**The Art of Dating** - Ellie Messe 2018-09-06

Six months ago, I was naïve, stupid, and whiney. I believed in second chances. Even when I was boyfriend-less, apartment less, and my best friend was on me about moving on. It threw me into free fall without the courtesy of a warning or a safety net. Yesterday, I ruined everything. One action that broke two hearts. I used to believe in second chances. My name is Devina Marshal; this is the story of how everything went to shit.
