Thirteen Hours - Meghan O'Brien 2008-05-01

Can you fall in love in thirteen hours? It's her birthday but lonely workaholic Dana Watts is at the office late, drafting a proposal. The very last interruption she expects comes in the form of the most beautiful breasts she has ever seen. These belong to an incredibly hot woman, who is standing in front of her, stripping to music. Laurel Stanley performs strip-o-grams to pay her way through school. She has never encountered a more ungrateful recipient than Dana. The uptight project manager makes it clear that she is furious to be distracted from her work by the gift a colleague sent and equally appalled by Laurel's occupation. After Dana is rude and insulting, and insists on escorting Laurel from the building, the two women take an elevator ride that changes everything. Stuck with each other for thirteen long hours after the elevator breaks down, they discover how wrong first impressions can be and how right two strangers can feel together. Can everything change in less than a day? Dana and Laurel set out to discover

if their passionate elevator encounter can mean more in this fast-paced, erotic story of lust, loneliness, fantasy, and desire.

The Things We Leave Unfinished - Rebecca Yarros 2021-02-23

Told in alternating timelines, THE THINGS WE LEAVE UNFINISHED examines the risks we take for love, the scars too deep to heal, and the endings we can't bring ourselves to see coming. Twenty-eight-year-old Georgia Stanton has to start over after she gave up almost everything in a brutal divorce—the New York house, the friends, and her pride. Now back home at her late great-grandmother's estate in Colorado, she finds herself face-to-face with Noah Harrison, the bestselling author of a million books where the cover is always people nearly kissing. He's just as arrogant in person as in interviews, and she'll be damned if the good-looking writer of love stories thinks he's the one to finish her grandmother's final novel...even if the publisher swears he's the perfect fit. Noah is at the pinnacle of his career. With book and movie deals galore, there isn't much the "golden boy"

of modern fiction hasn't accomplished. But he can't walk away from what might be the best book of the century—the one his idol, Scarlett Stanton, left unfinished. Coming up with a fitting ending for the legendary author is one thing, but dealing with her beautiful, stubborn, cynical great-granddaughter, Georgia, is quite another. But as they read Scarlett's words in both the manuscript and her box of letters, they start to realize why Scarlett never finished the book—it's based on her real-life romance with a World War II pilot, and the ending isn't a happy one.

Georgia knows all too well that love never works out, and while the chemistry and connection between her and Noah is undeniable, she's as determined as ever to learn from her great-grandmother's mistakes—even if it means destroying Noah's career.

Twice as Sexy - Carly Phillips 2020-01-07

He's the bad boy her mother warned her about. The guy who makes her crave all the naughty things a good girl shouldn't want. Tanner Grayson is a man outrunning the demons of his past and has the rap sheet to prove it. The only thing keeping old anger in check and him on the straight and narrow are the men he calls brothers and the club he calls home. He has no business taking the sexy woman doing shots in his club upstairs to his bed. They never should have crossed paths. But when Assistant District Attorney Scarlett Davis lays eyes on the hot as sin club owner, she decides he's the birthday present she wants to unwrap at the end of the evening. He tells himself it's one night. She convinces herself she deserves a short break from her latest case. But one night isn't enough and soon these two opposites are in deeper than they ever planned. When Scarlett's case collides with Tanner's past, she sees the dangerous man he's hidden beneath the cool veneer he presents to the world. Can she accept him for who he is? Or will she run from the bad boy who makes her feel so good?

Love in the Time of Serial Killers - Alicia Thompson 2023-03-30

'Unique, sexy, hilarious, charming... The true crime is NOT reading this novel!' Ali Hazelwood, author of *The Love Hypothesis* 'A criminally addictive romance... this book is sheer perfection from beginning to end' Rachel Lynn Solomon, author of *The Ex Talk* -- Turns out that reading nothing but true crime isn't exactly conducive to modern dating - and one woman is going to have to learn how to give love a chance when she's used to suspecting the worst. PhD candidate Phoebe Walsh has always been obsessed with true crime. She's even analysing the genre in her dissertation - if she can manage to finish writing it. It's hard to find the time while she spends the summer in Florida, cleaning out her childhood home, dealing with her obnoxiously good-natured younger brother, and grappling with the complicated feelings of mourning a father she hadn't had a relationship with for years. It doesn't help that she's low-key convinced that her new neighbour, Sam Dennings, is a serial killer (he may dress business casual by day, but at night he's clearly up to something). But it's not long before Phoebe realises that Sam might be something much scarier - a genuinely nice guy who can pierce her armour to reach her vulnerable heart. What readers are saying about *Love in the Time of Serial Killers*: 'Do you know when you disappear into a book? You, your surroundings, everything, ceases to exist? This book was that for me' □ □ □ □ 'The cover is gorgeous, and the inside is fun, witty, relatable and so entirely sweet' □ □ □ □ 'This was such an enjoyable read. I really loved the depths given to Phoebe, the way she created walls around herself, the themes were developed organically and believably' □ □ □ □ 'Phoebe is one of the best female protagonists I've read in a long time' □ □ □ □ 'The whole thing made me laugh out loud and smile like an idiot sooo often' □ □ □ □ 'The book was witty and fun, but also thought out and honest' □ □ □ □

Fix Her Up - Tessa Bailey 2019-06-11

The first in a spicy, hilarious HGTV-inspired romantic comedy trilogy from the #1 New York Times bestselling author of *It Happened One Summer* and *Hook, Line, and Sinkers!* Georgette Castle's family runs the best home renovation business in town, but she picked balloons

instead of blueprints and they haven't taken her seriously since. Frankly, she's over it. Georgie loves planning children's birthday parties and making people laugh, just not at her own expense. She's determined to fix herself up into a Woman of the World... whatever that means. Phase one: new framework for her business (a website from this decade, perhaps?) Phase two: a gut-reno on her wardrobe (fyi, leggings are pants.) Phase three: updates to her exterior (do people still wax?) Phase four: put herself on the market (and stop crushing on Travis Ford!) Living her best life means facing the truth: Georgie hasn't been on a date since, well, ever. Nobody's asking the town clown out for a night of hot sex, that's for sure. Maybe if people think she's having a steamy love affair, they'll acknowledge she's not just the "little sister" who paints faces for a living. And who better to help demolish that image than the resident sports star and tabloid favorite? Travis Ford was major league baseball's hottest rookie when an injury ended his career. Now he's flipping houses to keep busy and trying to forget his glory days. But he can't even cross the street without someone recapping his greatest hits. Or making a joke about his... bat. And then there's Georgie, his best friend's sister, who is not a kid anymore. When she proposes a wild scheme—that they pretend to date, to shock her family and help him land a new job—he agrees. What's the harm? It's not like it's real. But the girl Travis used to tease is now a funny, full-of-life woman and there's nothing fake about how much he wants her... "Her voice feels as fresh and contemporary as a Netflix rom-com."

—Entertainment Weekly "Fix Her Up ticks all my romance boxes. Not only is it hilarious, it's sweet, endearing, heartwarming and downright sexy. It's a recipe for the perfect love story." - Helena Hunting, New York Times bestselling author of *Meet Cute*

Filthy Rich - Julie Kriss 2019-08-12

A billionaire. His assistant. And a game that could cost both their hearts Aidan Winters. Gorgeous, brilliant, ruthless, and filthy rich. He's known as the Man in Black, because New York's most sought-after bachelor is icy perfection in an all-black suit. As his executive assistant, I know his suit size, the security code to his penthouse, and the number to his private line. The only

thing I don't know is what would make him fall to his knees for a woman. And then, one night, I discover Aidan's sexy secret. And he discovers mine. Now we play a very dirty game. By day, we're all business. But by night... he's not Aidan and I'm not me. No emotions. No lies. Except for one. If you think this is a story about a girl who hates her boss, think again.
