

Sex Offender Kansas

The Sexual Predator - Anita M. Schlank 1999

Treats the law, policy, evaluation, and treatment of sex offenders, including a discussion of the civil commitment of sexual predators under Minnesota's law, the role of assessment in the commitment process, a clinical view of civil commitment, and an overview of the Minnesota Sex Offender Program.

Sex Offenders - Sean Maddan 2022-09-15

In *Sex Offenders: Crimes and Processing in the Criminal Justice System*, Maddan and Pazzani draw on their extensive research and teaching experience to provide coverage of all facets of sex crimes and sexual deviance in the United States. The text emphasizes rape and sexual offenses against children and society's responses through the criminal justice system, including enforcement and investigation, the courts, corrections, and post-punishment treatment. Up-to-date information, statistics, and research assessments include imprisonment, historical punishments, recidivism, registration and notification requirements (SORN), residence restrictions, civil commitments, and treatment. The impact of sex offenses on victims' lives is treated in depth, as are possible directions for future policies to better address the threat posed by sex offenders. Students reading this book will get a true sense of the U.S. sex offender problem, the responses of the criminal justice system, and what can be done to further decrease the incidence of sex offending. New to the Second Edition: A fresh examination of sexual harassment in the workplace in light of the #MeToo movement. Incorporation throughout the book of the etiology of sexual harassment. In-depth consideration of why sexual harassment is not handled through the criminal justice system as a criminal offense. Updated literature, research, and statistics on sex crimes and criminal justice processing. New example stories that highlight more recent real-world instances of sex crimes and criminal justice responses to sex crimes. Professors and students will benefit from: An overview of sex offenses in the United States covers major theories to account for sex offending, legal statutes defining sex crimes, types of sex offenses and offenders, sex crime victims' characteristics, policing of sex crimes, and society's responses to sex crimes (including registries, residence restrictions, civil commitments, and treatment). A focus on sex offenses through the criminal justice system framework examines the pros and cons of various strategies, including criminal statutes, law enforcement and court processing approaches, and correctional techniques for treating or warehousing sex offenders. Real-world narratives in each chapter illustrate and provide a practical perspective on the complexity and impact of the sex offense under discussion for society, perpetrator, and victim. Accessibly written chapters include learning objectives, lists of key terms, exercises, and essay questions for review and information retention.

Sex Offenders - Fabian M. Saleh M.D. 2009-02-11

This comprehensive reference by nationally recognized experts provides an interdisciplinary overview of existing knowledge about sex offenders. It provides in-depth coverage of the problem of identification, risk assessment and management, treatment, and legal solutions. It seeks to ensure public safety while at the same time maintaining medical integrity and respect for due process. The book is intended for psychiatrists, clinical psychologists, and researchers who work with sex offenders, as well as attorneys, members of the judiciary, and policymakers.

Report on Crimes Committed by Sex Offenders While in Custody, 2019 - Kansas. Department of Corrections 2020

A "list of sex offenders who have committed one of the crimes enumerated in K.S.A. 75-52,148 while in the custody of the Department of Corrections since the department's last annual report. This listing is based upon the date of the commission of the new offense and is generated when the offender has been convicted of the new offense and that disposition is reported to the department. As of December 31, 2019."

Sex Offender Supervision Handbook - Kansas. Department of Corrections 2004

Sex Offender Notification and Registration Act (SORNA) - United States. Congress. House. Committee on the Judiciary. Subcommittee on Crime, Terrorism, and Homeland Security 2009

The American Psychiatric Publishing Textbook of Forensic Psychiatry - Liza H. Gold 2017-10-02

The inaugural edition of The American Psychiatric Association Publishing Textbook of Forensic Psychiatry was the first of its kind, and subsequent editions have raised the bar, earning it a spot as a leading text in this fascinating subspecialty of psychiatry. This new, third edition is the product of a painstaking and exhaustive revision process that resulted in a significantly expanded and restructured work. This edition is a thorough review of the field yet is flexible enough to be useful to a diverse audience. Because the topics and structure of this edition were informed by the American Board of Psychiatry and Neurology's Content Outline for the Certification Examination in Forensic Psychiatry, it can be used as a core text during forensic psychiatry fellowship training or as a review text to prepare for the certification or maintenance of certification exam. An excellent resource on legal issues in clinical practice, the book will also be an invaluable reference for general psychiatrists, who frequently encounter complicated forensic issues, such as informed consent, confidentiality, and the physician-patient relationship. The editors, two of the foremost experts in forensic psychiatry, faced the challenge of creating a text that accurately and fully reflects the latest advances in both the law and psychiatry, while enhancing learning. This comprehensive, yet accessible volume does just that. Every chapter has been revised, and 10 new chapters address topics of critical importance -- presented in a structure that facilitates study: The book highlights the American Academy of Psychiatry and the Law's Landmark Cases in Forensic Psychiatry, listing the cases at the beginning of each chapter and highlighting them within the text. This helps readers master the key points in all topic areas, while fostering understanding of the impact of the evolution of legal principles in statutory and case law in forensic psychiatry. A new section on criminal justice includes chapters that address evaluations of competencies in the criminal justice system, assessment of criminal responsibility, and the role of psychiatry in death penalty cases. An entire section is devoted to forensic psychiatric issues involving children and adolescents, including general principles of evaluation of juveniles, evaluations of juveniles in civil law, and evaluations of juveniles in the criminal justice system. New and revised chapters address the impact of technology on forensic psychiatry, including neuroimaging, the Internet, and telepsychiatry. The book thoroughly addresses forensic assessments of all kinds, and introduces two new and critical chapters on risk assessment of suicide and violence. Finally, an index of Landmark Cases and an

extensive subject index provide the foundational knowledge and navigational tools to identify relevant cases and topics quickly and easily. The American Psychiatric Association Publishing Textbook of Forensic Psychiatry takes the reader from fundamental concepts to cutting-edge research. Practicing general and forensic psychiatrists, psychiatry residents, and those enrolled in forensic fellowship programs will come to depend on both its accessibility and its rigor.

Reauthorization of the Adam Walsh Act - United States. Congress. House. Committee on the Judiciary. Subcommittee on Crime, Terrorism, and Homeland Security 2011

Kansas Sex Offender Policy Board Report - Kansas Sex Offender Policy Board 2007

The Governor and the 2006 Legislature authorized the creation of the Sex Offender Policy Board (SOPB) under the auspices of the Kansas Criminal Justice Coordinating Council (KCJCC). Senate Bill 506 (2006 Session Law, Chapter 214, Sec. 14) established the SOPB to consult and advise the KCJCC on issues and policies relating to the treatment, sentencing, rehabilitation, reintegration and supervision of sex offenders and to report its findings to the KCJCC, Governor, Attorney General, Chief Justice of the Supreme Court, the Chief Clerk of the House of Representatives and the Secretary of the Senate. The SOPB members consist of the Secretary of Corrections, Commissioner of Juvenile Justice Authority, Secretary of Social and Rehabilitation Services, Director of the Kansas Bureau of Investigation and the Chief Justice of the Supreme Court or the Chief Justice's designee. The KCJCC appointed the mental health service provider and the representative engaged in the provision of services involving child welfare or crime victims. The SOPB first report, due the first day of the 2007 Legislative Session, examines four topics, utilization of electronic monitoring, public notification pertaining to sex offenders, management of juvenile sex offenders and restrictions on the residence of released sex offenders. The second report, due the first day of the 2008 Legislative Session will address the topics of treatment and supervision standards for sexual offenders, suitability of lifetime release supervision and safety education and prevention strategies for the public.

Identifying and Treating Sex Offenders - Robert Geffner 2004

Identifying and Treating Sex Offenders: Current Approaches, Research, and Techniques brings you up-to-date on the latest significant issues and state-of-the-art tools involved in the evaluation and treatment of adult sex offenders. Experts in the field discuss controversial topics, including diagnoses, classification, public notification, and risk assessment, to help psychologists, therapists, and social workers better understand and work with this specialized population. This book also contains accurate information about sex offender statistics and research for policymakers to use in creating policies and legal statutes that successfully deter recidivism in known sex offenders.

Encyclopedia of Prisons and Correctional Facilities - Mary Bosworth 2005

This two-volume set aims to provide a critical overview of penal institutions within a historical and contemporary framework. The encyclopedia also contains biographies, articles describing important legal statutes, as well as detailed and authoritative descriptions of the major prisons in the United States.

Thinking about the Sexually Dangerous - Ellsworth A. Fersch 2006

This volume provides a clear and compelling introduction to one of the most significant topics in society today. Compiled by members of a Harvard seminar, it directs attention to psychoforensic issues most often raised by the general public and by students of social science and criminal justice. The frequently asked

questions about the sexually dangerous address: conceptions of dangerousness attempts to confine the sexually dangerous psychological theories of causation psychological contributions to treatment media, political, social, and religious reactions, and statutory, judicial, and other legal responses. The case examples illustrate a variety of issues surrounding: serial, spousal, child, date, and statutory rape consensual sadomasochism surgical and chemical castration repressed memory and false confession video voyeurism restricting child pornography the labeling of object and speech, and post-imprisonment civil confinement in mental hospitals. The extensive bibliography directs students and the public interested in further cases and analyses to the important world where psychology and law, morality, and political and social policy interact. This brief and readable book is the first place to look for what most people want to know about the sexually dangerous.

Kansas Sex Offender Policy Board Final Report - Kansas Sex Offender Policy Board 2008

The Governor and the 2006 Legislature authorized the creation of the Sex Offender Policy Board (SOPB) under the auspices of the Kansas Criminal Justice Coordinating Council (KCJCC). K.S.A. 2006 Supp. 74-9501 et. seq. established the SOPB to consult and advise the KCJCC on issues and policies relating to the treatment, sentencing, rehabilitation, reintegration and supervision of sex offenders and to report its findings to the KCJCC, Governor, Attorney General, Chief Justice of the Supreme Court, the Chief Clerk of the House of Representatives and the Secretary of the Senate. SOPB members consist of the Secretary of Corrections, Commissioner of Juvenile Justice Authority, Secretary of Social and Rehabilitation Services, Director of the Kansas Bureau of Investigation and the Chief Justice of the Supreme Court or the Chief Justice's designee. The KCJCC appointed the mental health service provider and the representative engaged in the provision of services involving child welfare or crime victims. The Sex Offender Policy Board expires on June 30, 2008. The SOPB's first report, examined four topics, utilization of electronic monitoring, public notification pertaining to sex offenders, management of juvenile sex offenders and restrictions on the residence of released sex offenders. This second and final report, addresses the topics of treatment and supervision standards for sex offenders, suitability of lifetime release supervision and safety education and prevention strategies for the public.

The Perversion of Youth - Frank C. DiCataldo 2009-06-01

Over the past two decades, concern about adolescent sex offenders has grown at an astonishing pace, garnering heated coverage in the media and providing fodder for television shows like Law & Order. Americans' reaction to such stories has prompted the unquestioned application to adolescents of harsh legal and clinical intervention strategies designed for serious adult offenders, with little attention being paid to the psychological maturity of the offender. Many strategies being used today to deal with juvenile sex offenders—and even to define what criteria to use in defining "juvenile sex offender"—do not have empirical support and, Frank C. DiCataldo cautions, may be doing more harm to children and society than good. The Perversion of Youth critiques the current system and its methods for treating and categorizing juveniles, and calls for a major reevaluation of how these cases should be managed in the future. Through an analysis of the history of the problem and an empirical review of the literature, including specific cases and their outcomes, DiCataldo demonstrates that current practices are based more on our collective fears and moral passions than on any supportive science or sound policy.
