[Thank You, Omu!](#) - Oge Mora 2018-10-02

In this remarkable author-illustrator debut that's perfect for fans of Last Stop on Market Street and Extra Yarn, a generous woman is rewarded by her community. Everyone in the neighborhood dreams of a taste of Omu's delicious stew! One by one, they follow their noses toward the scrumptious scent. And one by one, Omu offers a portion of her meal. Soon the pot is empty. Has she been so generous that she has nothing left for herself? Debut author-illustrator Oge Mora brings to life a heartwarming story of sharing and community in colorful cut-paper designs as luscious as Omu's stew, with an extra serving of love. An author's note explains that "Omu" (pronounced AH-moo) means "queen" in the Igbo language of her parents, but growing up, she used it to mean "Grandma." This book was inspired by the strong female role models in Oge Mora's life.

Achtung-Panzer! - Heinz Guderian 1995

This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

The Rough Guide to Rock - Peter Buckley 2003

Compiles career biographies of over 1,200 artists and rock music reviews written by fans covering every phase of rock from R & B through punk and rap.

Roll Me Up and Smoke Me When I Die - Willie Nelson 2012-11-13

In Roll Me Up and Smoke Me When I Die, Willie Nelson muses about his greatest influences and the things that are most important to him, and celebrates the family, friends, and colleagues who have blessed his remarkable journey. Willie riffs on everything, from music to poker, Texas to Nashville, and more. He shares the outlaw wisdom he has acquired over the course of eight decades, along with favorite jokes and insights from family, bandmates, and close friends. Rare family pictures, beautiful artwork created by his son, Micah Nelson, and lyrics to classic songs punctuate these charming and poignant memories. A road journal written in Willie Nelson's inimitable, homespun voice and a fitting tribute to America's greatest traveling bard, Roll Me Up and Smoke Me When I Die—introduced by another favorite son of Texas, Kinky Friedman—is a deeply personal look into the heart and soul of a unique man and one of the greatest artists of our time, a songwriter and performer whose legacy will endure for generations to come.

The Use of Pop Songs in the EFL Classroom - Ornerová Lenka 2011-03-09

Inhaltsangabe:Introduction: I have chosen the topic of using pop songs in the EFL classroom because I strongly believe that working with pop songs is a highly motivational device. When I was a student at a lower and upper secondary school, listening to songs in English classes was my favourite activity. I have always wanted to be able to understand the lyrics of songs I listened to. Later, I realized that I have learned a lot from listening to pop songs and analyzing their lyrics. Therefore, in my diploma project, I would like to prove that using pop songs is a highly motivational device in teaching English with instructional value, and that students enjoy working with pop songs. The theoretical part of this diploma project is based on relevant sources of background literature. In the first two chapters, the use of songs is described with regard to motivation and the Multiple Intelligences Theory. The third and fourth chapter deal with the

reasons for using songs and their classification. In the last two chapters of the theoretical part, pedagogical principles of using pop songs in class, as well as the pros and cons of teaching through pop songs are presented. The practical part is based on the findings of three surveys I have conducted in the field of using songs in the EFL classroom. In the first part of the research, I present an analysis of questionnaires which I distributed among English teachers at lower and upper secondary schools and grammar schools. In the second part of the research, I describe students' attitudes to pop song based lessons which I taught during my teaching practice at grammar schools. In the third part of the research, I analyze the types of songs presented in commonly used textbooks at lower and upper secondary schools. In addition, I present a self-developed teaching material containing a list of pop songs suitable for the EFL classroom. In the last part of the practical part, I answer the research questions and provide some implications for my own teaching. Inhaltsverzeichnis:Table of Contents: ABBREVIATIONS AND DEFINITIONS ABSTRACT INTRODUCTION9 THEORETICAL PART 1.MOTIVATION10 1.1Definition of motivation10 1.2Different kinds of motivation11 1.3Motivation in second language acquisition/learning vs. foreign language learning12 1.4Sources of motivation in the EFL classroom14 2.MULTIPLE INTELLIGENCES16 2.1The categories of intelligence17 2.2The implications of MI theory for ELT19 2.3Musical [...]

[What the World Needs Now Is Love](#) - Burt Bacharach 2017-12-26

For anyone who needs to be reminded of the power of love, this beautiful book is the perfect gift! With its soothing lyrics and calming tones, "What the World Needs Now Is Love" has become a beloved song worldwide since its release in 1965. Now, for the first time ever, these captivating lyrics are in book form accompanied by gorgeous illustrations, and perfectly packaged with a ribbon enclosure. Both a reminder of the importance of love and a call to make the world a better place, this book is the perfect gift for anyone you care about—or for yourself when you need some gentle comfort.

Shallow (from A Star Is Born) Sheet Music - Lady Gaga 2018-10-01

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.

The Rock Song Index - Bruce Pollock 1997

A listing of over 7,500 rock songs presented alphabetically by artist that notes the album the song appeared on, its year of release, the producer, record company, and songwriters. Also briefly describes the song or its popularity and features an index alphabetized by song title.

Montessori Madness - Trevor Eissler 2009

"We know we need to improve our traditional school system, both public and private. But how? More homework? Better-qualified teachers? Longer school days or school years? More testing? More funding? No, no, no, no, and no. Montessori Madness! explains why the incremental steps politicians and administrators continue to propose are incremental steps politicians and administrators continue to propose are incremental steps in the wrong direction. The entire system must be turned on its head. This book ask parents to take a look--one thirty-minute observation--at a Montessori school. Your picture of what educations should look like will never be the same"--Back cover.

Metallica Unbound - K.J. Doughton 2008-12-14

Written by a noted hard rock journalist who has covered the band since its inception 10 years ago, this one-of-a-kind, full-color collectors' volume provides the most in-depth information on the band available anywhere. Rare and never-before-published photos. Complete discography.

Easy Learning French Vocabulary: Trusted support for learning (Collins Easy Learning) - Collins

Dictionaries 2016-05-05

The quickest way to study the essential French words and the perfect companion to titles in the ever-popular Easy Learning French range.

The Life and Death of Sophie Stark - Anna North 2015-05-19

Winner of the 2016 Lambda Literary Award for Bisexual Fiction "I read *The Life and Death of Sophie Stark* with my heart in my mouth. Not only a dissection of genius and the havoc it can wreak, but also a thunderously good story."—Emma Donoghue, New York Times bestselling author of *Room* "This novel is perceptive, subtle, funny and lingers in unexpected ways. The analysis of a woman who puts her art above all else is equal parts inspiration and warning story. Anna North makes prose look easy."—Lena Dunham Gripping and provocative, *The Life and Death of Sophie Stark* is a haunting story of fame, love, and legacy told through the propulsive rise of an iconoclastic artist. Sophie Stark begins her filmmaking career by creating a documentary about her obsession, Daniel, a college basketball star. But when she becomes too invasive, she finds herself the victim of a cruel retribution. The humiliation doesn't stop her. Visionary and unapologetic, Sophie begins to use stories from the lives of those around her to create movies, and as she gains critical recognition and acclaim, she risks betraying the one she loves most. Told in a chorus of voices belonging to those who knew Sophie best, *The Life and Death of Sophie Stark* is an intimate portrait of an elusive woman whose monumental talent and relentless pursuit of truth reveal the cost of producing great art. It is "not only a dissection of genius and the havoc it can wreak, but also a thunderously good story" (Emma Donoghue).

The Beatles at the Beeb, 62-65 - Kevin Howlett 1983

"Offers an unparalleled comprehensive history of the group's radio career and a general survey of the Beatles[sic] musical development between March 1962 and June 1965"--Back cover.

Demons and Cocktails - Stuart Cable 2009

When news filtered through the media that Stuart Cable, the drummer with a larger-than-life personality and an even larger head of curly hair, had been unceremoniously sacked from one of the biggest rock bands

in the UK by his best mates, the music world was stunned. Packed full of witty anecdotes, all told in Stuart's usual upbeat and humorous tone, this remarkable book will leave you gasping with disbelief. A frank autobiography, with no detail spared, this book is a must read for all Stereophonics and Killing for Company fans, and for all people who love a good old rags-to-riches story.

Boom Clap - Charli XCX 2014-08-01

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.

Six Sonatinas, Op. 36 - Muzio Clementi 2001-01-02

Muzio Clementi (1752-1832) was a famed composer, pianist, pedagogue, conductor, music publisher, editor, and piano manufacturer. Although born in Italy, he spent most of his life in England. In his time, he was known as "the father of the pianoforte," "father of modern piano technique", and "father of Romantic pianistic virtuosity." Titles: * No. 1 in C major * No. 2 in G major * No. 3 in C major * No. 4 in F major * No. 5 in G major * No. 6 in D major. Kalmus Editions are primarily reprints of Urtext Editions, reasonably priced and readily available. They are a must for students, teachers, and performers.
