

Sex Faith Talking With Your Child From Birth To Adolescence

Parenting for a Better World - Susanna Snyder
2022-05-24

Living faithfully isn't about attending church. Being Christian is about living in right, just relationships with other people and the rest of creation. How can Christian parents avoid being overcome with the pressure to be a perfect parent and make a difference in the world? Parenting for a Better World shows there are all sorts of ways we can make a real difference from within our own homes. Even busy parents can work with their families for global justice. Without pressing you to do it all, this book offers spiritual resources for reflecting on the relationship between your faith, your calling for justice, and your commitment to parenting. Find encouragement from fellow parents who weave together stories of caregiving, activism, and scripture that affirm your sense of calling. Plus, it offers practical strategies to help committed (and over-committed) people integrate caregiving and justice work into their daily lives.

Theologies of Failure - Roberto Sirvent
2019-03-26

What does failure mean for theology? In the Bible, we find some unsettling answers to this question. We find lastness usurping firstness, and foolishness undoing wisdom. We discover, too, a weakness more potent than strength, and a loss of life that is essential to finding life. Jesus himself offers an array of paradoxes and puzzles through his life and teachings. He even submits himself to humiliation and death to show the cosmos the true meaning of victory. As David Bentley Hart observes, "most of us would find Christians truly cast in the New Testament mold fairly obnoxious: civically reprobate, ideologically unsound, economically destructive, politically irresponsible, socially discreditable, and really just a bit indecent." By incorporating the work of scholars working with a range of frameworks within the Christian tradition, Theologies of Failure aims to offer a unique and

important contribution to understanding and embracing failure as a pivotal theological category. As the various contributors highlight, it is a category with a powerful capacity for illuminating our theological concerns and perspectives. It is a category that frees us to see old ideas in a brand-new light, and helps to foster an awareness of ideas that certain modes of analysis may have obscured from our vision. In short, this book invites readers to consider how both theology and failure can help us ask new questions, discover new possibilities, and refuse the ways of the world.

A Christian Guide to Liberating Desire, Sex, Partnership, Work, and Reproduction - Thia Cooper
2017-11-16

What is good sex from the perspective of liberation theology? Thia Cooper argues that sex can be a way to know God. God created humans with a desire to be in relation with each other. From this understanding, sexual desire, sex, and partnerships are re-imagined positively. Good sex is enjoyable and mutual, an aspect of communion. Good sexual relationships share power, empower the participants, and the wider community. From the perspective of liberation theologies and an analysis of biblical texts, the Christian tradition, and the reality of our sexual experience, this book reframes theologies of partnership, sex work, and reproduction through the celebration of desire and sex.

Sex, Tech, and Faith - Kate Ott
2022-08-16

A values-based, shame-free, pleasure-positive discussion of Christian ethics in response to a range of pressing issues in the digital age—including online pornography, dating apps, sexting, virtual-reality hookups, and sex robots. Digital innovation has rapidly changed the landscape of sexual experience in the twenty-first century. Rules-based sexual ethics, subscribed to by many Christians, are unable to keep up with new developments and, more often than not, seem effective at little other than

generating shame. Progressive ethicist Kate Ott steps into this void with an expansive yet nuanced approach that prioritizes honesty and discernment over fear and judgment. Rather than producing a list of don'ts, Ott considers the possibilities alongside the potential harm in everything from the use of internet porn to the practice of online dating to human-robot intimacy. With the aid of thought-provoking anecdotes and illuminating research, Ott invites readers to wrestle with the question of how to practice a just and flourishing sexuality in the digital age—and does so by drawing on core values of the Christian tradition. A rich resource for both individuals and groups, *Sex, Tech, and Faith* includes discussion questions at the end of each chapter for those considering these issues in community, as well as extensive youth study guides for parents, pastors, and teachers in need of age-appropriate means of beginning these difficult conversations with teens. Readers of all backgrounds and identities will be challenged to consider how their choices and habits in the digital world can lead to sexual health, wholeness, dignity, and fulfillment—for themselves and those in relationship with them.

Sex + Faith - Kate Ott 2013

Talking with your child about sex can be scary! *Sex + Faith* helps parents incorporate their faith values with sexual information so they can answer questions, discuss sexuality at each stage of childhood, and show support of sexual differences. Section one explains how faith relates to sexuality and the essential role parents play in forming healthy, faithful, sexually educated children. The second section designates a chapter for four age groupings of children from infancy through high school. Each chapter explains the biological and developmental issues of the age, answers questions children tend to have, provides relevant Biblical and faith stories helpful to discuss with children of that age, and lists five to ten key educational issues for parents to keep in mind. Shaded text boxes are interspersed throughout the book with real life, practical questions that parents and children ask. Expertly written by Kate Ott, *Sex + Faith* is an easy to use reference guide for parents of kids of all ages.

Feminist Praxis against U.S. Militarism -

Nami Kim 2019-12-15

Feminist Praxis against U.S. Militarism provides critical feminist and womanist analyses of U.S. militarism that challenge the ongoing U.S. neoliberal military-industrial complex and its multivalent violence that destroys people's lives, especially women and other vulnerable populations. It highlights the intentional critique of U.S. militarism from feminist/womanist perspectives that seek to show the ways in which gender, race/ethnicity, sexuality, and violence intersect to threaten women's lives, especially women of color's lives, and the broader environment upon which women's lives are dependent. Most of all, this volume challenges the readers to understand the U.S. as the warfare, counterterror, carceral state and its devastating effects on the everyday lives of women, especially women of color, locally, nationally, and globally. This volume also helps readers understand the racialized gendered impacts of U.S. militarism in conjunction with the ongoing global economies of dispossession and militarized violence across the borders of nation-states. Interrogating U.S. military interventions in "other" countries can show how the U.S. War on Terror directly affects U.S. "domestic" affairs and daily lives in the United States.

[The Routledge Companion to Christian Ethics](#) - D. Stephen Long 2023-01-01

The Routledge Companion to Christian Ethics brings together two different but related disciplines; the first is contemplative or theoretical, asking what are the beliefs or doctrines that characterize Christianity, whilst the second is practical, asking what are the ethical practices that attend its teachings. The movement between the theoretical and practical aspects is not, however, one way, as doctrine and life are mutually informing. In this comprehensive volume, leading scholars address key topics, problems and debates in this hotly debated topic within a truly global context. Comprising over 35 chapters by a team of international contributors, the handbook is divided into three parts based on the three persons of the Trinity: God the Father, God the Son, and God the Holy Spirit. Within these sections, cutting-edge issues are examined, including: God and genetics War, peace, and

violence White supremacy Creation and sexuality Digital ethics Transgender studies Climate change Immigration and refugees Adopting a practical approach that must consider new concerns that have arisen with recent social, political, and cultural shifts, *The Routledge Companion to Christian Ethics* is essential reading for students and researchers in Christian ethics, religious ethics and Christianity studies. The handbook will also be very useful for those in related fields such as ethics and philosophy.

These Are Our Bodies, Foundation Book - Leslie Choplin 2016-08

Sexuality and faith—formation for a lifetime

Christian Ethics for a Digital Society - Kate Ott 2023-11-15

Christian Ethics for a Digital Society examines how we live in an increasingly digital world. From sexting to hashtag activism like the #metoo movement, technology has entered both our private and public lives in a deep way. *Christian Ethics for a Digital Society* offers pragmatic wisdom on how to live thoughtfully today.

Out of Exodus - Darryl W. Stephens 2018-05-02
Biblical and progressive. Mainline and charismatic. Faithful and questioning. This book is not what you think it is. The story of the Exodus is told in parallel with testimonies, sermons, and personal reflections from a congregation in Lancaster, Pennsylvania, challenging the reader to a journey of faith. Along the way, it becomes clear that open and affirming ministry transcends LGBTQIA+ inclusion. It is also about race relations, poverty, generational change, divorce, immigration, and any other human-created barrier to loving God and neighbor. Tools for the journey. Finding a new voice amid profound social change is a difficult and vitally important task. Many congregations and entire denominations are in the process of figuring out how to express a new voice of faith, particularly in our understanding of sexuality and gender. Christians are experiencing nothing less than a holy disruption caused by the Spirit among us. The book concludes with a discussion of challenges to community and ministry. Helpful appendices provide congregational resources and discussion questions for group study. The stories in this

book include experiences of and with persons in many denominational settings: Roman Catholic, Unitarian-Universalist, Presbyterian Church in Taiwan, Metropolitan Community Church, United Church of Christ, United Brethren, Church of the Brethren, Society of Friends (Quakers), and United Methodist. This is truly an ecumenical journey.

Women Religion Revolution - Gina Messina 2017-10-17

In a world where women's issues are political issues, feminism and religion are often scripted as opposing sides. But, drawing on the messages of love and social justice from within their religious traditions, women are leading feminist movements that promote positive social change at both the micro and macro levels. Religion is fueling women's efforts to revolutionize the world! *Women Religion Revolution* is a provocative collection of essays written by women who understand that being passive is not an option. Each story resonates with passion drawn from the well of faith, along with a drive to forge a connection with other women. The experiences that can shape a woman's soul are often negative and isolating—sexual assault, domestic violence, eating disorders, addictions—but in seeking healing, in seeking to effect revolutionary change, women often find that the path leads toward other women, toward a connectedness that strengthens us all. This is a very stimulating book. This volume brings together nineteen interesting articles from women from a variety of religious and social traditions. A good book to read and to own as a resource in women's experience of feminism and religion. Rosemary Radford Ruether, Professor of Theology, Claremont Graduate University This is feminist religious thought at its most courageous and creative. The narratives by these authors offer inspiring, revolutionary, spiritual insights about women's lives, bodies, and violence. Traci C. West, Professor of Ethics and African American Studies, Drew University Theological School The women in this volume are bold in uncovering persistent problems and rethinking new possibilities for thought and action. Their essays are personal, based on the authors' own experiences as Muslims, Jews, Christians, and Mormons; but they articulate their insights in ways that reverberate in many

different contexts. These essays touch on all areas of concern for women: reproduction, sexuality, body image, violence and abuse, poverty and wealth, spiritual power and women's ordination, the sacred and the Divine. These essays will inspire you. Margaret Toscano, Associate Professor of Comparative Studies, University of Utah

Christian Ethics - Stivers, Laura, A. 2020-08-15
"The fifth edition of this classic introduction to Christian ethics via the case method approach, utilizing case studies of contemporary ethical issues"--

Ecclesiology for a Digital Church - Heidi A Campbell 2022-02-04

What are the ecclesiological challenges and opportunities raised by technology? How have developments related to the COVID-19 global health crisis impacted churches, forcing a swift move to mediated and online worship? And how will this change the shape churches of theological and programmatic choices for years to come? Drawing together a diverse group of theologians and media scholars, this volume considers the key theological question churches and religious leaders need to engage with as they look towards long term strategies involving church life and technology.

When Kids Ask Hard Questions - Bromleigh McCleneghan 2019-10-08

The world is a confusing and painful place for children (and adults). How do you respond faithfully to your kids' big questions? Learn to craft faithful conversations and be better prepared to talk about the tough stuff with your kids. More than 30 essays from a diverse group of young Christian parents/pastors address today's toughest topics, including gender, race, bullying, mental illness, death, divorce, money, technology, and generosity. *When Kids Ask Hard Questions* invites you to take a deep breath, create safe spaces for the hard conversations, and speak the truth in love. Each chapter includes a resource list for further exploration.

How and When to Tell Your Kids about Sex - Stan Jones 2019-08-06

One Million Copies Sold in Series! Christian Book Award: ECPA Medallion of Excellence Stan and Brenna Jones help parents establish a biblical view of sexuality in their homes. Building on a biblical foundation, they discuss how to talk

with your children about sexual issues and when it's appropriate to tell them what. With stark honesty and practical suggestions, they address Building a Christian understanding of sex and sexuality Developing a healthy dialogue with children about sexuality How and when to explain sexual intercourse Preparing for the physical changes of puberty Preparing for dating: dealing with romance and sexual attraction Encouraging a commitment to chastity What to do if you're getting a late start telling your kids about sex Now revised and updated with helpful material on the dangers of pornography, sexual orientation, and gender identity.

These Are Our Bodies - Samantha Haycock 2017-06-01

A resource for parents or caregivers, this book will keep the parent informed about each session. In each chapter they will read about what their high schoolers is learning as well as journal questions that will help them connect faith with sexuality and with parenting. The adult reader will have an opportunity to reflect on the same scripture that their child has reflected upon so that all involved will learn new ways to think about sexuality and how faith is relevant to understanding the complexities of sexuality and the responsibilities involved. In this program both participants and parents learn and grow together. Audience: Parents and caregivers

What Does the Bible Say? - Mary Ann Beavis 2017-04-25

This book is a collaboration between a biblical scholar (Mary Ann Beavis) and a practical theologian (HyeRan Kim-Cragg) who are concerned with the way that the Bible is portrayed and interpreted in popular culture, including but not limited to the movies. This concern points to a need for a conversation, examining what the Bible actually says, in order to uncover transformations and distortions of the biblical stories in the wider culture--including Christian culture. Our conversation is counter-cultural, not in an oppositional way, but taking an alternative posture that aims to provide different insights by drawing from and closely looking at the Bible. The chapters take a Christian canonical approach, articulating "what the Bible says" (and doesn't say) with regard to

culturally pervasive themes such as sin and salvation, Christ and Antichrist, heaven and hell, in contrast to popular understandings as disseminated in (primarily) film, advertising, television, etc. We hope that together we will open up fertile academic, ecclesial, and secular space for disclosing loaded cultural and ideological views towards offering positive and intriguing insights embedded in the Bible.

How to Talk to Your Muslim Child about Sex

- Firoza Osman 2020-10-26

Our children are growing up in a hypersexualized world. It is a subject that most Muslim parents find difficult and awkward to discuss with their children. This book will lessen that discomfort and build your confidence to tackle this sensitive subject. Firoza Osman outlines how an Islamic foundation when talking to your children about sexual matters from preschool (proper vocabulary, boundaries) to adolescence can help shape a healthy Islamic identity and view of sexuality. *How to Talk to Your Muslim Child about Sex* offers practical suggestions to address building an Islamic understanding of sex and sexuality- Chapter 1 concerns the challenges of raising children in a digital age. The challenges addressed are peer orientation, cultural norms, sex-obsessed culture, gender-specific issues, pornography, dangers of social media, school environment and muslim-specific challenges Chapter 2 covers building communication and connection with your children so they come to you for information. How to build a connection with Allah, the self and the family are outlined. It addresses building a connection with Allah through love over fear so they wish to please Him. Connection with self is about building your child's self-esteem so they can confidently hang on to their faith and resist peer pressure. Connection with the family is where values, morality and beliefs are built. Chapter 3 covers how and when to talk about sex with your children. It covers how and when to explain puberty, physical intimacy, dating and healthy relationships, consent, gender issues, pornography with conversation starters for all topics. There are over 70 references included and a list of useful resources around parenting and sex education. Firoza Osman has over 20 years of teaching experience with youth and

adolescents, working as a Further Education lecturer in the UK, Educational Assistant with a public school board and Afterschool Program Manager for a Canadian Islamic non-profit organization delivering workshops to Muslim youth on Healthy Relationships. She has two adult sons in the UK and resides with her husband in Edmonton, Canada. Follow her at https://www.instagram.com/halal_birdsandbees.talk/ and Facebook <https://www.facebook.com/authorFirozaO>

Teaching Your Children Healthy Sexuality - Jim Burns 2008-06

"Experienced family authority Jim Burns provides a simple and practical guide for parents to help their children develop a healthy and biblical perspective regarding their bodies and sexuality"--Provided by publisher.

More Than Just the Talk - Jonathan McKee 2015-03-10

Have Real Conversations With Your Kids About Sex The old ways of having the "sex talk" just won't cut it anymore. Sadly, the number one place today's young people go to for answers about sex is Google. Meanwhile, kids view nearly 14,000 sexual references a year on television, and 70 percent of teenagers have encountered pornography on the Internet. If we want our children to know the truth about healthy sexuality, we need to create a comfortable climate of continual conversations. Jonathan McKee will show you how to move beyond the initial awkwardness of this subject into an ongoing communication with your kids about God's amazing gift of sex. He equips you with what you need to talk openly about dating, temptation, porn, and purity, and you will find answers to tough questions and relevant Scripture on sexual issues. It's normal for kids to be curious about sexuality, and they need to know that their parents are the most reliable source of information. Be the one your kids turn to on this crucial topic. "In a world full of explicit lies, today's kids need parents who aren't afraid to tell them the explicit truth. This book provides parents with the tools they need to have these candid and continual conversations."--Dr. Kevin Leman, New York Times bestselling author of *Have a Happy Family* by Friday "Jonathan McKee is one of America's premier youth

specialists, and this book will help you navigate the rough waters of teaching your kids healthy sexuality."--Jim Burns, PhD, president, HomeWord and author "Parents, take a deep breath. This book pulls no punches. But it will give you exactly what you need to walk alongside your kids at this time when they most need it."--Shaunti Feldhahn, social researcher, speaker, and bestselling author "A thorough, straightforward, and engaging resource that will both equip and inform a parent for effective, culturally relevant, and God-honoring conversations about sexuality and all its implications. It is a critical read in critical times."--Brian Berry, generation ministries pastor, Journey Community Church, La Mesa, California; and author "SO many parents I know don't feel equipped to talk to their kids about sex. This book helps you overcome the (guaranteed) awkwardness of conversations like that, and provides both tools AND motivation. I wish every parent would read it."--Scott Rubin, director of middle school ministry, Willow Creek Community Church "Jonathan McKee provides clarity and practical knowledge so that you and I can do more than just give a nervous 'talk' to our

kids; we can be loving and consistent parents for them as well."--Terry Linhart, PhD, educator, author, Bethel College--Indiana "Kids need parents who are educated, aware, and relevant when it comes to sex. Thankfully, Jonathan McKee gives us powerful, poignant, and practical tools to help us win in this delicate and scary parenting arena."--Doug Fields, co-founder of DownloadYouthMinistry.com, youth pastor for thirty years at Saddleback & Mariners Church, speaker, and author "McKee is a frontline youth worker with current and regular interactions with Christian teenagers wrestling with the intersection of their faith and their sexuality. Never condescending, Jon brings his writing style to a subject I wish more parents were talking about with their teens."--Mark Oestreicher, partner, The Youth Cartel and author "Jonathan McKee's book helps us to remember that 'the talk' is a myth at best, and a terrible strategy at worst. A lifestyle of preparation, a strategic series of discussions, and a proactive commitment to conversation is what our kids need, and this book will help any parent to walk with their kids in confidence."--Chap Clark, professor of youth, family, and culture, Fuller Theological Seminary
