Growing Older Without Fear - Gary G. Kindley 2010-07

What is your greatest fear about growing older? Losing your sense of humor? Losing your looks? Losing your memory? Losing your sense of control? With wisdom and wit, *Growing Older without Fear* takes a fresh look at the process of aging and gives fear a kick in the rear. Dr. Gary Kindley reveals the nine characteristics that are essential to thriving through all of life's changes. With a variety of coping strategies and cross-cultural viewpoints on aging, he outlines an action plan to help anyone age with grace. He also examines the results of a national survey of people's concerns, successes, and discoveries about growing older, helping to combat stereotypes on aging and the elderly. *Growing Older without Fear* also includes interviews with: • Dr. Ronald Peterson, Mayo Clinic Alzheimer's researcher and physician to President Ronald Reagan • Gerontology, Psychiatry, and Internal Medicine experts • Complementary Alternative Medicine (CAM) experts on new alternative medical approaches How do you want to spend your golden years? *Growing Older without Fear* will inspire you to make the most of every moment. 'A book that will inspire and help those facing their senior years without trepidation... [Dr. Kindley's] national survey on aging will be a resource for whoever wants to face the future with enthusiasm and optimism. . . . Mayor Tom Leppert City of Dallas, TX.

Erotically Queer - Silva Neves 2023-04-07

*Erotically Queer* is a practice guide for clinicians, bringing together experts in their field with pioneering topics within GSRD (Gender, Sex and Relationship Diversity). Chapters cover an array of topics rarely covered in either clinical or popular literature including lesbian sex, queer menopause, bisexuality, the sex lives of asexuals, sexuality and transgender people, treating anodyspareunia, compulsive sexual behaviours and Chemsex. It also helps practitioners reflect on their biases regarding BDSM/Kink and understand more regarding non-pathologising practices with intersex people. The book aims to help all clinicians work more effectively with the Queer population, with the most contemporary sexological knowledge. Chapter 6 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons [Attribution-Non Commercial-No Derivatives (CC-BY-NC-ND)] 4.0 license."

**The Sexual Addiction** - Patrick Carnes 1983

**Mending a Shattered Heart** - Stefanie Carnes 2012-07-10

When your partner betrays, what are the first steps to picking up the pieces of your shattered heart? Many unsuspecting people wake up every day to discover their loved one, the one person whom they are supposed to trust completely, has been living a life of lies and deceit because they suffer from a disease-sex addiction. This is a disease shrouded in secrecy and shame. This is your go-to-guide for what to do when you discover your partner is a sex addict. Each chapter is based on frequently asked questions by partners such as: Should I Stay or Should I Go? Is This Going to Get Better? How Do I Set Boundaries and Keep Myself Safe? and What Should I Tell the Kids?

Overcoming Sex Addiction - Thaddeus Birchard 2017-04-21

*Overcoming Sex Addiction* is an accessible self-help guide which uses the principles of cognitive behaviour therapy to help those with problematic or unwanted patterns of sexual behaviour. It is designed for those who are not yet ready to seek professional help or who live in a place where little help is available and can be used in conjunction with general psychotherapy. Written by a leading expert in the field, the book offers an insight into the origins of sex addiction, before going on to explain the cycle of addiction and how to break it. The book has a do-it yourself week-by-week programme of action to tackle compulsive sexual behaviour, and provides extensive advice on relapse prevention to help the reader move forward in recovery. *Overcoming Sex Addiction* will provide clear, informed guidance for sex addicts and those professionals working with them.

The Myth of Sex Addiction - David J. Ley 2014-07-10

In this controversial book, David Ley debunks the myth of sex addiction, showing how labeling it a disorder has wrested responsibility away from philandering men and excused their bad behavior as being out of their control. He takes on those who would label it a disease and ch...

Bridging the Sex Addiction Divide - Michael Salas 2019-10-03

In *Bridging the Sex Addiction Divide*, Dr. Michael Salas takes his years of experience of working in the sex therapy and sex addiction fields and opens up an important discussion about limitations and barriers when working with clients who seek out treatment for out-of-control sexual behavior. Salas takes the discussion beyond its typical focus of the appropriateness of the sex addiction label itself and refocuses attention on clients. *Bridging the Sex Addiction Divide* begins by focusing on broad controversies surrounding the sex addiction label, but ends with a heart for helping clients who are most vulnerable of being victims of the sex addiction controversy itself. This sex positive journey through complicated and difficult considerations will help you feel more comfortable working with LGBTQ, non-monogamous, and kink-interested clients who believe that they have a sexual addiction.

Parenting by Design - Chris and Michelle Groff with Lee Long 2014-04-04

Raising children is no easy task. No matter the child, no matter the situation, every parent longs for obedience from their offspring. God isn't overbearing when He deals with us, and His example is perfect. There's no question that kids want truth and love, as well as bonding and boundaries. Because God understands the human condition, He knows we learn best from hands-on experience, Jesus' example, and the Holy Spirit's empathetic examination of our hearts. We're asking you to consider using the same parenting style with your children. *Parenting by Design* offers a more relational approach to raising children, relying less on rote obedience and more on walking with your children through their decision-making development. Forcing children to obey rarely works to build a healthy relationship that allows you to enter into their worlds and understand their decisions. This book will help you parent with grace and love, two key elements in motivating a child to obey.

**When He's Married to Mom** - Kenneth M. Adams 2007-03-26

When a Woman Is in an Emotional Tug-of-War for Her Man's Heart Why can't he commit? Many women find themselves asking this question when in love with a man who won't get married, won't stop womanizing, or refuses to give up his sex addictions. Often this kind of man is bound by an unhealthy attachment to his mother. This phenomenon is called "mother-son enmeshment." In *When He's Married to Mom*, clinical psychologist and renowned intimacy expert Dr. Kenneth M. Adams goes beyond the stereotypes of momma's boys and meddling mothers to explain how mother-son enmeshment affects everyone: the mother, the son, and the woman who loves him. In his twenty-five years of practice, Dr. Adams has successfully treated hundreds of enmeshed men and shares their stories in this informative guide. He provides proven methods to make things better, including: -- Guidelines to help women create fulfilling relationships with mother-enmeshed men -- Tools to help mother-enmeshed men have healthy and successful dating experiences leading to serious relationships and marriage -- Strategies to help parents avoid enmeshing their children *When He's Married to Mom* provides practical and compassionate advice to the women who are involved with mother-enmeshed men, to the mothers who wish to set them free, and to the men themselves.

**Lust, Anger, Love** - Maureen Canning 2008-01-01

Sexual addiction is a problem that affects millions of people. Maureen Canning, LMFT, who has extensive experience treating sex addicts, explains its roots and how those afflicted can recover. This book also explains the poisonous childhood seeds that lead to public scandals like the revelations involving former congressman Mark Foley. Canning shows how compulsions are the product of early childhood abuse and how patterns, from the most violent to the most commonplace, develop. She explains that the overriding emotion sexually addicted people feel towards the partners with whom they seek intimacy is anger turned into sexuality, or "sexualized anger." This yields a false sense of security and power, an "aggressive tendency," which destroys any chance of a healthy relationship. Lust, Anger, Love offers a comprehensive and enlightening look at the origins of these little discussed behaviors and maps out a plan for recovery.

**Out of the Shadows** - Patrick J Carnes 2009-06-21

Unhooked from regular routines and healthy relationships by the coronavirus pandemic or other traumas, even our most basic human impulses and inputs can become addictive and destructive. An essential resource for those struggling with sexual addiction and compulsions, and those who love them. With the revised information and up-to-date research, Out of the Shadows is the premier work on sex addiction, written by a pioneer in its treatment. Sex is at the core of our identities. And when it becomes a compulsion, it can unravel our lives. Out of the Shadows is the premier work on this disorder, written by a pioneer in its treatment. Revised and updated to include the latest research--and to address the exploding phenomenon of cybersex addiction--this third edition identifies the danger signs, explains the dynamics, and describes the consequences of sexual addiction and dependency. With practical wisdom and spiritual clarity, it points the way out of the shadows of sexual compulsion and back into the light and fullness of life.

Sex Outside the Lines - Chris Donaghue 2015-07-14

It's socially acceptable to spend a day watching sports or sitcoms, but it's shameful and embarrassing to admit to the same about erotic media. Why is it that sex is so often deemed "inappropriate" and considered something we must keep private or even ignore? Our culture is afraid of sex. We feel the need to label what is normal and what isn't, and as a result, we live in a relational and sexually unhealthy culture. In reality, far more harm is caused by labeling sexual expression as "obscene" than by celebrating it. In Sex Outside the Lines: Authentic Sexuality in a Sexually Dysfunctional Culture, Chris Donaghue, PhD, explores and challenges the negative ideals that have warped society's view of sex. Sex Outside the Lines is not a dogmatic rule book, but a valuable guide to help you on your journey to sexual self-discovery and, most important, self-acceptance. Donaghue encourages you to not only explore your capacity for pleasure, but to be proud of it and to take a look at how you could be living. In his years of training in sex and couples therapy, Donaghue has developed highly successful methods for freeing clients from sexual hang-ups, enabling them to let go of shame and embarrassment. The goal isn't to be "normal"—there is no such thing. Donaghue pulls apart cultural phobias with a sex-positive therapy practice, as well as a kind of sexual deprogramming that helps people see and accept that the desires they have—even if they don't align with society's expectations—are actually natural, healthy, and part of having a great sex life. Sex Outside the Lines addresses our diversity, challenges conventional psychiatric wisdom as classifying perfectly normal behavior as disorders, and disregards conventional advice from leading experts. It isn't advocating a "liberal" approach to modern concepts—it is seeking to redefine them altogether.

Sex Addiction 101 - Robert Weiss 2015-10-27

As technology and the internet have become more accessible, the number of affordable, easy links to pleasurable sexual content and activity has increased with it, and so too has the number of people struggling with sex, porn, and love addiction. Unfortunately, very few people possess a comprehensive understanding of this incredibly complicated disease. Sex Addiction 101 covers everything from what sexual addiction is and how it can best be treated, to how it affects various subgroups of the population, such as women, gays, and teenagers, to how sex addicts can protect themselves from the online sexual onslaught. Sex Addiction 101 is intended to enlighten the clinical population as well as actual sex addicts and their loved ones. Along with his mentor Patrick Carnes, Weiss has become the face of and driving force behind understanding and treating sexual addiction; this book should be a core title in every addiction collection.

**No Stones** - Marnie C. Ferree 2013-07-08

In this book Marnie C. Ferree offers a unique resource for women struggling with sexual addiction. Taking her book's title from the parable where Jesus extends grace to the woman caught in adultery, Ferree bravely shares her own story of sexual addiction, recalling her years of shame from living a double life and the moment when she ultimately had to tell the truth. But more than just offering her story as a hopeful example of God's transforming power, Ferree distills her clinical expertise on female sexual addiction accessibly and gently, providing a much-needed resource for women struggling with any degree of relational or sexual addiction. Ferree details the roots of addiction in family trauma and offers clear-eyed advice as both a counselor and a "grateful recovering sex addict" on how to achieve sobriety and healing. Written by a counselor who understands the condition from the inside out, No Stones offers practical help for those battling sexual addiction. It also includes a specific chapter for anyone in close relationship with an addict, whether a spouse, family member, or friend, who wants to come alongside women as they seek help. Important for pastors and church leaders, this book will also be a much sought-after resource for Christian counselors and therapists counseling women who grapple with this type of addiction.

**The Freedom Fight** - Ted Shimer 2020-09-03

Today's pornography stimulates the brain like other addictive drugs and is hooking a generation. No one is immune—men, women, young, or old—to the destructive power of porn. It is waging war against a walk with Christ, a godly marriage (or future marriage), and is sidelining God's people from Kingdom service. This book shows a path to true, lasting freedom with a biblical, clinical, and gospel-centered approach to recovery. You will learn the six roots of porn addiction and how to effectively address them. Before God's truth sets us free, it changes us. And because it changes us, the freedom lasts. Whether you need to quit porn yourself or you want to be equipped to help others, this book is for you. What if addressing a great threat to the Church is also a great opportunity for revival and growth? We are seeing it happen, and if you apply the principles in this book, you can see it happen, too. In The Freedom Fight, you will learn ... why a tsunami of addiction is coming and what we can do about it. the brutal impact of pornography on marriages, spiritual lives and churches. how to stop watching porn for good. how porn impacts the brain and how to renew your mind. why quitting porn is so hard and the keys to make it happen. the six roots of a porn addiction and how to effectively address each one. a tool to help you resist temptation and build new brain pathways.

Treating Out of Control Sexual Behavior - Douglas Braun-Harvey, MA, MFT, CGP, CST 2015-11-05

Out of control sexual behavior ñ referred to variously as "sex addiction", "sexual compulsivity", and "hypersexuality", among other terms, has been a controversial and attention-getting issue since it first captured both public and professional attention over 30 years ago. Previous discussions of this behavior have been grounded in conceptualizing it as a pathologized, medical issue on par with substance abuse addictions, or, in backlash, as simply irresponsible behavior indicating weakness in the individual. In keeping with the call from many leaders in the mental health and sexual health areas to move beyond these two polarized conceptualizations of these sexual behavior problems, the authors present a model for working with clients in both group and individual treatment settings. Based on their experience with hundreds of clients, this book provides a comprehensive and practical conceptualization of out of control sexual behavior framed as a sexual health problem within a larger model of human behavior, not a psychiatric or addictive disorder. The book includes step-by-step tools for assessment, treatment planning

as well as treatment implementation. It describes a process for professionals to guide clients to define and be accountable for their own personal vision of sexual health as the foundation on which they regain sexual behavior control. The authors provide rich and varied composite case examples based on 20 years of

clinical experience that demonstrate clinician sexual health treatment conversations and tools, as well as stories of hope and guidance so essential to individuals wanting to understand how sexual health can be the essential ally in changing their sexual behavior.
