, USA was something else. Omega didn't want his mother to hear about his sexuality from the local gossips. That was something he would have to face soon. And, then Omega met Daniel. Daniel was a slim, fair-skinned guy who hid his hazel eyes behind his long reddish-brown hair, and he had those full lips. Omega was entranced. However, the memories of Timmy were still a substantial obstacle to overcome. Can Omega even get to that first kiss? If you like a great gay romance, then you'll love Zac Zara's Omega's Romance. Zac Zara is an author with a promising future.

**Love in the Utmost** Zac Walsh 2019-09-08 In these lively, riveting narratives and poems, Zac Walsh chronicles over a decade in the life of a bipolar alcoholic/addict who loses his religious faith, loses those he loves, loses a job he loves, and almost loses his life before he finds his footing in the world. He writes of the highs and lows, the adventures, the travels, the failed love affairs, the blackouts, the DTs, the DUIs, his despair, and his intellectual and spiritual quest to find his way out of the darkness. While these stories of hitting bottom and recovery and redemption are universal, every story is individual and unique. Wry, erudite, impassioned, you won't forget this voice. Don't miss Love in the Utmost. Zac Walsh is a writer to watch. --Jacqueline Doyle, author of The Missing Girl Love in the Utmost begins with the narrator's experience of delirium tremens at the age of 23 and ends with his recovery after rehab for drugs and alcohol at the age of 34. In the space between the reader is taken to Brooklyn, the Black Hills and Cairo, behind the scenes of a major college football rivalry, inside the workforce at Yosemite National Park, invited as an audience member for Banjo Night, and most memorably deep within the psychological journey of a young man seeking wisdom while living inside a body and mind ravaged by the diseases of addiction and bipolar disorder. In the end, Love in the Utmost is a meditation filled with humor and pathos on faith, hope and the greatest

**Night Road** Kristin Hannah 2011-06-17 In Kristen Hannah's *Night Road* the consequence of one terrible night changes a group of young people's lives forever. 'Movingly written and plotted . . . you'll keep turning the pages until the last racking sob.' - The Daily Mail Lexi and Mia are inseparable from the moment they start high school. Different in so many ways - Lexi is an orphan and lives with her aunt on a trailer park, while Mia is a golden girl blessed with a loving family, and a beautiful home. Yet they recognize something in each other which sets them apart from the crowd, and Mia comes to rely heavily on Lexi's steadfast friendship. Mia's beloved, and incredibly good-looking, twin brother Zach, finds life much less complicated than his sister. He'd always sailed through life easily achieving whatever he, and his family, wanted and expected - but then he fell in love. The summer they graduated is a time they will always remember, and one they could never forget. It is a summer of love, best friends, shared confidences and promises. Then one moment one night changes them all forever. As hearts are broken, loyalties challenged and hopes dashed, the time has come to leave childhood behind and learn to face the future. Selected for the UK's TV Book Club Summer Read.
