Contemplative Prayer at Work in Our Lives - Geoff Colvin

2021-05-24

While many practicing Christians are relatively satisfied with their prayer life, others are not. The latter often find their prayer practice has dried up. Their traditional forms of prayer at churches have become routine and empty. In a very real sense, there is a void in their spiritual lives. They want a deeper union with God yet experience an unsettling estrangement with their current pathway in prayer. In Contemplative Prayer at Work in Our Lives, Geoff Colvin draws on his own experiences, studies of spiritual literature, and participation in retreats and meditation groups, to unravel the challenging practice of contemplative prayer, a unique form of meditation involving very few words in silence and stillness. Contemplative prayer centers on the fundamental belief that God dwells not only

in the world at large but also at the center of our being. This book offers Christians an approach for understanding contemplative prayer followed by hands-on detail for developing and sustaining a practice that hopefully leads to a richer and fuller spiritual journey to union with God.

The Reckless Love of God -

Alex Early 2015-08-25

Assurance of God's Personal Love for Us The startling truth about the love of God has lost its potency. It is not a passionless, theological idea. It is a real love that feels and even suffers. Whether you grew up in a Christian home and have forgotten this essential truth, or you never knew it in the first place, we all need to be reminded--and assured--that God's love is real and personal. The Reckless Love of God is about pulling readers in close and asking if they have really considered what it means to say, "Jesus loves you." Nothing changes

lives and grows the church faster, more effectively, and more thoroughly than being captivated by this reality. But the love of Jesus is not just a means to another end.

Receiving the love of Jesus is the end itself. Includes end-of-chapter questions for individual or group use.

The Wrong Kind of Love - Lexi Ryan 2018-02-12

You never forget your wedding day. Or the moment your twin sister pukes on your bouquet and confesses she's pregnant . . . with your fiancé's baby. I wanted to get away, to hide until my heart mended. I found myself in a strange town with a mysterious stranger whose talented mouth and hands almost made me forget it was supposed to be my wedding night. Afraid to go home to face my broken life, I pretend to be my twin so I can take her job in Jackson Harbor caring for a six-year-old girl. Imagine my surprise when I find out my new boss is my mysterious stranger—Dr. Ethan Jackson. I never meant for Ethan to discover my secrets. I never

meant for them to matter. But the longer I work with him and his sweet daughter, the harder I fall, and the clearer it becomes that I'm not the only one carrying a secret that could tear us apart. Get ready to fall for the boys of Jackson Harbor in Lexi Ryan's sexy new contemporary romance series. These books can all be read as standalones, but you'll enjoy reading them as a series! *The Wrong Kind of Love* (Ethan's story) *Straight Up Love* (Jake's story - coming May 2018) *Dirty, Reckless Love* (Levi's story - coming August 2018) *Holy Fools* - Mathew Woodley 2008-05-01

Pastor Woodley offers a fresh view of "holy folly," an ancient spiritual approach that combines humor, irony, spiritual discipline, surprise, radical compassion, and passionate faith--many qualities that the postmodern world hungers for. (Practical Life)

Reckless Years - Heather Chaplin 2017-07-11

The Pursuing God - Joshua Ryan Butler 2016-05-03

Is God lost? Many of us feel that way. It's as if God's gone missing, out in the universe somewhere—and we must pick up the hunt, following any trail of breadcrumbs he may have left to go out and find him. We speak of "searching for God," "exploring spirituality," and "finding faith." But what if we have it backward? What if God is the one pursuing us? What if our job is not to go out and find God, but simply to stop running and hiding? Not to earn God's love, but to receive it? Not to turn on the light, but to step out of the shadows? Jesus reveals a God on the prowl, pursuing us, hunting down his world for reconciliation. And the question we're left with is not whether we've pursued hard enough, searched long enough, or jumped high enough . . . The question is, "Do we want to be found?"

The Long Loneliness - Dorothy Day 2017-06-27

The compelling autobiography of a remarkable Catholic woman, sainted by many, who championed the rights of the poor in America's inner cities. When Dorothy Day died in 1980, the New York Times eulogized her as "a nonviolent social radical of luminous personality . . . founder of the Catholic Worker Movement and leader for more than fifty years in numerous battles of social justice." Here, in her own words, this remarkable woman tells of her early life as a young journalist in the crucible of Greenwich Village political and literary thought in the 1920s, and of her momentous conversion to Catholicism that meant the end of a Bohemian lifestyle and common-law marriage. The Long Loneliness chronicles Dorothy Day's lifelong association with Peter Maurin and the genesis of the Catholic Worker Movement. Unstinting in her commitment to peace, nonviolence, racial justice, and the cause of the poor and the outcast, she became an inspiration to such activists as

Reckless Love - Cory Asbury
2020-01-07

Based on the Grammy-nominated number one single "RECKLESS LOVE" The song "Reckless Love" was named both Song of the Year and Worship Song of the Year at the 2018 GMA Dove Awards. But with its success came controversy. After all, is God's love reckless? In this forty-day journey "Reckless Love" songwriter Cory Asbury dives deep into the heart of the popular worship song and explores its many themes, including: How to live as sons and daughters of God How to understand and receive unmerited grace How to see the Father's kindness, even amid trials and pain Deepen your understanding of God's

love for you, and encounter His Father heart in a way you've never experienced. FEATURES AND BENEFITS: *Reckless Love* is a daily journey based on the chart-topping song written by Cory Asbury. Each entry will contain a Scripture verse, a highlighted "point to ponder," and lines for journaling.

Dorothy Day - Patrick Jordan
2015-12-14

By any measure, Dorothy Day lived a fascinating life. She was a journalist, activist, single mother, convert, Catholic laywoman, and co-founder of the Catholic Worker Movement. A lifelong radical who took the gospels at their word, Dorothy Day lived among the poor as one of them, challenging both church and state to build a better world for all people. Steeped in prayer, the liturgy, and the spiritual life, she was jailed repeatedly for protesting poverty, injustice, and war. Through it all, she created a sense of community and remained down-to-earth and humanly approachable. To have known Dorothy Day was to have

experienced not only her charm and humanity, but the purposefulness of her life. In Dorothy Day: Love in Action, Patrick Jordan—who knew her personally—conveys some of the hallmarks of Day’s fascinating life and the spirit her adventure inspires. People of God is a series of inspiring biographies for the general reader. Each volume offers a compelling and honest narrative of the life of an important twentieth or twenty-first century Catholic. Some living and some now deceased, each of these women and men has known challenges and weaknesses familiar to most of us but responded to them in ways that call us to our own forms of heroism. Each offers a credible and concrete witness of faith, hope, and love to people of our own day.

The Reckless Way of Love - Dorothy Day 2017

In this guidebook Dorothy Day offers hard-earned wisdom and practical advice gained through decades of seeking to know Jesus and to follow his example and teachings in her

own life.

Radical & Reckless - Eunike Jonathan 2021-09-13

The Father's heart is all about you, His children. God loves you even at your darkest, lowest point in life when you can't even look at yourself. What you do or don't do does not sway God's love for you one way or another. The Father's love for you is perfect, pure, complete, and endless. He is pursuing you with His love whether or not you love Him back and whether or not you think you deserve it.

Sometimes that pursuit is radical and reckless.

Reckless Grace - Brit Eaton 2018-11-22

Grace to you whose feet have traveled with intention into the valley of the shadow of death. Grace to you who live in the shadow of the mountain of failures that you have built by your own hands. Grace to you who have isolated yourselves from those who you once trusted. Grace to you who have destroyed the faith that many once placed in you. Grace to you who search with futility for

fruit that has sprouted from seeds you planted in hard soil. Grace to you who have been misunderstood and betrayed by those who claim to love you most. Grace to you who have lost the faith to believe. Grace to you who have forsaken the call for the witness that you lost in a moment of weakness. Grace to you. God still believes in you. "Fallen from grace. Every time a prominent figure is involved in a scandal, this phrase gets tossed around like a declaration that balance has been restored to the universe and someone who rose beyond his or her proper place got humbled. If you've ever needed grace just to feel like you're worthy to breathe again, this book will be life to you. If you've thought grace was merely God's medicine for the morally sick, then put this book away until you find yourself broken on the wheels of living. You see, grace is not something you fall from but Someone you fall into." (Bill Vanderbush) Deep down, you know forgiveness is a good idea. So why is it so hard to forgive and

be forgiven? In *Reckless Grace*, Bill Vanderbush and Brit Eaton unpack the theological and practical applications of God's reckless grace and invite you to be an active participant in releasing that same grace into an increasingly offense-filled world. In this collaborative work you'll encounter: A powerful, biblical case for receiving and releasing God's reckless grace. Practical steps to help you identify and overcome barriers to grace in your life. Meditations, activations, and invitations into a grace revolution in the body of Christ. If you struggle with offense and unforgiveness for others or for yourself, hear the good news: God is ready to obliterate your disbelief through a fresh revelation of His love. "God isn't reckless, but the way in which He extends grace defies reason. Scripture proves He initiates forgiveness even before we know to ask for it, without concern for Himself or the consequences of His actions. It's reckless and it's what we're called to as grace-filled

That Way and No Other - Amy Carmichael 2020

"The secret to staying true to God's call for your life. Amy Carmichael left everything to become a missionary in India. But then Preena, a girl fleeing sexual slavery, threw herself on Carmichael's protection. Would she follow this new call and give up a religious vocation to become a nursemaid? Into her mind came a picture of Jesus washing his disciples' feet.

"The question answered itself and was not asked again."

Along with Indian women, Carmichael founded Dohnavur, a community of households that has provided family for hundreds of girls abandoned at birth or sold into prostitution. A modern-day saint, Amy Carmichael has empowered countless women and inspired generations of missionaries and activists. The practical advice and wisdom in these selections, culled from her many books, show why she continues to be a trustworthy spiritual guide for anyone seeking to follow God's path whatever the cost"--

plans to my friends, they convince me to ask Jake Jackson for help. Jake, the best friend who's been there for me through thick and thin. Jake, who also happens to be smart, funny, ridiculously good looking, and the winner of all the genetic lotteries. So when Jake takes me up on my request—with the stipulation that we get the job done the old-fashioned way—I'd be a fool to decline. The only problem? I don't know if I can separate sex from all the things I feel for this amazing man. If I can't keep my heart under lock and key, I risk losing the relationship I need the most. Jake has his own reasons for granting my baby wish. But when I discover his secrets, it could mean the end of us. I have to choose—run or stay and fight for love. Fall for the boys of Jackson Harbor in Lexi Ryan's sexy new contemporary romance series. These books can all be read as standalones, but you'll enjoy reading them as a series!

ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything. Reckless Love - John Newton
2018-05-15

Its momentum building, the “Jesus Movement” is unfolding, with Episcopalians longing to embody our branch of the movement in the world. John Newton’s contribution is this look at God’s reckless love. His aim is not for the head, but for the heart, to connect people with their passion and love for Jesus Christ, reawakening what may be dormant, because ultimately, it is not clever ideas but passion that mobilizes people. The Jesus Movement is not about our move toward God, but about a God who is for us in Christ Jesus, constantly moving toward fragile and broken humanity, recklessly loving us in all seasons and circumstances. Newton draws heavily from the gospels, and speaks to the grace of God in Jesus Christ. Each chapter begins with a gospel passage used to challenge the way we think about God, love, morality, grace, mission, evangelism, and the church. Three discussion questions in each chapter and the book can be

used as a 10-week study, with groups discussing two chapters at a time. Chapters are intentionally short, and each unpacks a specific episode in Jesus's life that illuminates the reckless love of God in Christ.

The Reckless Way of Love -
Dorothy Day 2017

How do you follow Jesus without burning out? "This thoughtful collection of Day's reflections incorporates abundant material for contemplation, all drawn from her extensive writings ... [which] reveal Day's signature honesty and frequent humor in addressing her hopes and fears and the sources of her inspiration.... This welcome compilation provides a window into the fundamental beliefs

that undergirded Day's life of faith." --Publishers Weekly, starred review In this guidebook Dorothy Day offers hard-earned wisdom and practical advice gained through decades of seeking to know Jesus and to follow his example and teachings in her own life. Unlike larger collections and biographies, which cover her radical views, exceptional deeds, and amazing life story, this book focuses on a more personal dimension of her life: Where did she receive strength to stay true to her God-given calling despite her own doubts and inadequacies and the demands of an activist life? What was the unquenchable wellspring of her deep faith and her love for humanity?
