With his raven hair and snow-white skin, Lord Ansil Eirwin draws unwanted attention wherever he goes. After his father's untimely death, Ansil is set to become Duke of Ravenswood on his next birthday. The gallant and timid lord would never dream of shirking responsibility, so he subverts his desires in order to please his mother and new stepfather, Reginald. Orien Moore, known as the Huntsman, lives on the fringes and has forsaken close bonds with anyone, even the misfits he has taken in. When Orien is called upon by his brother, Reginald, to kill the pampered future duke, it is the perfect opportunity to seek revenge against his power-hungry brother. Orien formulates a plan to use Reginald's vicious request to his advantage by kidnapping Ansil and holding him hostage until he can fulfill his birthright. Soon Orien realizes that Ansil is nothing like he'd expected. Kind and joyful, Ansil enchants Orien and his ragtag group. And Ansil, in turn, cannot help but be curious about the gruff huntsman as Orien's vulnerabilities are exposed. Their mutual interest transforms into affection, followed by overwhelming desire. But they are living on borrowed time. With Reginald seeking power in Ravenswood, they have no way of knowing what will transpire once Orien returns Ansil to his proper place in society. The only certainty is that the odds are stacked against them. Will the young lord and his huntsman ever have the chance to experience the happily ever after they've found in each other's arms? ***PLEASE NOTE: FOREVER MOORE is a romantic fairy tale-minus the magic-that features one reluctant lord, one brooding huntsman, and plenty of angst, forbidden love. It's loosely based on a treasured fairy tale in a make-believe setting that isn't part of any specific time period and doesn't play by any traditional rules. (less)

OMG! I'm in Love with a Geek! - Rae Earl 2014-06

This is the year Hattie wants to find real FULL ON love. No more McFitties, but real, long-term love. And she thinks she knows who with. His mum may still call him Goosey Woosey and he might have an unnatural interest in doing well in his GCSEs, but Goose could actually be THE ONE But how can Hattie make him realize this, when he seems more interested in his gecko? And there's the other matter of her dad, who seems to be more interested in saving the planet than in his new-found daughter. And there's also Gran, who has a new iPad and a dangerous obsession with Twitter.

Philophobia: The Fear Of Being In Love And Falling In Love - Finch Moore 2014-12-19

Philophobia: The Fear Of Being In Love And Falling In Love, is a book of poetry which centers around the topics of love, family, alcoholism, abuse and acceptance from the perspective of a young woman named Amelia. Philophobia: The Fear Of Being In Love And Falling In Love brings its reader on a stroll through some of the moments in life that may just be all too familiar, but also reminding us that love will always work its way through your fear.

[The Mirror of Love](#) - Alan Moore 2004-06-22

Acclaimed storyteller Alan Moore (From Hell, Jerusalem) yields this epic poem recounting the history of same-sex love, revealing a hidden side of Western culture through the lives of its greatest artists. Sappho, Michelangelo, Shakespeare, Emily Dickinson, Oscar Wilde, and many others are woven into this rich, visceral piece. Originally published in 1988, *The Mirror of Love* sprang from Moore's activist heart as a reaction to Britain's controversial anti-gay law, Clause 28. In the past, *Mirror* has been translated into both a comic book and a stage production, but Top Shelf presents it as it was meant to be, a hardcover book illustrated with over forty full-color photographs from acclaimed artist José Villarrubia. Included in the 128-page special edition is an essay about the poem and its previous incarnations, an index of characters and places, a selection of classic poems quoted in the text, and a bibliography.

Confusing Love With Obsession - John D Moore 2010-08-04

A must-read book for anyone involved in a dangerously obsessive relationship. *Confusing Love with Obsession* is a must-read for anyone involved in a dangerously obsessive relationship. Fueled by an overwhelming fear of abandonment, people involved in obsessive relationships will go to extreme lengths to control their partner. Here, John D. Moore draws from excruciating real-life stories and personal

experience to reveal the inner workings of obsessive relationships. More important, *Confusing Love with Obsession* helps readers develop a new self-awareness and healthy relationship--free from preoccupation with an object of obsession.

I used to imagine that life would be easier, more enjoyable, if I were tall, blond, and supermodel thin. But real life-like the average, every day woman-is full of curves and imperfections, and many opportunities to learn that it's not the number on the scale that measures the capacity of your heart. After years of struggling with poor self esteem and too many crash diets to count, I finally got wise-and hired a trainer. With an enthusiastic push from my brother's fiance and more motivation than a Joel Osteen sermon, I, Madeline "Leni" Moore, am ready to ditch the oh-woe-is-me act. That is, until I smack head-on into a tree and collide with him. Lane Sheffield is the guy you drool over from afar. One look at him the first day on the runner's track, and my panties are up in flames. He's out of my league. Slim, sleek, and athletic to my plump, dull, and unfit. Lane has no reason to like me, but to my utter shock . . . he does and this newfound attention from the opposite sex has me all sorts of baffled. What starts out as a healthy journey to lose some of the extra me, turns into a quest to find my true self. Will the need to fit in and finally have someone to call my own lead me to my weight loss goal or my happiness goal? I've focused so long on being skinny, what will it take for me to learn the ultimate lesson-that beauty is only skin deep?"

Someone I Love Lives Here - Justine Moore Sloan 2021-10-19

At the peak of Justine Moore Sloan's fitness career, she appeared to have it all— two million followers on social media, chiseled abs, lucrative brand endorsements, and endless praise and validation. But behind the meticulously-polished exterior was an anxious, tormented, and painfully insecure young woman desperately longing for true love and acceptance. In this candidly-written memoir, Sloan chronicles her journey from being the “fat kid,” teased in grade school, to being an internationally acclaimed fitness model, fueled by a deep-rooted sense of inadequacy. Sloan takes a sledgehammer to the societal pressures we put on girls and women to look perfect— and teaches you how to burn the rule book and reclaim your power. Her story illuminates how to ultimately love and respect your body and yourself in a way that says, “someone I love lives here.” Book Review: "Raw, brutally honest, funny, and powerful. *Someone I Love Lives Here* should be on every woman's bookshelf." -- Lori Harder, Founder of Lite Pink and Best-Selling Author of “A Tribe Called Bliss”

How far will they go to keep their promise? They reunited for the children... Will they stay for each other? Sophie Owens and Kevin Lane failed at love a long time ago, but when tragedy makes them guardians of their best friends' children, they become coparents overnight. Both will do anything for the kids they promised to care for. But when a judge demands they must marry to keep them, a temporary engagement is their only option—causing old flames of lost love to flicker... From *Harlequin Love Inspired: Uplifting stories of faith, forgiveness and hope.*

Let Me Express My Feelings - Freddie Moore 2017-08-30

Growing up, I have always had a desire to write poetry. It has become my greatest passion; there is nothing that compasses to expressing your true feelings of the heart. I give God all the glory for my ability to do so. These poems are about being open and honest when expressing your feelings for the one that you love without any hesitations, and if your feelings are real, there shouldnt be. Love is a real emotion that should not be toyed with. After you read this book, read it again; let it enter your mind and soul. Love is a powerful thing, there is a lot that I could say, but I would like for you to read it for yourself, and your feelings and emotions will automatically enhance because I feel it too.

“Love isn’t about how much you say I love you, but how much you can prove it...” Finding love in the club wasn’t working for Soraya after she dumped her ex for going to jail, so she tries to find love online. Thousands of women have found love with a simple click of the mouse, and she wants to test it out for herself. Just when Soraya thinks that spending hours online looking for a man is a complete waste of time, she finds YoungGucci90’s profile. Looking at his hazel eyes in his pictures, she falls in love instantly. Though her roommate is convinced that he’s a catfish, Soraya sees him at a concert at the House of Blues

in West Hollywood. Fast romance blossoms and everything seems to be too good to be true. Though he is the guy from his online profile, he hasn't been honest about who he really is. Hiding behind a persona he's created to keep his real identity safe, will he find it's too late to come clean?

Bloodsucking Fiends - Christopher Moore 2009-11-05

Jody never asked to become a vampire. But when she wakes up under an alley Dumpster with a badly burned arm, an aching neck, superhuman strength, and a distinctly Nosferatuan thirst, she realises the decision has been made for her. Making the transition from the nine-to-five grind to an eternity of nocturnal prowling is going to take some doing, however, and that's where C. Thomas Flood fits in. A would-be Kerouac from Incontinnence, Indiana, Tommy (to his friends) is biding his time night-clerking and frozen turkey bowling in a San Francisco Safeway. But all that changes when a beautiful, undead redhead walks through the door ... and proceeds to rock Tommy's life - and afterlife - in ways he never imagined possible.

Fox Halt Farm - Celia Moore 2017-10-20

FOX HALT FARM is a compelling love story set over two decades with a backdrop of atmospheric Dartmoor, Devon. Perfect for fans of ROMANCE - this is a weighty and CAPTIVATING READ. Opening on a cliff edge, Billy finds herself alone and betrayed. She believes everyone and everything she loves is threatened. Richard's world is aglow with wealth, love and unswerving family loyalty but then his perfect life crosses Billy's. He could save Billy, her beloved dairy cows and Fox Halt Farm but this young woman isn't in the mood to be rescued. Nothing will stay the same. Should they trust each other? Will their secrets tear their lives apart? Fox Halt Farm is going to be hard to put down. The story cracks along and you are caught up in Celia Moore's vivid storytelling from the start. If you love novels by Jill Mansell, Maeve Binchy and Danielle Steel you will love this too! Billy and Richard's story will tug on your heart-strings. This novel is emotive, enthralling and so real - this is what could happen when two very different worlds collide. Celia Moore's first novel is full of intrigue as she describes each absorbing event. A book to recommend to your friends who want a spellbinding story full of fascinating people. The plot moves along so fast - it will have you still thinking about it at two o'clock in the morning! Charming, full of ups and downs with sadness and deceit but with love bringing hope. An inspirational book for Christmas, Thanksgiving, New Year and holidays with heroes and villains, love triangles, millionaires, conspiracy and hope - all in a magic carpet ride. "...a vividly drawn setting with a warm beating heart..." Welsh Annie (TOP 500 REVIEWER VINE VOICE) "Fox Halt Farm has emotional and heartfelt moments along with plenty of drama but also love within the story too!..." Rae Reads...

Love Is on the Air - Jane Moore 2011-02

Cam Simpson has been going out with Dean for six years. It's a comfortable, cosy life and Dean is everything she could possibly want - dependable, manly and generous. Or he once was. He seems more

interested in football than her these days and, if she dared to admit it, their relationship has become a little predictable. But isn't that what happens when you've been with someone for that long? Deciding all she needs is a holiday with the girls she sets off for Tenerife with her two best friends. Almost immediately she meets single-father Tom and rather disturbingly feels that lost spark ignite. But blaming the sun, sea and sangria, she returns home ready to recapture what she and Dean once had. Until one morning, over the radio, Cam hears 'Tom has written in to the show. He came back from holiday in Tenerife a couple of weeks ago and wants to trace a lovely woman he met there. The woman's name is Cam...' With the man she's decided to commit herself to sitting right there beside her, Cam knows she can't brush this one under the carpet. And she is forced to finally ask herself the crucial question: should she settle for Mr Good Enough or risk it all for Mr Maybe He's The One?

Bite Me - Christopher Moore 2010-10-07

While some lovers were born to run, Jody and Tommy were born to bite. Well, reborn, that is, now that they're vampires. Good thing theirs is an undying love, since their Goth Girl Friday, Abby Normal, has imprisoned them in a bronze statue. Abby is keen to be one of the undead, too, but first she and her PhD-candidate boyfriend Steve have to deal with the huge vampire cat, Chet, who is stalking the city - and creating his own minions. And then Jody and Tommy free themselves from the statue and they are NOT happy...

[A Little Moore Action](#) - Sara Hudson 2022-01-18

What happens when a New York City playboy, a Southern spitfire, and a hairless cat walk into a coffee shop? Burnt man-nipples, for starters. Self-made mogul Chase Moore is a charming hound dog with a hairless cat and a family business to save. He was fine being the spare to the heir of the family's luxury department store empire until the billion-dollar business threatened to go belly-up. Now Chase will need more than his rakish good looks to fight his father for control. Powerhouse marketing guru Campbell King is a hardheaded woman with a chip on her shoulder in the shape of the New York City skyline. After being chewed up and spit out by the city that never sleeps, Campbell returned to Texas and launched her own company. When her phone rings, and the sexy voice on the other end asks her to help save his swanky store in Manhattan, she seizes the chance to redeem herself. When the sexy redhead from Texas with an Elvis obsession runs into her new boss, they both find themselves all shook up. And for the first time in her life, Campbell may need a little less conversation and a whole lot Moore action. A Little Moore Action is a standalone, first-in-series, full-length contemporary rom-com that will melt your panties as well as your heart.

Sometimes Love - Katrina Moore 2022-07-12

A tender, poetic picture book about a military family experiencing happiness, heartache, and learning to grow through change "Changes come and changes go. Love through changes makes love grow." When her mother is deployed overseas, a young girl is temporarily parted from her beloved dog. Told in spare yet lyrical verse, this picture book shares a powerful message about the different ways we show love, from giving, to growing together, to sometimes letting go. But don't worry, this pet story has a happy ending.
