

## The River Of Forgetting A Memoir Of Healing From Sexual Abuse

*Spilled Milk* K. L. Randis 2013-06-07 Based on a true story, Brooke Nolan is a battered child who makes an anonymous phone call about the escalating brutality in her home. When Social Services jeopardize her safety, condemning her to keep her father's secret, it's a glass of spilled milk at the dinner table that forces her to speak about the cruelty she's been hiding. In her pursuit for safety and justice Brooke battles a broken system that pushes to keep her father in the home. When jury members and a love interest congregate to inspire her to fight, she risks losing the support of family and comes to the realization that some people simply do not want to be saved. "Beautifully written, hauntingly real, *Spilled Milk* is a must read for any young adult today." - F.P Lione, Author

**Fishers of Men** Adam Elenbaas 2010-07-22 In the tradition of memoirs like Daniel Pinchbeck's 2012 and Jim Carroll's *The Basketball Diaries*, Adam Elenbaas's *Fishers of Men* chronicles his journey from intense self-destruction and crippling depression to self-acceptance, inner awareness, and spiritual understanding, through participation in mindexpanding-and healing ayahuasca ceremonies in South America and beyond. From his troubled and rebellious youth as a Methodist minister's son in Minnesota, to his sex and substance abuse-fueled downward spiral in Chicago and New York, culminating in a depressive breakdown, Elenbaas is plagued by a feeling of emptiness and a desperate search for meaning for most of his young life. After hitting rock bottom at his grandfather's house in rural Michigan, a chance experience with psychedelic mushrooms convinces him that he must change his ways to achieve the sense of peace that he has always desired. Several subsequent psychedelic experiences inspire him to embark on a quest to South America and take part in a shamanic ceremony, where he consumes ayahuasca, a jungle vine revered for its spiritual properties. Over the course of nearly forty ayahuasca ceremonies during four years, Elenbaas discovers the truth about his own life and past, and begins to mend himself from the inside out. *Fishers of Men* is the gripping, heartbreaking, and yet ultimately uplifting story of the power to transcend one's past.

*South of Forgiveness* Thordis Elva 2017-02-27 A woman, a man, a rape, and a hard journey from violence to reconciliation. One ordinary spring morning in Reykjavik, Thordis Elva kisses her son and partner goodbye before boarding a plane to do an extraordinary thing: fly seven thousand miles south to meet up with the man who raped her when she was just sixteen. Meanwhile, in Sydney, Australia, Tom Stranger nervously embarks on an equally life-changing journey, wondering whether he is worthy of this meeting. After exchanging hundreds of searingly honest emails over eight years, Thordis and Tom decided it was time to speak face to face. Coming from opposite sides of the globe, they meet in the middle, in Cape Town, South Africa, a country that is no stranger to violence and the healing power of forgiveness. *South of Forgiveness* is an unprecedented collaboration between a survivor and a perpetrator, each equally committed to exploring the darkest moment of their lives. It is a true story about being bent but not broken, of facing fear with courage, and of finding hope even in the most wounded of places. PRAISE FOR THORDIS ELVA AND TOM STRANGER 'Extraordinarily moving ... Hats off to Elva and Stranger for a brave journey that might well change lives.' The Sunday Times 'South of Forgiveness reads like group therapy: deep pain is unearthed and examined like a jewel beneath a light. Crucially, Elva has the humility to claim she has the same capacity for darkness as Stranger, yet the privilege and power he is afforded as a man means he is more inclined to commit violence ... By owning the label "rapist" and exploring his motivations, Stranger allows the mythical perpetrator to be demystified. The monstrous shadow is given meek human form, allowing men's actions, not women's, to be interrogated. And through her informed analysis of gender inequality, Elva reveals the social mechanisms that create male sexual entitlement.' The Weekend Australian

**Rid of My Disgrace** Justin S. Holcomb 2011-01-05 The statistics are jarring. One in four women and one in six men have been sexually assaulted. But as sobering as these statistics are, they can't begin to speak to the darkness and grief experienced by the victims. The church needs compassionate and wise resources to care for those living in the wake of this evil. Other books attempt to address the journey from shame to healing for victims of sexual abuse, but few are from a Christian perspective and written for both child and adult victims. In *Rid of My Disgrace*, a couple experienced in counseling and care for victims of sexual assault present the gospel in its power to heal the broken and restore the disgraced. Justin and Lindsey Holcomb present a clear definition of sexual assault and outline a biblical approach for moving from destruction to redemption. *Rid of My Disgrace* applies a theology of redemption to the grief, shame, and sense of defilement victims experience. This book is primarily written for them, but can also equip pastors, ministry staff, and others to respond compassionately to those who have been assaulted. Part of the Re:Lit series.

**Heroes in My Head** Judy Rebick 2021 A memoir by Judy Rebick, one of Canada's best-known feminists, including her time as a high-profile spokesperson for the pro-choice movement and as president of the National Action Committee on the Status of Women, as well as her struggle with depression and multiple personality disorder.

**Coreyography** Corey Feldman 2013-10-29 "Spares no details." —Publishers Weekly (Starred Review) "An incredible read." —Richard Donner, Director "People always ask me about life after childhood stardom. What would I say to parents of children in the industry? My only advice, honestly, is to get these kids out of Hollywood and let them lead normal lives." —Corey Feldman The New York Times Bestseller A deeply personal and revealing Hollywood-survival story. Lovable child star by age ten, international teen idol by fifteen, and to this day a perennial pop-culture staple, Corey Feldman has not only spent the entirety of his life in the spotlight, he's become just as famous for his off-screen exploits as for his roles in such classic films as *Gremlins*, *The Goonies*, and *Stand by Me*. He's been linked to a slew of Hollywood starlets (including Drew Barrymore, Vanessa Marcil, and adult entertainer Ginger Lynn), shared a highly publicized friendship with Michael Jackson, and with his frequent costar Corey Haim enjoyed immeasurable success as one half of the wildly popular duo "The Two Coreys," spawning seven films, a 1-900 number, and "Coreymania" in the process. What child of the eighties didn't have a Corey Feldman poster hanging in her bedroom, or a pile of Tiger Beats stashed in his closet? Now, in this brave and moving memoir, Corey is revealing the truth about what his life was like behind the scenes: His is a past that included physical, drug, and sexual abuse, a dysfunctional family from which he was emancipated at age fifteen, three high-profile arrests for drug possession, a nine-month stint in rehab, and a long, slow crawl back to the top of the box office. While Corey has managed to overcome the traps that ensnared so many other entertainers of his generation—he's still acting, is a touring musician, and is a proud father to his son, Zen—many of those closest to him haven't been so lucky. In the span of one year, he mourned the passing of seven friends and family members, including Corey Haim and Michael Jackson. In the wake of those tragedies, he's spoken publicly about the dark side of fame, lobbied for legislation affording greater protections for children in the entertainment industry, and lifted the lid off of what he calls Hollywood's biggest secret. *Coreyography* is his surprising account of survival and redemption.

*The Body Keeps the Score* Bessel van der Kolk, M.D. 2015-09-08 #1 New York Times bestseller "Essential reading for anyone interested in understanding and treating traumatic stress and the scope of its impact on society." —Alexander McFarlane, Director of the Centre for Traumatic Stress Studies A pioneering researcher transforms our understanding of trauma and offers a bold new paradigm for healing in this New York Times bestseller *Trauma* is a fact of life. Veterans and their families deal with the painful aftermath of combat; one in five Americans has been molested; one in four grew up with alcoholics; one in three couples have engaged in physical violence. Dr. Bessel van der Kolk, one of the world's foremost experts on trauma, has spent over three decades working with survivors. In *The Body Keeps the Score*, he uses recent scientific advances to show how trauma literally reshapes both body and brain, compromising sufferers' capacities for pleasure, engagement, self-control, and trust. He explores innovative treatments—from neurofeedback and meditation to sports, drama, and yoga—that offer new paths to recovery by activating the brain's natural neuroplasticity. Based on Dr. van der Kolk's own research and that of other leading specialists, *The Body Keeps the Score* exposes the tremendous power of our relationships both to hurt and to heal—and offers new hope for reclaiming lives.

*Fire Shut Up in My Bones* Charles M. Blow 2014 A respected journalist describes the abuse he suffered at the hands of a close family relative, the effect this had on his formative years and how he overcame the anger

and self-doubt it left behind. 75,000 first printing.

**My Prison Without Bars** Taylor Evan Fulks 2012-11-24 After leaving town under the pretense of business, Taylor struggles to make some sense of her life, as it hopelessly crumbles around her; an unfaithful, unrepentant husband, several unconscionable revelations from her selfish, controlling mother and finally, the resurrection of nightmares and ghosts from her childhood. Solace eludes her. Instead, she is stalked, overpowered, and imprisoned in her own suite by a dark, sadistic stranger hell bent on torturing her because of the mirrored past they share ... linked by the same monster hiding under the bed.

**Sway** Matthew John Bocchi 2020-09-08 After his father died on 9/11 in the World Trade Center, nine-year-old Matthew John Bocchi began an obsessive quest to find out exactly how he died. He researched video tapes, pictures, blogs, anything that could potentially answer the question looming in his mind: was his father one of the jumpers? In the first memoir told by a child of 9/11, Matt intimately delves into the psychological and emotional torment that ensued after his father's death. With heartbreaking vulnerability, he details how his incessant quest resulted in a devastating act of violence that stripped his innocence as a young man. As Matt spirals down a bottomless pit of drug abuse, he willfully risks his life in search of the next high—all in an attempt to forget his past. Now at twenty-eight years old and sober, he recounts his unique story—one full of heartbreak and despair, grief and uncertainty, but most importantly, happiness and hope. The lesson he teaches us is clear but intricate: No matter how far you fall, you can always rise again. No matter how far you stray, you can always find your way home. And no matter how wide you sway, you can always pick up the pieces and stand tall.

*The Girl's Guide to Homelessness* Brianna Karp 2011-05-01 Brianna Karp entered the workforce at age ten, supporting her mother and sister throughout her teen years in Southern California. Although her young life was scarred by violence and abuse, Karp stayed focused on her dream of a steady job and a home of her own. By age twenty-two her dream became reality. Karp loved her job as an executive assistant and signed the lease on a tiny cottage near the beach. And then the Great Recession hit. Karp, like millions of others, lost her job. In the six months between the day she was laid off and the day she was forced out onto the street, Karp scrambled for temp work and filed hundreds of job applications, only to find all doors closed. When she inherited a thirty-foot travel trailer after her father's suicide, Karp parked it in a Walmart parking lot and began to blog about her search for work and a way back.

*The Courage to Heal* Ellen Bass 2002 Based on the experiences of hundreds of survivors & partners, this book profiles victims who share the challenges & triumphs of their personal healing processes. It offers mental, emotional & physical support to all those who are rebuilding their lives.

**Without a Map** Meredith Hall 2008-04-01 "A brave writer of tumultuous beauty." —Entertainment Weekly "Beautifully rendered." —Elle "A poignant, unflinchingly assured memoir." —The Boston Globe This "sobering portrayal" of a pregnant teen exiled from her small New Hampshire community is "a testament to the importance of understanding and even forgiving the people who . . . have made us who we are" (O, The Oprah Magazine) Meredith Hall's moving but unsentimental memoir begins in 1965, when she becomes pregnant at sixteen. Shunned by her insular New Hampshire community, she is then kicked out of the house by her mother. Her father and stepmother reluctantly take her in, hiding her before they finally banish her altogether. After giving her baby up for adoption, Hall wanders recklessly through the Middle East, where she survives by selling her possessions and finally her blood. She returns to New England and stitches together a life that encircles her silenced and invisible grief. Her lost son finds her when he is twenty-one. Hall learns that he grew up in gritty poverty with an abusive father—in her own father's hometown. Their reunion is tender, turbulent, and ultimately redemptive. Hall's parents never ask for her forgiveness, yet as they age, she offers them her love. What sets *Without a Map* apart is the way in which loss and betrayal evolve into compassion, and compassion into wisdom.

*Bird of Winter* Alice Hiller 2021 "Poetry Book Society Summer Special Commendation" -- Front cover.

*The Apology V* (formerly *Eve Ensler*) 2019-05-14 From the bestselling author of *The Vagina Monologues*—a powerful, life-changing examination of abuse and atonement. "A triumph of artistry and empathy." -Naomi Klein "A crucial step forward . . . This is an urgently needed book right now." -Jane Fonda "Courageous, transformative, and yes—healing." -Anne Lamott Like millions of women, Eve Ensler has been waiting much of her lifetime for an apology. Sexually and physically abused by her father, Eve has struggled her whole life from this betrayal, longing for an honest reckoning from a man who is long dead. After years of work as an anti-violence activist, she decided she would wait no longer; an apology could be imagined, by her, for her, to her. *The Apology*, written by Eve from her father's point of view in the words she longed to hear, attempts to transform the abuse she suffered with unflinching truthfulness, compassion, and an expansive vision for the future. Through *The Apology* Eve has set out to provide a new way for herself and a possible road for others, so that survivors of abuse may finally envision how to be free. She grapples with questions she has sought answers to since she first realized the impact of her father's abuse on her life: How do we offer a doorway rather than a locked cell? How do we move from humiliation to revelation, from curtailing behavior to changing it, from condemning perpetrators to calling them to reckoning? What will it take for abusers to genuinely apologize? Remarkable and original, *The Apology* is an acutely transformational look at how, from the wounds of sexual abuse, we can begin to re-emerge and heal. It is revolutionary, asking everything of each of us: courage, honesty, and forgiveness.

**Queering Sexual Violence** Jennifer Patterson 2016-04-22 Often pushed to the margins, queer, transgender and gender non-conforming survivors have been organizing in anti-violence work since the birth of the movement. *Queering Sexual Violence: Radical Voices from Within the Anti-Violence Movement* locates them at the center of the anti-violence movement and creates a space for their voices to be heard. Moving beyond dominant narratives and the traditional "violence against women" framework, the book is multi-gendered, multi-racial and multi-layered. This thirty-seven piece collection disrupts the mainstream conversations about sexual violence and connects them to disability justice, sex worker rights, healing justice, racial justice, gender self-determination, queer & trans liberation and prison industrial complex abolition through reflections, personal narrative, and strategies for resistance and healing. Where systems, institutions, families, communities and partners have failed them, this collection lifts them up, honors a multitude of lived experiences and shares the radical work that is being done outside mainstream anti-violence and the non-profit industrial complex.

*Girl in Pieces* Kathleen Glasgow 2018-04-10 #1 NEW YORK TIMES BESTSELLER "A haunting, beautiful, and necessary book."—Nicola Yoon, #1 New York Times bestselling author of *Everything, Everything* Charlotte Davis is in pieces. At seventeen she's already lost more than most people do in a lifetime. But she's learned how to forget. The broken glass washes away the sorrow until there is nothing but calm. You don't have to think about your father and the river. Your best friend, who is gone forever. Or your mother, who has nothing left to give you. Every new scar hardens Charlie's heart just a little more, yet it still hurts so much. It hurts enough to not care anymore, which is sometimes what has to happen before you can find your way back from the edge. A deeply moving portrait of a girl in a world that owes her nothing, and has taken so much, and the journey she undergoes to put herself back together. Kathleen Glasgow's debut is heartbreakingly real and unflinchingly honest. It's a story you won't be able to look away from. And don't miss Kathleen Glasgow's novels *You'd Be Home Now* and *How to Make Friends with the Dark*, both raw and powerful stories of life.

**Broken Circle** Theodore Fontaine 2010 Theodore Fontaine lost his family and freedom before his seventh birthday, when his parents were forced to leave him at an Indian residential school. Twelve years later, he left school frozen at the emotional age of seven. He was confused, angry and conflicted, on a path of self-destruction. At age 29, he emerged from this blackness and began a journey of self-exploration and healing. In this powerful and poignant memoir, Theodore examines the impact of the loss of his language and culture and, most important, the loss of his family and community. He goes beyond details of the abuse of Indian children to provide readers with an understanding of why most residential-school survivors have stress disorders and why succeeding generations of First Nations children suffer from this chapter in history. Told as remembrances described with insights that have evolved in his healing, his story resonates with his resolve to help himself and other survivors and to share his enduring belief that one can pick up the shattered pieces and use them for

good.

**Fetish Girl** Bella LaVey 2018-11-13 *Fetish Girl* is a provocative, dark, and erotic memoir that tells it like it is. LaVey pulls readers into her evolving journey: dancer to stripper to dominatrix to erotic wrestler to BDSM aficionado—and all of this while being a single mother trying to do right by her son. This true story doesn't hold back from diving into these subcultures with a keen eye for the kinky, for the sexy, for the power of taking a risk. "Fans of the Fifty Shades series will undoubtedly find much to savor in this ribald, risqué, and captivating remembrance." —Kirkus Review

*Confessions of a Trauma Therapist* Mary K. Armstrong 2011-02-22 To her surprise, dismay, and eventually relief, Mary Armstrong, a therapist with over thirty years of experience helping people heal from childhood trauma, uncovered her own history of child sexual abuse at the hands of her grandfather and father. As she tells her harrowing but heroic tale, she casts light as never before on the issue of repressed memories and the invisible wounds left by childhood trauma.

**The Incest Diary** Anonymous 2018-11 Throughout her childhood and adolescence, the anonymous author of *The Incest Diary* was raped by her father. Beneath a veneer of normal family life, she grew up in and around this all-encompassing secret. Her sexual relationship with her father lasted, off and on, into her twenties. It formed her world, and it formed her deepest fears and desires. Even after she broke away, even as she grew into an independent and adventurous young woman, she continued to seek out new versions of the violence, submission and secrecy she had struggled to leave behind. In this graphic and harrowing memoir, the author revisits her early traumas and their aftermath - not from a clinical distance, but from deep within - to explore the ways in which her father's abuse shaped her, and still does. As a matter of psychic survival, she became both a sexual object and a detached observer, a dutiful daughter and the protector of a dirty secret. And then, years later, she made herself write it down. With lyric concision, in vignettes of almost unbearable intensity, this writer tells a story that is shocking but that will ring true to many other survivors of abuse. It has never been faced so directly on the page.

**Friends, Lovers and the Big Terrible Thing** Matthew Perry 2022-11-01 'There's never been a more honest or raw memoir ... and it may just save lives' Daily Mail 'Funny, fascinating, compelling ... also a wonderful read for fans of Friends' The Times The beloved star of *Friends* takes us behind the scenes of the hit sitcom and his struggles with addiction in this candid, funny, and revelatory memoir that delivers a powerful message of hope and persistence. 'Hi, my name is Matthew, although you may know me by another name. My friends call me Matty. And I should be dead.' So begins the riveting story of acclaimed actor Matthew Perry, taking us along on his journey from childhood ambition to fame to addiction and recovery in the aftermath of a life-threatening health scare. Before the frequent hospital visits and stints in rehab, there was five-year-old Matthew, who travelled from Montreal to Los Angeles, shuffling between his separated parents; fourteen-year-old Matthew, who was a nationally ranked tennis star in Canada; twenty-four-year-old Matthew, who nabbed a coveted role as a lead cast member on the talked-about pilot then called *Friends Like Us*. . . and so much more. In an extraordinary story that only he could tell - and in the heartfelt, hilarious, and warmly familiar way only he could tell it - Matthew Perry lays bare the fractured family that raised him (and also left him to his own devices), the desire for recognition that drove him to fame, and the void inside him that could not be filled even by his greatest dreams coming true. But he also details the peace he's found in sobriety and how he feels about the ubiquity of *Friends*, sharing stories about his castmates and other stars he met along the way. Frank, self-aware, and with his trademark humour, Perry vividly depicts his lifelong battle with addiction and what fuelled it despite seemingly having it all. *Friends, Lovers, and the Big Terrible Thing* is an unforgettable memoir that is both intimate and eye-opening - as well as a hand extended to anyone struggling with sobriety. Unflinchingly honest, moving, and uproariously funny, this is the book fans have been waiting for. 'An unflinching and often harrowing must-read for 90s pop culture fans' Guardian 'Written with Chandler's trademark sarcasm and self-deprecation' Telegraph 'A hopeful read ... I started to think of [it] not as a celebrity memoir about addiction, but as an addiction memoir written by a man who understands his own history through the prism of showbiz' Independent

**Split Tooth** Tanya Tagaq 2018-09-25 Longlisted for the 2018 Scotiabank Giller Prize Shortlisted for the 2019 Amazon First Novel Award Shortlisted for the 2019 Kobo Emerging Writer Prize Winner of the 2019 Indigenous Voices Award for Published Prose in English Winner of the 2018 Alcuin Society Awards for Excellence in Book Design - Prose Fiction Longlisted for the 2019 Sunburst Award From the internationally acclaimed Inuit throat singer who has dazzled and enthralled the world with music it had never heard before, a fierce, tender, heartbreaking story unlike anything you've ever read. Fact can be as strange as fiction. It can also be as dark, as violent, as rapturous. In the end, there may be no difference between them. A girl grows up in Nunavut in the 1970s. She knows joy, and friendship, and parents' love. She knows boredom, and listlessness, and bullying. She knows the tedium of the everyday world, and the raw, amoral power of the ice and sky, the seductive energy of the animal world. She knows the ravages of alcohol, and violence at the hands of those she should be able to trust. She sees the spirits that surround her, and the immense power that dwarfs all of us. When she becomes pregnant, she must navigate all this. Veering back and forth between the grittiest features of a small arctic town, the electrifying proximity of the world of animals, and ravishing world of myth, Tanya Tagaq explores a world where the distinctions between good and evil, animal and human, victim and transgressor, real and imagined lose their meaning, but the guiding power of love remains. Haunting, brooding, exhilarating, and tender all at once, Tagaq moves effortlessly between fiction and memoir, myth and reality, poetry and prose, and conjures a world and a heroine readers will never forget.

**Up Ghost River** Edmund Metatawabin 2014-08-26 A powerful, raw yet eloquent memoir from a residential school survivor and former First Nations Chief, *Up Ghost River* is a necessary step toward our collective healing. In the 1950s, 7-year-old Edmund Metatawabin was separated from his family and placed in one of Canada's worst residential schools. St. Anne's, in northern Ontario, is an institution now notorious for the range of punishments that staff and teachers inflicted on students. Even as Metatawabin built the trappings of a successful life—wife, kids, career—he was tormented by horrific memories. Fuelled by alcohol, the trauma from his past caught up with him, and his family and work lives imploded. In seeking healing, Metatawabin travelled to southern Alberta. There he learned from elders, participated in native cultural training workshops that emphasize the holistic approach to personhood at the heart of Cree culture, and finally faced his alcoholism and PTSD. Metatawabin has since worked tirelessly to expose the wrongdoings of St. Anne's, culminating in a recent court case demanding that the school records be released to the Truth and Reconciliation Commission. Now Metatawabin's mission is to help the next generation of residential school survivors. His story is part of the indigenous resurgence that is happening across Canada and worldwide: after years of oppression, he and others are healing themselves by rediscovering their culture and sharing their knowledge. Coming full circle, Metatawabin's haunting and brave narrative offers profound lessons on the importance of bearing witness, and the ability to become whole once again.

**Broken Circle** Theodore Niizhotay Fontaine 2010-10-01 "Too many survivors of Canada's Indian residential schools live to forget. Theodore Fontaine writes to remember." - Hana Gartner, CBC's *The Fifth Estate* Bestselling Memoir, McNally Robinson Booksellers Approved curriculum resource for grade 9-12 students in British Columbia and Manitoba. Theodore Niizhotay Fontaine lost his family and freedom just after his seventh birthday, when his parents were forced to leave him at an Indian residential school by order of the Roman Catholic Church and the Government of Canada. Twelve years later, he left school frozen at the emotional age of seven. He was confused, angry and conflicted, on a path of self-destruction. At age 29, he emerged from this blackness. By age 32, he had graduated from the Civil Engineering Program at the Northern Alberta Institute of Technology and begun a journey of self-exploration and healing. In this powerful and poignant memoir, Ted examines the impact of his psychological, emotional and sexual abuse, the loss of his language and culture, and, most important, the loss of his family and community. He goes beyond details of the abuses of Indigenous children to relate a unique understanding of why most residential school survivors have post-traumatic stress disorders and why succeeding generations of First Nations children suffer from this dark chapter in history. Told as remembrances described with insights that have evolved through his healing, his story resonates with his resolve to help himself and other residential school survivors and to share his enduring belief that one can pick up the shattered pieces and use them for good.

**Summary of Leah Lakshmi Piepzna-Samarasinha's Care Work** Everest Media, 2022-05-28T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 This book was

written in the matrix of many sick and disabled femme of color care webs, in unceded and occupied Tkaronto/Dish With One Spoon territories, Ohlone territories, and my current home in South Seattle on Duwamish territories governed by the Treaty of Point Elliot. #2 I want to thank everyone who has ever hired me to do workshops or lectures, and those who kept me marginally employed. #3 I have also written about my experiences as a disabled, queer, femme-of-color writer in Fuck the 'Triumph of the Human Spirit': On Writing Dirty River as a Queer Disabled Femme-of-Color Memoir and the Joys of Saying Fuck You to Traditional Abuse Survivor Narratives.

**The Chronology of Water** Lidia Yuknavitch 2019-03-07 From the debris of her troubled early life, Lidia Yuknavitch weaves an astonishing tale of survival. It is a life that navigates, and transcends, abuse, addiction, self-destruction and the crushing loss of a stillborn child. A kind of memoir that is also a paean to the pursuit of beauty, self-expression, desire - for men and women - and the exhilaration of swimming, *The Chronology of Water* lays a life bare.

*Life in the City of Dirty Water* Clayton Thomas-Muller 2021-08-24 \*FINALIST FOR 2022 CANADA READS\* \*SHORTLISTED FOR THE 2022 J.W. DAFOE BOOK PRIZE\* \*SHORTLISTED FOR THE 2022 MANITOBA BOOK AWARDS' MCNALLY ROBINSON BOOK OF THE YEAR AWARD\* NATIONAL BESTSELLER A gritty and inspiring memoir from renowned Cree environmental activist Clayton Thomas-Muller, who escaped the world of drugs and gang life to take up the warrior's fight against the assault on Indigenous peoples' lands—and eventually the warrior's spirituality. There have been many Clayton Thomas-Mullers: The child who played with toy planes as an escape from domestic and sexual abuse, enduring the intergenerational trauma of Canada's residential school system; the angry youngster who defended himself with fists and sharp wit against racism and violence, at school and on the streets of Winnipeg and small-town British Columbia; the tough teenager who, at 17, managed a drug house run by members of his family, and slipped in and out of juvie, operating in a world of violence and pain. But behind them all, there was another Clayton: the one who remained immersed in Cree spirituality, and who embraced the rituals and ways of thinking vital to his heritage; the one who reconnected with the land during summer visits to his great-grandparents' trapline in his home territory of Pukatawagan in northern Manitoba. And it's this version of Clayton that ultimately triumphed, finding healing by directly facing the trauma that he shares with Indigenous peoples around the world. Now a leading organizer and activist on the frontlines of environmental resistance, Clayton brings his warrior spirit to the fight against the ongoing assault on Indigenous peoples' lands by Big Oil. Tying together personal stories of survival that bring the realities of the First Nations of this land into sharp focus, and lessons learned from a career as a frontline activist committed to addressing environmental injustice at a global scale, Thomas-Muller offers a narrative and vision of healing and responsibility.

*Wherever I Wind Up* R.A. Dickey 2012-03-29 The perfect gift for baseball fans, now with a new epilogue by author R.A. Dickey, winner of the 2012 Cy Young award. "An astounding memoir—haunting and touching, courageous and wise."—Jeremy Schaap, bestselling author, Emmy award-winning journalist, ESPN In 1996, R.A. Dickey was the Texas Rangers' much-heralded No. 1 draft choice. Then, a routine physical revealed that his right elbow was missing its ulnar collateral ligament, and his lifelong dream—along with his \$810,000 signing bonus—was ripped away. Yet, despite twice being consigned to baseball's scrap heap, Dickey battled back. Sustained by his Christian faith, the love of his wife and children, and a relentless quest for self-awareness, Dickey is now the starting pitcher for the Toronto Blue Jays (he was previously a star pitcher for the New York Mets) and one of the National League's premier players, as well as the winner of the 2012 Cy Young award. In *Wherever I Wind Up*, Dickey eloquently shares his quintessentially American tale of overcoming extraordinary odds to achieve a game, a career, and a life unlike any other.

*No Fourth River. A Novel Based on a True Story. A Profoundly Moving Read about a Woman's Fight for Survival.* Christine Clayfield 2018-09-19 *No Fourth River* is gripping, harrowing, uplifting and inspiring; an incredible true story about survival, courage and triumph. A story that asks: How do you find the strength, when you suffer almost unbearable abuse and are broken beyond repair, to pick up the pieces of a shattered life?

**Boundaries of Touch** Jean Halley 2010-10-01 Discussing issues of parent-child contact ranging from breastfeeding and sleeping arrangements to sexual abuse, Jean O'Malley Halley traces the evolution of mainstream ideas about touching between adults and children over the course of the twentieth century in the United States. *Boundaries of Touch* shows how arguments about adult-child touch have been politicized, simplified, and bifurcated into "naturalist" and "behaviorist" viewpoints, thereby sharpening certain binary constructions such as mind/body and male/female. In addition to contemporary periodicals and self-help books on child rearing, Halley uses information gathered from interviews she conducted with mothers ranging in age from twenty-eight to seventy-three. Throughout, she reveals how the parent-child relationship, far from being a private or benign subject, continues as a highly contested, politicized affair of keen public interest.

**Speak: The Graphic Novel** Laurie Halse Anderson 2018-02-06 The critically acclaimed, award-winning, modern classic *Speak* is now a stunning graphic novel. "Speak up for yourself—we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless—an outcast—because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. Through her work on an art project, she is finally able to face what really happened that night: She was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. With powerful illustrations by Emily Carroll, Laurie Halse Anderson's *Speak: The Graphic Novel* comes alive for new audiences and fans of the classic novel. This title has Common Core connections.

**The River of Forgetting** Jane Rowan 2010-12-01 Using creative arts to access her strength and aliveness, the author reconciles with both her parents' love and their betrayal. This deeply personal memoir invites the reader behind the closed doors of a therapist's office and into the author's journal and her very body.

*Your Voice in My Head* Emma Forrest 2012-01-19 A dazzling and devastating memoir exploring breakdown and obsessive love, in a voice unlike any other

*What Sort of Bird Are You?* TESSA. FOLEY 2021

*What a Body Remembers* Karen Stefano 2019 The intimate memoir of a woman's traumatic past catching up with her, an honest, from-the-gut account of one woman's journey to regain her power and confidence--a journey that continues to this day.

*Iron Man Family Outing* Rick Belden 1992

**Reaching** Grace Peterson 2013-05 Grace's turbulent childhood, with father's violent temper and mother's apathy, their divorce, and her relocation with her mother and siblings to Hawaii, where she experiences racism and violence, sets the stage for this incredible real-life tale of abuse, brainwashing, and ultimately the long journey to recovery. At seventeen, Grace experiences love for the first time, but is soon unable contain the traumas of her past. Seeking a remedy from what she perceives as a spiritual problem, she enlists the aid of Brock, a charismatic exorcist and cult expert. Grace stumbles into a world of esoteric rituals, Luciferian doctrines, and New World Order conspiracies. This gripping narrative illustrates how children adapt to a hostile environment, can grow up misreading their untreated traumas, and, while searching for answers, fall prey to unscrupulous charlatans who heap more damage onto an already wounded soul.

**Springing from the Pews** Day Mattar 2021-05-31 Day Mattar's *Springing from the Pews* is an explosive pamphlet which explores an episode of sexual violence through a verse play interwoven with confessions and journal entries. Mattar's poetry is eloquent, with a dark intensity underlying the sugary surface, with echoes of Frank O'Hara and Sharon Olds. A breathtaking read, Mattar's splenetic energy gushes out like water from a fire hydrant.

**Heart Berries** Terese Marie Mailhot 2018-05-17 A NEW YORK TIMES BESTSELLER Winner of the Whiting Award for Non-Fiction Selected by Emma Watson as an Our Shared Shelf Book Club Pick 'I loved it' Kate Tempest 'Astounding' Roxane Gay 'A sledgehammer' New York Times Heart Berries is a powerful, poetic memoir of a woman's coming of age on an Indian Reservation in the Pacific Northwest. Having survived a profoundly dysfunctional upbringing only to find herself hospitalised and facing a dual diagnosis of post-traumatic stress disorder and bipolar II disorder, Terese Marie Mailhot is given a notebook and begins to write her way out of trauma. The triumphant result is Heart Berries, a memorial for Mailhot's mother, a social worker and activist who had a thing for prisoners; a story of reconciliation with her father – an abusive drunk and a brilliant artist – who was murdered under mysterious circumstances; and an elegy on how difficult it is to love someone while dragging the long shadows of shame. Memory isn't exact, but melded to imagination. In Heart Berries, Mailhot discovers her own true voice, seizes control of her story, and, in so doing, re-establishes her connection to her family, to her people, and to her place in the world.
