No Country for Old Men - Cormac McCarthy 2010-12-03

Savage violence and cruel morality reign in the backwater deserts of Cormac McCarthy's *No Country for Old Men*, a tale of one man's dark opportunity - and the darker consequences that spiral forth. Adapted for the screen by the Coen Brothers (*Fargo*, *True Grit*), winner of four Academy Awards (including Best Picture). 'A fast, powerful read, steeped with a deep sorrow about the moral degradation of the legendary American West' - Financial Times 1980. Llewelyn Moss, a Vietnam

veteran, is hunting antelope near the Rio Grande when he stumbles upon a transaction gone horribly wrong. Finding bullet-ridden bodies, several kilos of heroin, and a caseload of cash, he faces a choice - leave the scene as he found it, or cut the money and run. Choosing the latter, he knows, will change everything. And so begins a terrifying chain of events, in which each participant seems determined to answer the question that one asks another: how does a man decide in what order to abandon his life? 'It's hard to think of a contemporary writer more worth reading' - Independent Part of the Picador Collection, a series showcasing the best of modern literature. Praise for Cormac McCarthy: 'McCarthy worked close to some religious impulse, his books were terrifying and absolute' - Anne Enright, author of *The Green Road* and *The Wren*, *The Wren* 'His prose takes on an almost biblical quality, hallucinatory in its effect and evangelical in its power' - Stephen King, author of *The Shining* and the *Dark Tower* series '[I]n presenting the darker human impulses in his rich prose, [McCarthy] showed readers the necessity of facing up to existence' - Annie Proulx, author of *Brokeback Mountain*

Mr Majestyk - Elmore Leonard 2012-02-16

The New York Times bestselling author of *Be Cool* and *Get Shorty* Killer man Vincent Majestyk had his belly-full of killing in Asia. It was his job and he was one of the best, but when he stripped off his uniform he never wanted to go back to it. Now he works under the open skies of the American Southwest, growing melons on his farm, where nobody knows about his past. And that was why a cheap crook named Kopas, a hard-nosed cop named McAllen, and a big-time, high-priced hit man named Renda all figured Majestyk was another local yokel to be pushed around. Majestyk was about to go to war again...

Death by Rodrigo - Ron Liebman 2007-09-11

A HILARIOUS NEW SERIES -- THINK JANET EVANOVICH MEETS MY COUSIN VINNY. When El Salvadoran crime boss Rodrigo González is finally nabbed in Camden, New Jersey, for high-volume drug trafficking, he hires criminal defense attorneys Mickie Mezzonatti and Salvatore "Junne" Salerno, Jr. He's been told they're the best and that, as former Camden police officers, they know all the blind spots and loopholes (read: the ins and outs) of the local courts. All Rodrigo asks of Junne and Mickie is that they get him out on bond so he can jump bail and escape back to the comforts of El Salvador. Problem is, the judge denies bail. Soon Mezzonatti and Salerno are receiving a few unwelcome guests -- friends of Rodrigo -- asking questions. And the boys need to find answers, fast. Mickie and Junne have an enviable professional success rate. With their street smarts and learned-on-the-job courtroom skills, the blue-collar boys enjoy trouncing self-righteous, Ivy-educated district attorneys. But they also know when they need help. Like with Rodrigo. So they approach Professor Mumbles, a brilliant though eccentric former white-shoe lawyer who suffered a spectacular corporate burnout. As Junne and Mickie duck and dive to make Rodrigo's case (or at least fake it with Mumbles's help), they're also juggling their regular caseload -- like local drug lord Slippery Williams, whose badass nephew may have turned informant; and the gorgeous hooker Little Chip, whose prostitution bust leaves her pimp hopping mad. And through it all, the boys attempt to keep a happy home life. That's no sweat for Mickie, a natural Casanova, but it may prove to be trickier than Junne ever imagined. 'Cause he's got a secret. And if Rodrigo does not kill him, his family just might.... The first installment of a hilarious new series, *Death by Rodrigo* is a romp through the seamy side of criminal law by one of the foremost attorneys in America (who also has a wicked sense of humor).

No Such Creature - Giles Blunt 2009-08-04

Tooling across the American southwest in their giant Winnebago, Max

and his nephew, Owen, seem harmless enough, the actorly old fellow spouting Shakespeare like a faucet while his young charge trots him through select tourist destinations along the road. But appearances, as you might imagine, can be deceiving. Old Max is actually a master thief, and young Owen's summer vacation is his careful apprenticeship in a life of crime. Pulling heists is scary enough, but ominous signs point to the alarming fact that The Subtractors are on their tail, criminal bogeymen who stop at nothing to steal from other thieves. The road trip soon turns into a chase, by turns comic and horrifying. The most disturbing twist: Owen's slow realization that the person he loves most in the world is the one who can do him the most harm.

The Nix - Nathan Hill 2017-01-26

'The best new writer of fiction in America. The best.' - John Irving Nathan Hill's brilliant debut takes the reader from the rural Midwest of the 1960s, to New York City during Occupy Wall Street; from Chicago in 1968, to wartime Norway: home of the mysterious Nix. Meet Samuel: stalled writer, bored teacher at a local college, obsessive player of online video games. He hasn't seen his mother, Faye, in decades, not since she abandoned her family when he was a boy. Now she has suddenly reappeared, having committed an absurd politically motivated crime that electrifies the nightly news, beguiles the Internet, and inflames a divided America. The media paints Faye as a radical hippie with a sordid past,

but as far as Samuel knows, his mother was an ordinary girl who married her high-school sweetheart. Which version of his mother is true? Two facts are certain: she's facing some serious charges, and she needs Samuel's help. As Samuel begins to excavate his mother's, and his country's, history, he will unexpectedly find that he has to rethink everything he ever knew about her - a woman with an epic story of her own, a story she has kept hidden from the world.

Managerial Imperative and the Practice of Leadership in Schools, The - Larry Cuban 1988-01-01

With this significant new work, Larry Cuban provides a unique and insightful perspective on the bridging of the long-standing and well-known gap between teachers and administrators. Drawing on the literature of the field as well as personal experience, Cuban recognizes the enduring structural relationship within school organizations inherited by teachers, principals, and superintendents, and calls for a renewal of their sense of common purpose regarding the role of schooling in a democratic society. Cuban analyzes the dominant images (moral and technical), roles (instructional, managerial, and political), and contexts (classroom, school, and district) within which teachers, principals, and superintendents have worked over the last century. He concludes that when these powerful images and roles are wedded to the structural conditions in which schooling occurs, "managerial behavior" results, thus narrowing the potential for more thoughtful, effective, and appropriate leadership. Cuban then turns to consider this situation with respect to the contemporary movement for school reform, identifying significant concerns both for policymakers and practitioners. This honest, thought-provoking book by a leading scholar, writer, and practitioner in the field represents an invaluable resource—an insightful introduction for those just entering the field and a fresh, new perspective

for those long-familiar with its complexities. Cuban's ethnographic approach to the development of his own career and viewpoint, as well as his highly readable style, make this a work of lasting value.
