Why You're Not Married... Yet - Tracy McMillan 2012-06-01

With three marriages under her belt, Tracy McMillan KNOWS how to get married, and she knows exactly

why so many other women still aren't. In *Why You're Not Married... Yet*, she pulls no punches telling the modern woman precisely what she's doing wrong. Based on Tracy's Valentine's Day Huffington Post article

of the same title, her new book explores how and why women are standing in their own way when it comes to tying the knot. Shortly after its publication, the article went viral, garnering 1,404,533 views, and now stands as the Huffington Post's second most viewed article of all time - and probably one of its most rebutted, having spawned strong response articles on CNN.com, The Frisky, and countless blogs. With chapters like 'You're a bitch,' 'You're Godless,' and 'You're selfish,' Tracy details in straightforward language ten reasons why single women are still single. But it's not all tough love; she also offers up seriously sage advice, along with insight into how her desperate search for security as a child in foster care taught her to look for very specific traits in the men she dated - traits that just so happen to lead to marriage a surprisingly high percentage of the time. Tracy doesn't pretend to be an expert on lasting relationships - and says as much to whomever will listen - but she WILL get women down the aisle, with biting humor, wicked smarts, and heart to spare.

For Whom You Love - Jordyn Alexander 2011-08-25

After an overwhelmingly traumatic incident leaves Paige Caldwell, a young San Diego police officer, crippled with anxiety and distrust, she is determined to maintain control over her world and the people in it. Hidden behind the emotional fortress she has built for herself, Paige allows few people to trespass into her emotions. She no longer sees life in a profusion of hues and saturation, but simply in black and white. Right and wrong. Life and death. Preston Wakefield is the lead singer of the rebounding musical group, Aldengate. At the height of their fame, ten years prior, Aldengate's popularity was likened to that of the Beatles, inviting chaos and pandemonium wherever they went. When the group disbanded, each member embarked on their own projects, but eventually reunited a decade later. With their reunion tour selling out stadiums across the country, it was obvious that time had not diminished the fierce loyalty of their fans. When Paige's lifelong friend, and co-worker, Taylor Wellington, asks her to fill an empty spot providing security for an Aldengate concert, she reluctantly agrees. Despite her desire not to allow her anxiety rule her life, the clamor and commotion surrounding the venue leaves her staggering to regain her composure. Finding respite in a small alcove, Paige meets Preston in a chance encounter. Against Taylor's cynical assessment of Preston, Paige embarks on a secret courtship with Preston while remaining resolute to avoid the chaos that seems to follow him. As the romance evolves, Preston becomes increasingly irritated with Taylor's meddling, threatening to unravel the very fabric of their relationship. When Paige refuses to let go of her best friend in order to save her relationship, Preston must decide if it's because of a surreptitious love between them...or something more. Despite her insistence that life is what you make of it, Paige will soon learn that life is not about why you live but for whom you live.

The Mother-in-Law - Veena Venugopal 2014-05-15

In this witty, acute and often painfully funny book Veena Venugopal follows eleven women through their marriages and explores why the mother-in-law is the dreaded figure she is. Meet Deepa, whose bikini-wearing mother-in-law won't let her even wear jeans; Carla whose mother-in-law insists that her son keep all his stuff in his family home although he can spend the night at his wife's; Rachna who fell in love with her mother-in-law even before she met her fiancé only to find both her romances sour; and Lalitha who finds that despite having had a hard-nut mother-in-law herself, she is turning out to be an equally unlikeable Mummyji. Full of incisive observations and deliciously wicked storytelling, *The Mother-in-Law* is a book that will make you laugh and cry and understand better the most important relationship in a married woman's life.

A Married Woman - Manju Kapur 2010-12-09

Astha has everything an educated, middle-class Delhi woman could ask for - children, a dutiful loving husband, and comfortable surroundings. So why should she be consumed with a sense of unease and dissatisfaction? Astha finds herself embarking on a powerfully physical relationship with a much younger woman, Pipee, the widow of a political activist. But with this extra-marital affair is she foolishly jeopardizing everything - or is Astha at last throwing off the fear and timidity instilled in her by her parents, her husband, her social class? Manju Kapur, celebrated author of the prize-winning *Difficult Daughters*, has written a seductive and beautifully honest story of love and betrayal, set at a time of on-going political and religious upheaval. Told with great sympathy and intelligence, and without a shred of sentimentality, *A Married Woman* is a story for anyone who has felt trapped by life's responsibilities.

Fierce Marriage - Ryan Frederick 2018-04-17

Ryan and Selena Frederick were newlyweds when they landed in Switzerland to pursue Selena's dream of training horses. Neither of them knew at the time that Ryan was living out a death sentence brought on by a worsening genetic heart defect. Soon it became clear he needed major surgery that could either save his life--or result in his death on the operating table. The young couple prepared for the worst. When Ryan survived, they both realized that they still had a future together. But the near loss changed the way they saw all that would lie ahead. They would live and love fiercely, fighting for each other and for a Christ-

centered marriage, every step of the way. Fierce Marriage is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen-time disconnection, and unrealistic expectations.

The Secrets of Happily Married Women - Scott Haltzman 2010-12-21

From the authors of the best-selling The Secrets of Happily Married Men comes the much-anticipated follow-up book The Secrets of Happily Married Women. In their first book, Dr. Haltzman and his coauthor Theresa Foy DiGeronmio outlined a recipe for men about growing a happy marriage: treat marriage with the same sense of purpose, resolve, and single-minded devotion that they have for their job. Although that workplace formula works well for men, an entirely different set of criteria resonate with women. In The Secrets of Happily Married Women, Dr. Haltzman tells us stories from real women who are happy in their relationships. These women know how to get more out of their partners by doing less, by not trying so hard to make men perfect, not dragging them to couples therapy, not expecting them to think or behave like a woman. These are women from Dr. Haltzman's clinical practice and culled from thousands of contributors to his Web site www.HappilyMarriedWomen.com. They have learned to understand how men really work and tap into men's powerful hard-wired desire to please women and "be a better man."
