The Wedding Clause - Alexandra Ivy
 2017-02-14

Dear Reader, Long before I wrote my sexy paranormal romances, I wrote traditional Regency romances as Debbie Raleigh. Now I'm thrilled that one of my favorites is available once more, as fresh and delightfully surprising as ever... Molly Conwell's life has been quite unremarkable—until she learns the startling details of her late employer Lady Woodhart's will: The sum of 30,000 pounds will be divided equally between the deceased's grandson, Viscount "Hart" Woodhart, and Molly if they wed. If one or the other fails to appear, then the present party receives the entire fortune. Molly has no intention to wed Hart, but if she inherits the money she could help her brother regain his proper place in Society. Besides, she's convinced that her prospective groom, who has always accused her of being a fortune hunter, will not present himself. As Molly embarks on a daring

charade, she discovers a fierce opponent in Hart—and an even fiercer desire for this dangerously handsome man who may prove impossible to resist... I'm newly captivated by this tale of unexpected love, and believe you will be too.

But then the clergyman is found slain in a church—his face burned by chemicals, his throat slashed ear to ear—and Wrexford finds himself the chief suspect. An artist in her own right, Charlotte Sloane has secretly slipped into the persona of her late husband, using his nom de plume, A.J. Quill. When Wrexford discovers her true identity, she fears it will be her undoing. Now I'm thrilled to share my favorites with a whole new readership, including this first book in a trilogy about three heroes—men united by friendship, a mysterious legacy, and a talent for seduction . . . When Fredrick Smith embarks on a search for the truth about his errant father, he is immersed in the past. But when he meets alluring Mrs. Portia Walker, the future—and her surrender—cannot come quickly enough. If only Fredrick can melt her fiercely independent, icy reserve. He cannot know Portia has sworn no man will control her destiny ever again. Yet vows are no match for a desire that could be the most exquisite bliss . . . I hope you enjoy reading these sensual, romantic tales as much as I enjoyed writing them! With love, Alexandra Ivy

1878 ~ The girls at Madame Chambon's high-class House of Assignment offer beauty, wit, and companionship to London's wealthy and titled gentlemen. It's all too easy to fall from grace in Victorian London. Madame Chambon's House of Assignment might not be for the respectable but

it does offer a second chance at love. SAVING GRACE 'Pretty Woman' set in Victorian London. Grace Fortune is one of Madame Chambon's most sought-after escorts. But as Grace prepares for her next job as the special initiation 'gift' procured by a mother in fashionable Mayfair for her son's twenty-first birthday, she has planned a diversion of a different kind. One that will give her satisfaction for the wrongs that plunged her into this hated life. However, when Grace crosses the threshold of the address where she once served in a very different capacity, nothing goes as expected. FORSAKING HOPE Two years ago, Felix Lord Durham believed that Hope, the vicar's beautiful daughter, had chosen to live in Germany as a governess rather than accept the marriage proposal he'd hinted at. Now the divine "Miss Hope" is in Felix's bed - a surprise gift from his friends designed to lift his spirits and sourced from London's most exclusive brothel, Madame Chambon's. Despite feeling betrayed, Felix can't bear to lose her again, but Hope Merriweather is bound to her new life by a dark secret. Having sacrificed the man she loves once already, she must choose again: Honour or her heart's desire? KEEPING FAITH Revenge is sweet until it breaks your heart. Four years ago, Faith's mysterious benefactress falsely accused her of stealing and deposited her in Madame Chambon's exclusive brothel. There, Faith was to learn how to enthrall London's noble gentlemen with her learning in philosophy, politics, and art. Her body was to be saved for the greatest enticement of all: revenge. WEDDING VIOLET When Max, Lord Belvedere, is abandoned at the altar, he believes his dreams have come true! All that's needed to secure his freedom is to reassure his ailing Aunt Euphemia that he really is serious about finding a bride. Wrapped up in the delightfully diverting arms of Violet Lilywhite while visiting London's most prestigious House of Assignment, Max hits upon the perfect plan. A pretend wedding to a 'penniless shop girl' should fulfill Aunt Euphemia's romantic dreams without losing him his newfound liberty. CHRISTMAS CHARITY Reluctant courtesan, Charity, has found true love with Hugo, her first and only client. But when poet and artist, Hugo, is tricked into gambling away his impending inheritance, Charity finds herself at the mercy of Madam

Chambon and her infamous house of ill-repute. A sweet Romeo and Juliet romance featuring two young people determined to overcome those more powerful who would keep them apart. LOVING LILY Kidnapped from the lunatic asylum in Brussels where she was despatched by her husband two years earlier, Lily, Lady Bradden, has more at stake than just proving her sanity. With no friends or support, her survival depends upon pleasing her abductor with her success at "communicating with the dead" at Mrs Moore's Wednesday seances. While Lily's strong resemblance to the deceased daughter of a nobleman draws the crowds, the attendance of several murder suspects at her séances garners the interest of principled newspaper editor, Hamish McTavish. Is the mysterious and enigmatic beauty complicit in the scam? Hamish's sizzling attraction to her complicates

his investigation while her hot and cold responses to him undermine his trust. As intrigue and deceit embroil Lily, she fears she is destined to be the next murder victim. But just as she is ready to reveal her heart to Hamish, Lily realises she has been set up to appear the villain in his eyes.
