sex, lies and videotape -

Steven Soderbergh 2011-06-02
Like Michael Powell's Peeping Tom, Steven Soderbergh's sex, lies and videotape presents us with a protagonist who can only connect with others through the lens of a camera. Graham is an enigmatic young man who returns to Baton Rouge from a long road trip, mildly irritating his old lawyer friend John and wholly intriguing John's housebound wife Ann. John is conducting a sneaky and entirely sexual affair with Ann's sister Cynthia. For her part, Ann has lost interest in sex, yet Graham's obscurely charming eccentricity stirs something inside her - until she learns that he is functionally impotent and can manage arousal only with the help of a video camera and an agreeably loose-lipped female. Nevertheless, it's the dragging into the open of

Graham's dirty little secret that causes all of these characters to confront their own veiled deceits and hypocrisies. sex, lies and videotape won the Palme d'Or at the 1989 Cannes Film Festival, affirming the arrival of a distinctive new talent and signalling the start of a movement among young independent American film-makers opposed to the values and formats of the Hollywood system. Soderbergh's script is an unerringly elegant, witty and literate study of contemporary perversity.

BITCH-SLAPPED - Nicholas J. Reign 2019-03-06

WARNING! Ladies, if you really don't want to know the crazy sh-- that goes through your man's mind, you shouldn't be reading this book. Seriously, put it down -- now! And guys, you definitely shouldn't give this book to your wives or girlfriends, especially if you have wives and girlfriends!

laugh-out-loud humor, Nicholas J. Reign relives the real-life sexual experiences that defined his self-serving attitude toward women, in defense of all "normal" sex-loving men. However, his life of "sweet lies" flashes before his eyes after being "cold busted" and cold-cocked in broad daylight by his emotionally distraught fiancée who catches him red-handed in the act of cheating with his other fiancée. How in hell was it even possible that someone like me...could have gotten caught red-handed in a f-cked up situation like this? he wonders, in a panic. It can't be my fault, can it? As he desperately searches for someone else to blame for his inescapable predicament, Nick is confronted by the ghost of his deceased grandmother as he travels back in time to recount his past sexual misdeeds. Does he ultimately "see the light" and find redemption after this life-altering event? Or, does he remain on his misogynistic sexual journey at the expense of unsuspecting women? The

ending might surprise you!
***** "Ladies, after you read this book, please don't bitch-slap your man: simply give this book to him as a gift. That'll do the trick!" -- Nicholas J. Reign
Unspeakable Things - Laurie Penny 2014-07-03
Shortlisted for The Green Carnation Prize 2014 'This is not a fairytale. This is a story about how sex and money and power police our dreams.' Clear-eyed, witty and irreverent, Laurie Penny is as ruthless in her dissection of modern feminism and class politics as she is in discussing her own experiences in journalism, activism and underground culture. This is a book about poverty and prejudice, online dating and eating disorders, riots in the streets and lies on the television. The backlash is on against sexual freedom for men and women and social justice - and feminism needs to get braver. Penny speaks for a new feminism that takes no prisoners, a feminism that is about justice and equality, but also about freedom for all. It's

about the freedom to be who we are, to love who we choose, to invent new gender roles, and to speak out fiercely against those who would deny us those rights. It is a book that gives the silenced a voice - a voice that speaks of unspeakable things.

Exes and Ohs - Beth Kendrick
2005-03-01

exit the groom... Child psychologist Gwen Traynor has learned the hard way that "perfect" men aren't always what they seem. After being dumped the night before her wedding, she's understandably wary of diving back into the dating pool. But when she meets Alex Coughlin, she's convinced her luck is changing. He's smart, handsome, funny -- an ideal rebound guy. She doesn't intend to fall in love with him, but scintillating dates and mind-blowing physical chemistry have a way of winning a girl over. enter the ex... Just as things are heating up with Alex, Gwen meets her newest patient -- a precocious preschooler whose chaotic soap opera-actress of a mother,

Harmony, sounds an awful lot like one of Alex's crazy ex-girlfriends. Mostly because she is one of Alex's crazy ex-girlfriends. Unfortunately for Gwen, Harmony has a secret that plunges them all into a real-life daytime drama, complete with sex, lies, and Vegas elopements. With Harmony determined to reunite with Alex and Gwen's ex-fiancé begging for a second chance, only one thing is certain: New loves and old flames are an explosive combination.

Lies the Church Told Me About Marriage and Relationships -

The Truth About Men - Ian K. Smith, M.D. 2012-04-10
Men don't have glass heads. What's going on in there? Do they mean what they say? And what are they not saying? Why does anyone in a relationship with a man have to spend so much time wondering what things "mean"? Is it good that he called instead of texting? What does it mean that he introduced me to his sister but not his mother or his best friend? Why hasn't he said anything about my birthday yet when it's two weeks from now?

Finally, a man who knows what's going on in there has written a book to decode men for you. It's rich with insight and action you can take today to make your relationship better tomorrow. Smith's fascinating, sometimes surprising topics include: --The Subtle Art of Hooking Us (men really do want to be in committed relationships, even if they don't always show it) --Beauty Matters (but beauty may not be exactly what you think it is) --Beware of Titles (why you shouldn't label yourself his "girlfriend" until certain conditions are met) --Sex is More Powerful than an AK-47 (but it doesn't always have to be a home run) --Mean What You Say (and why sex lies are always—always—a bad idea) --Know how to Listen and What we Care About (it doesn't matter if you buy the yellow pillows or the blue pillows but that doesn't mean you don't matter) Any man who picks up *The Truth About Men* will nod in agreement, and any woman who puts its insights into practice will have an instantly

Ugly Love - Colleen Hoover 2014-08-05

From Colleen Hoover, the #1 New York Times bestselling author of *It Starts with Us* and *It Ends with Us*, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an

undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.

From USA Today bestselling author, Leslie Langtry comes another Merry Wrath Mystery that will leave you laughing 'til it hurts—scout's honor! Tell Me Lies - Carola Lovering
2018-06-12

Now an original series on Hulu! YOU NEVER FORGET YOUR WORST. "A twisted modern love story" (Parade), Tell Me Lies is a sexy, thrilling novel about that one person who still haunts you—the other one. The wrong one. The one you couldn't let go of. The one you'll never forget. Lucy Albright is far from her Long Island upbringing when she arrives on the campus of her small California college and happy to be hundreds of miles from her mother—whom she's never forgiven for an act of betrayal in her early teen years. Quickly grasping at her fresh start, Lucy embraces college life and all it has to

offer. And then she meets Stephen DeMarco. Charming. Attractive. Complicated. Devastating. Confident and cocksure, Stephen sees something in Lucy that no one else has, and she's quickly seduced by this vision of herself, and the sense of possibility that his attention brings her. Meanwhile, Stephen is determined to forget an incident buried in his past that, if exposed, could ruin him, and his single-minded drive for success extends to winning, and keeping, Lucy's heart. Lucy knows there's something about Stephen that isn't to be trusted. Stephen knows Lucy can't tear herself away. And their addicting entanglement will have consequences they never could have imagined. Alternating between Lucy's and Stephen's voices, Tell Me Lies follows their connection through college and post-college life in New York City. "Readers will be enraptured" (Booklist) by the "unforgettable beauties in this very sexy story" (Kirkus Review). With the
