

Maurs Et Sexualita En Ocaanie

La Sagouine - Antonine Maillet 1985

In this Canadian classic, a washerwoman fills the stage with the voice of poverty and of pride.

Montessori Madness - Trevor Eissler 2009

"We know we need to improve our traditional school system, both public and private. But how?

More homework? Better-qualified teachers?

Longer school days or school years? More testing? More funding? No, no, no, no, and no.

Montessori Madness! explains why the incremental steps politicians and administrators continue to propose are incremental steps politicians and administrators continue to propose are incremental steps in the wrong direction. The entire system must be turned on its head. This book ask parents to take a look--

one thirty-minute observation--at a Montessori school. Your picture of what educations should look like will never be the same"--Back cover.

Current Research in Bilingualism and Bilingual Education - Piotr Romanowski

2018-07-24

This book covers research topics in bilingual education, language policies, language contact, identity of bilingual speakers, early bilingualism, heritage languages, and more, and provides an overview of current theory, research and practice in the field of bilingualism. Each chapter is written by a specialist in the field. Part I focuses on the numerous and heterogeneous relations between languages as well as the implications arising from bilingual

speech processing. In Part II, a series of contextualized studies on bilingual classrooms are presented, with diverse research designs applied in different educational settings being a key feature of these studies. Part III bridges

theory and practice by offering an insight into mono- and multilingual school settings showcasing examples of educational institutions where bilingualism successfully soared and depicts the needs related to language education.
