The Tortured Smile - Jeffrey C. Armstrong
2011-02-23

As children, many of us have had dreams and aspirations of what we hoped to achieve in our future. But for some of us, we only hoped that our tortured lives are nothing but a mere dream. However, for Kelly Anderson, this hope is too much to ask because her nightmares are indeed real. As long as she can remember, Kelly had been surrounded by violence and dysfunction.

Having a mother who was emotionally unavailable and a father who was a violent alcoholic, it is no wonder Kelly felt abandoned and alone the first time she was raped. But Kelly would soon learn that her only escape from her torture is by death. This is the true story, based on actual events, of a child's struggle to cope with the pain and confusion of physical and sexual abuse. In this disturbing story, you will experience life through the eyes of the victims as well as the victimizers. You will follow Kelly's quest to find love, freedom and serenity amid so much turmoil. You will feel Kelly's pain and understand what really lies beneath: THE TORTURED SMILE

A Most Extraordinary Pair - Jean Detre 1975

Vermont Valentine - Kristin Hardy 2011-11-15
"IN EVERY GENERATION OF TRASKS LIVES ONE MAN BORN TO BE ALONE...." And Jacob was clearly his generation's representative. Because while his brothers sought their livelihoods—and loves—elsewhere, he knew he had to stay where he belonged. Where he was needed. And where eligible women were as rare as an eighty-degree day in January... And then came a possible danger to his beloved family farm. The bearer of bad news? A petite, gorgeous, non-stop talker named Celie Favreau. And though captivated by Jacob's rugged good looks and piercing blue eyes, she had to stay on track. She'd come to warn of a threat to his trees. The threat to his heart was merely incidental....

Now We Will Be Happy - Amina Gautier 2014-09-01

Now We Will Be Happy is a prize-winning collection of stories about Afro-Puerto Ricans, U.S.-mainland-born Puerto Ricans, and displaced native Puerto Ricans who are living between spaces while attempting to navigate the unique culture that defines their identity. Amina Gautier's characters deal with the difficulties of bicultural identities in a world that wants them to choose only one. The characters in *Now We Will Be Happy* are as unpredictable as they are human. A teenage boy leaves home in search of the mother he hasn't seen since childhood; a granddaughter is sent across the ocean to broker peace between her relatives; a widow seeks to die by hurricane; a married woman takes a bathtub voyage with her lover; a proprietress who is the glue that binds her neighborhood cannot hold on to her own son; a displaced wife develops a strange addiction to candles. Crossing boundaries of comfort, culture, language, race, and tradition in unexpected ways, these characters struggle valiantly and doggedly to reconcile their fantasies of happiness with the realities of their existence.
