Love-letters Between a Nobleman and His Sister - Aphra Behn 1736

Three Sisters - Anton Chekhov 2017-12-11

The play focuses on the lives of three sisters, Olga, Masha, and Irina, young women of the Russian gentry who try to fill their days in order to construct a life that feels meaningful while surrounded by an array of military men, servants, husbands, suitors, and lovers, all of whom constitute a distractions from the passage of time and from the sisters' desire to return to their beloved Moscow.

The Brothers Karamazov - Fyodor Dostoyevsky
2016-03-24

The Brothers Karamazov, also translated as The Karamazov Brothers, is the final novel by the Russian author Fyodor Dostoyevsky.

Dostoyevsky spent nearly two years writing The Brothers Karamazov, which was published as a serial in The Russian Messenger and completed in November 1880. The author died less than four months after its publication. The Brothers Karamazov is a passionate philosophical novel set in 19th century Russia, that enters deeply into the ethical debates of God, free will, and morality. It is a spiritual drama of moral

struggles concerning faith, doubt, judgement, and reason, set against a modernizing Russia, with a plot which revolves around the subject of patricide. Dostoyevsky composed much of the novel in Staraya Russa, which inspired the main setting. Since its publication, it has been acclaimed as one of the supreme achievements in world literature.

Write It All Down - Cathy Rentzenbrink
2022-01-06

Tackle the challenges of memoir writing and share your story. 'Cathy is the person who first told me to write about my mental health when I was nervous to do so. She is a great writer herself and this is brilliant.' - Matt Haig, author of Reasons to Stay Alive Why do we want to write and what stops us? How do we fight the worry that no-one will care what we have to say?

What can we do to overcome the obstacles in our way? Sunday Times bestselling author Cathy Rentzenbrink shows you how to tackle all this and more in Write It All Down, a guide to putting your life on the page. Complete with a compendium of advice from amazing writers such as Dolly Alderton, Adam Kay and Candice Carty-Williams, this book is here to help you discover the pleasure and solace to be found in writing; the profound satisfaction of wrestling a story onto a page and seeing the events of your life transformed through the experience of writing a memoir. Perfect for seasoned writers as well as writing amateurs and everyone in between, this helpful handbook will steer you through the philosophical and practical challenges of writing, whether you're struggling with writers block or worrying what people will say. Intertwined with reflections and exercises, Write It All Down is at once an intimate conversation and an invitation to share your story.

Not That Kind of Love - Clare Wise 2018-02-15
'A remarkable account of illness, loss and the power of sibling love' The Times 'Wise's reflections on compassion fatigue are worth the price of this book alone, but what you take away is something splendid and unwearying: a sibling's devotion that feels remarkably like what we mean when we talk of a stage of grace.' Telegraph 'Inspirational... profoundly uplifting' Daily Mail 'Heartbreaking and inspiring in equal measure' Express 'This is a fantastic book ... Remarkable' Lorraine Kelly _____ A moving, thought-provoking and surprisingly humorous book which is both a description of a journey to death and a celebration of the act of living. Based on Clare Wise's blog, which she started when she was first diagnosed with cancer in 2013, *Not That Kind of Love* charts the highs and lows of the last three years of Clare's life. The end result is not a book that fills you with despair and anguish. On the contrary, *Not That Kind of Love* should be read by everybody for its

candour, and for its warmth and spirit. Clare is an astonishingly dynamic, witty and fun personality, and her positivity and energy exude from every page. As she becomes too weak to type, her brother - the actor Greg Wise - takes over, and the book morphs into a beautiful meditation on life, and the necessity of talking about death. As Greg Wise writes in the book: 'Celebrate the small things, the small moments. If you find yourself with matching socks as you leave the house in the morning, that is a cause for celebration. If the rest of the day is spent finding the cure for cancer, or brokering world peace, then that's a bonus.'

Consumed - Arifa Akbar 2021-06-10

* SHORTLISTED FOR THE 2021 COSTA BOOK AWARDS: BIOGRAPHY * 'If her moving, engrossing, elegantly written memoir does not win prizes, there really is no justice in the literary world.' Lucy Atkins, Sunday Times All happy families are alike; each unhappy family is unhappy in its own way. When Arifa Akbar

discovered that her sister had fallen seriously ill, she assumed there would be a brief spell in hospital and then she'd be home. This was not to be. It was not until the day before she died that the family discovered she was suffering from tuberculosis. Consumed is a story of sisterhood, grief, the redemptive power of art and the strange mythologies that surround tuberculosis. It takes us from Keats's deathbed and the tubercular women of opera to the resurgence of TB in modern Britain today. Arifa travels to Rome to haunt the places Keats and her sister had explored, to her grandparent's house in Pakistan, to her sister's bedside at the Royal Free Hospital in Hampstead and back to a London of the seventies when her family first arrived, poor, homeless and hungry. Consumed is an eloquent and moving excavation of a family's secrets and a sister's detective story to understand her sibling.

The Last Act of Love - Cathy Rentzenbrink
2016-04-26

In the summer of 1990 - two weeks before his GCSE results, which turned out to be the best in his school - Cathy Rentzenbrink's brother Matty was knocked down by a car on the way home from a night out, suffering serious head injuries. He was left in a permanent vegetative state. Over the following years, Cathy and her parents took care of Matty - they built an extension onto the village pub where they lived and worked; they talked to him, fed him, bathed him, loved him. But there came a point at which it seemed the best thing they could do for Matty - and for themselves - was let him go. With unflinching honesty and raw emotional power, Cathy describes the unimaginable pain of losing her brother and the decision that changed her family's lives forever.

A Manual for Heartache - Cathy Rentzenbrink
2017-06-29

'I devoured A Manual for Heartache in one sitting . . . a kind, honest and wise book about how to make a friend of sadness.' - Rachel Joyce, author of The Unlikely Pilgrimage of Harold Fry. When Cathy Rentzenbrink was still a teenager, her happy family was torn apart by an unthinkable tragedy. In A Manual for Heartache she describes how she learnt to live with grief and loss and find joy in the world again. She explores how to cope with life at its most difficult and overwhelming and how we can emerge from suffering forever changed, but filled with hope. This is a moving, warm and uplifting book that offers solidarity and comfort to anyone going through a painful time, whatever it might be. It's a book that will help to soothe an aching heart and assure its readers that they're not alone.

Beyond the High Blue Air - Lu Spinney

2016-05-05

Aged 29, Lu Spinney's son Miles suffered a devastating head injury and was left in a coma. With unflinching honesty, Lu Spinney has written a passionate, urgent account of the years following her son Miles's accident, revealing his existence imprisoned in a limbo of fluctuating consciousness, at times agonizingly aware of his predicament. With unfailing honesty and courageous prose, Lu Spinney's memoir explores the very nature of self and the anguish of witnessing Miles's suffering as she and her family come to realise that, although he has been saved from death, he has not been brought back to a meaningful life.

The Spanish Love Deception - Elena Armas

announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in

my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is an enemies-to-lovers, fake-dating.

Dear Reader - Cathy Rentzenbrink 2020-09-17
From the Sunday Times bestselling author of The Last Act of Love, Cathy Rentzenbrink's Dear Reader is the ultimate love letter to reading and to finding the comfort and joy in stories.

'A warm, unpretentious manifesto for why books matter' - Sunday Express
Growing up, Cathy Rentzenbrink was rarely seen without her nose in a book and read in secret long after lights out. When tragedy struck, it was books that kept her afloat. Amari and the Night Brothers - B. B. Alston
2021-01-19

New York Times bestseller! Artemis Fowl meets Men in Black in this exhilarating debut middle grade fantasy, the first in a series filled with #blackgirlmagic. Perfect for fans of Tristan Strong Punches a Hole in the Sky, the Percy Jackson series, and Nevermoor. Amari Peters has never stopped believing her missing brother, Quinton, is alive. Not even when the police told her otherwise, or when she got in trouble for standing up to bullies who said he was gone for good. So when she finds a ticking briefcase in his closet, containing a nomination for a summer tryout at the Bureau of Supernatural Affairs, she's certain the secretive organization holds the key to locating Quinton—if only she can wrap her head around the idea of magicians, fairies,

aliens, and other supernatural creatures all being real. Now she must compete for a spot against kids who've known about magic their whole lives. No matter how hard she tries, Amari can't seem to escape their intense doubt and scrutiny—especially once her supernaturally enhanced talent is deemed "illegal." With an evil magician threatening the supernatural world, and her own classmates thinking she's an enemy, Amari has never felt more alone. But if she doesn't stick it out and pass the tryouts, she may never find out what happened to Quinton. Plus don't miss the thrilling sequel, Amari and the Great Game!
