Lauren's Saints of Dirty Faith - Alisa Valdes-Rodriguez 2011-09-15

In this third installment of the popular Dirty Girls Social Club series by NY Times and USA Today bestselling author Alisa Valdes (formerly Valdes-Rodriguez) we find Boston newspaper columnist Lauren Fernandez running for her life from a handsome sociopathic killer, with the help of her two best friends -- and straight into the arms of a hot, mysterious New Mexico cowboy. We also find plus-sized materialistic glamazon Usnavys Rivera laid off and confronted with a downsized bank account and impending bankruptcy as her shopping spirals out of control; and prim and perfect Rebecca Baca discovering her father's secret "other" family, while also seeing the passion slip out of her marriage after the birth of her autistic son.

From the first day at her new Southern California high school, Pasquala Rumalda Quintana de Archuleta ("Paski") learns that the popular students may be diverse in ethnicity but are alike in their cruelty. While Paski tries to concentrate on mountain biking and not thinking too much about ultra-hot Chris Cabrera, she is troubled by the beautiful and wicked Jessica Nguyen. Jessica is the queen of the haters and she's got her eye on Paski.

*Dirty Girls Social Club Dirty* - 2001-01-01

**Playing with Boys** - Alisa Valdes-Rodriguez 2007-04-01

From the author of *The Dirty Girls Social Club* comes another fast, funny, soulful, and sexy novel about friendship and love amid Latinas. It's a jungle out there -- in Los Angeles, that is, where the tangle of freeways and ingrained insincerity can make a girl feel very alone, no matter how fabulous the weather or how cute the clothes at the South Coast Plaza mall. With very different styles and attitudes, Marcella, Olivia, and Alexis are trying to crack the code in L.A, trying to snare love and success. But first they have to come together—to make their marks and plan the fun they're going to have along the way. Marcella is a hot, sharp young television actress who's barely able to enjoy the life she's bought for herself and certainly isn't enjoying her body, which is never quite perfect enough. Olivia, whose life revolves around her toddler son, Jack, is tethered to her suburban mommy track so tightly she can almost forget the horrible thing that happened to her family when she was a child herself. Alexis is a musicians' manager with a smart mouth, an ample body, and loads of style but barely enough self-esteem to fill a Prada card case. And the boys in their lives? Marcella's had about enough of them throwing themselves at her; Olivia's boy is her son; and Alexis is still searching, not for a boy this time, but for a man. *Playing with Boys* is a savvy novel with charm, style, and heart to spare.

**Dirty Snow** - Georges Simenon 2011-11-23

Nineteen-year-old Frank Friedmaier lives in a country under occupation. Most people struggle to get by; Frank takes it easy in his mother's whorehouse, which caters to members of the occupying forces. But Frank is restless. He is a pimp, a thug, a petty thief, and, as *Dirty Snow* opens, he has just killed his first man. Through the unrelenting darkness and cold of an endless winter, Frank will pursue abjection until at last there is nowhere to go. Hans Koning has described *Dirty Snow* as "one of the very few novels to come out of German-occupied France that gets it exactly right." In a study of the criminal mind that is comparable to Jim Thompson's *The Killer Inside Me*, Simenon maps a no man's land of the spirit in which human nature is driven to destruction—and redemption, perhaps, as well—by forces beyond its control.

*Put a Little Love in Your Heart* - Alisa Valdes 2013-01-27

A poignant, beautifully written erotic novel from the bestselling author of *The Dirty Girls Social Club*, PUTA describes the life of one woman, Carmen Noa, through the sexual encounters she had from the age of 16 to 41. By turns sexy, sensual and devastating, this book shows that sex, for modern women, can be much more meaningful, dangerous and, at times, healing than most pop culture portrayals of it, informing every aspect of our lives.

*The Feminist and the Cowboy* - Alisa Valdes 2013-01-03

The bestselling author of *The Dirty Girls Social Club* returns with an engrossing memoir about how falling in love with a sexy cowboy turned her feminist beliefs upside down. Feminism was a religion in Alisa Valdes's childhood home. Betty Friedan and Gloria Steinem took the place of Barbies and left Valdes impressed with a feminist ideology that guided a prolific writing career—at twenty-two Valdes was named one of the top feminist writers under thirty by the editor of *Ms Magazine*. Yet despite her professional success, Valdes hit forty-two a single mom and a serial dater of inadequate men in tweed jackets—until she met the Cowboy. A conservative rancher, the Cowboy held the traditional views on gender roles that Valdes was raised to reject. Yet as she falls head-over-spurs for him and their relationship finds harmony, she finds the strength, peace, and happiness that comes from embracing her femininity. From their first date the Cowboy makes her pulse race, and she discovers that “when men... act like men rather than like emasculated boys, you as a woman will find not only great pleasure in submitting to them but also great growth as a person.” Told with plenty of humor and candor, *The Feminist and the Cowboy* will delight the many readers who made *The Pioneer Woman* a bestseller—not to mention every woman who dreams of being swept away by a rugged cowboy.

**The Dirty Book Club** - Lisi Harrison 2017-10-10

From the author of the #1 New York Times bestselling series *The Clique* comes Lisi Harrison's debut adult novel about four modern-day strangers who inherit a dirty book club that was started in the 1960s. M.J. Stark's life is picture-perfect—she has a dream job as a magazine editor, a sexy doctor boyfriend, and a glamorous life in Manhattan. But behind her success, she can't shake a deep sense of loneliness, so when her boyfriend offers her a completely new life in California, she decides to give it a try. Once there, M.J. is left to fend for herself in a small California beach town, with only the company of her elderly neighbor, Gloria. One day M.J. receives a mysterious invitation and a copy of *Prim: A Modern Woman's Guide to Manners*. She recognizes the book as an outdated classic, but when she opens it, she discovers that it's actually a copy of *Fear of Flying* by Erica Jong and the invitation is to join Gloria's secret book club—one that only reads erotic books. Out of curiosity, M.J. goes to the meeting at a local bookstore, and discovers three other women who have also been selected by the club's original members—who have suddenly left the country to honor a fifty-year-old pact. As these unlikely friends bond over naughty bestsellers, each woman shares not only the intimate details of her own sex life, but all areas of her life. Inspired by the characters in the novels they read—and the notes passed down by the club's original members—the new members of *The Dirty Book Club* help each other find the courage to rewrite their own stories and risk it all for a happy ending.

Make Him Look Good - Alisa Valdes-Rodriguez 2007-02-20

The "him" in *Make Him Look Good* is Ricky Biscayne, sexy Latin singing sensation who has taken the pop world by storm. But it takes more than swiveling hips and dreamy eyes to get to the top of the charts. The women who orbit Ricky are: -- Milan, Ricky's new publicist, and her sister Geneva whose Club G promises to have Miami's hottest opening ever -- Jill Sanchez, a media-maniac Latina star who has crossed over from CDs to perfume, clothes and movies -- Jasminka, Ricky's gorgeous Croatian model wife -- Irene, a firefighter whose high school romance with Ricky was the last love in her life, eking out an existence for herself and her daughter Sophia, who is beginning to suspect that she and Ricky Biscayne look a little too much alike. With several satisfying romances set against Miami's music, club and modeling scenes, *Make Him Look Good* is irresistible fiction from one of America's most original voices.

*Dirty Girls on Top* - Alisa Valdes-Rodriguez 2009-07-07

The Dirty Girls are back, saucier and sexier than ever....but are they any wiser? Lauren is at the top of her game as a newspaper columnist--but her romantic life is a total disaster. Usnavys is still ready for action--from anyone except her husband Juan, that is--his role as stay-at-home dad bores her. Maybe the other Dirty Girls could help Lauren and 'navy out, but they've got their own messes to deal with: Rebecca hasn't gained a pound since college (well, who would, if they had an ounce of self-control?) but now that she has a picture-perfect marriage, all that's missing is a baby; Sara may be the star of her own decorating show on TV, but her dangerous pull toward her ex-husband isn't so pretty; Amber keeps reinventing herself and doesn't want to hear that it isn't enough to make fans buy her music; and Elizabeth is discovering that a relationship with another woman takes more than bravery and a nesting instinct. *Dirty Girls on Top* is about trying to figure it all out--sex, love, careers, friendship, motherhood. And, in the end, if your fingers are crossed and the planets are in alignment, having it come out just the way it should.
