Queen's Favorite Witch #1 - Benjamin Dickson 2021-11-16

Elizabethan England is a time of superstition and strange goings on. If you have a problem, it's common to go to a witch for help. And Queen Elizabeth I is no different... When Daisy -- a precocious young witch -- learns of the death of the Queen's Royal Witch, she flies to London to audition as her replacement. But Daisy is from a poor family, and they don't let just anyone into the Royal Court. The only way into the palace is to take a job as a cleaner. As Daisy cleans the palace, she draws the attention of Elizabeth's doctor (and arch-heretic) John Dee, who places her into the auditions -- much to the chagrin of her more well-to-do competitors. But Dee knows how dangerous the corridors of power have become, with dark forces manipulating events for their own ends. To him, Daisy represents a wild card -- one that may decide the fate of many. With so many wanting her to fail, Daisy will need all her grit and determination to make it through these auditions -- not to mention a sense of daring and adventure...

The Girl and the Glim - India Swift 2022-06-08

An original graphic novel about being the new kid in a different school, getting picked on by the class bullies, and what happens when a magical presence takes notice. Like, can things get any worse? Starting out at a new school is tough, and Bridgette isn't having much luck, seeing as, well, she's not great at making a first impression. Or, maybe, any impression. Ugh, all these nervous feelings! Will I fit in? Will I make new friends? Will they still like me when they get to know me? Nope. For now the best she can manage is... awkward. This is not going great. That's when she sees it. Something dark and scary... something only she can see. And she's scared, of course she is. But as the only one able to see the dangers, maybe it's time for her to face that fear and unravel the mystery of the Glim and the Glums. *The Girl and The Glim* is about accepting the fact that fear is okay, and that while letting other people see your vulnerabilities can be scary, it can also lead to closer friendships in the end.
