Spirit Junkie - Gabrielle Bernstein 2011-10-03

'Stylish, straight-talking and switched on... her tell-it-like-it-is tactics are attracting a new audience.' Sunday Times Style magazine In *Spirit Junkie*, Gabrielle Bernstein shares the story of her spiritual journey and shows you how you, too, can overcome the fears that paralyze you and manifest the greatest joy in your life. Before she became an international bestselling author and teacher, Gabrielle Bernstein kept a journal of self-loathing, self-doubt and calorie consumption for more than twenty years. That all changed when she discovered A Course in Miracles, which taught her that much of what she feared in life was not frightening at all and, in many cases, not even real. Bernstein guides you through the life-changing lessons that she has lived and learned in three parts: · 'The Detour into Fear' explains how our minds go wrong and why we become accustomed to fearful ways of being. · 'The Answer' provides the necessary tools for reconditioning our minds back to peace and joy. · 'The Miracle' helps you maintain your happiness and share it with the world. By understanding and changing our perceptions, resentments will release, hang-ups will melt away and a renewed faith in joy will be reignited.

SignMates - Bernie Ashman 2012-07-08
Somehow, your relationship that started out so wonderfully is having problems. Or perhaps you'd like to anticipate what problems could occur in a potential relationship. More importantly, you need to know how to resolve the problems. Problems of interpersonal relationships are most often caused because everyone has conscious and unconscious needs and behaviors that can conflict with those of another. Recognizing and dealing with them can save relationships. You'll find out how to do this in Bernie Ashman's SignMates. Contrary to what some people think, your astrological sign doesn't "force" you to do anything. It is simply an indicator of what you are. By understanding how the signs relate, you can better understand relationships and how to overcome problems that may arise. In a nutshell, that is what this book will do for you. The book relates potential problems in a relationship between every sign of the zodiac. For example, if you are a Virgo and your partner is a Scorpio, you may play the "Sabotage Game," where you make it difficult for your partner to reach goals because of unresolved anger or jealousy. To deal with this

you need to become aware of negative, unproductive comments and support your partner. Two other games and coping strategies are given. Or perhaps you are a Libra and your partner is an Aquarius. You may experience the "Lovers and Strangers Game" where your sense of closeness vacillates between extremes. This is a test to see if you can handle emotional heat. You have to be willing to simply and honestly discuss your feelings. Again, two more games and strategies for dealing with the conflicts that cause them are given. No matter what sign you and your partner are, this book will pinpoint the potential pitfalls and how to deal with them. Also included for each pairing is the good news, a "rainbow" at the end of the difficulties, which indicates how great such a relationship can be. Ideal for both non-astrologers and astrological pros, this book can help save your relationship. Star-crossed - Minnie Darke 2019-03-05

In this sparkling romantic comedy, a young journalist tampers with her magazine's horoscopes to win her friend's heart - and sets in motion an unpredictable and often hilarious ripple effect . . . When Justine Carmichael (Sagittarius, aspiring journalist and sceptic) bumps into her old friend Nick Jordan (Aquarius, struggling actor and true believer) it could be by chance. Or it could be written in the stars. Justine works at the Alexandria Park Star - and Nick, she now learns, relies on the magazine's astrology column to guide him in life. Looking for a way to get Nick's attention, Justine has the idea of making a few small alterations to 'Aquarius' before it goes to print. It's only a horoscope, after all. What harm could it possibly do? 'Star-crossed is the funny, clever, big-hearted romance of the year. Brilliant!' Heather Rose, bestselling author of The Museum of Modern Love 'This delightful debut will leave you with a warm glow . . . In every way a delight, Star-crossed was so much fun this reviewer fell head over heels for it. If you loved David Nicholls' One Day, go out and buy this now.' Herald Sun 'An absolutely adorable Australian romcom . . . the very definition of feelgood.' Red Magazine (UK) '[A] glorious romantic comedy . . . This is one dazzling, versatile writer, working with impeccable skill, sharp wit and frolicsome charm.' Weekend Australian 'I loved this completely . . . a bright, brilliant, joyful little love

story that spreads into the size of a small town, with its chorus of voices. A total triumph.' Josie Silver, #1 New York Times bestselling author of One Day in December 'Simply unputdownable. A joy to read, addictive as all heck, this has got to be my favourite book of 2019 thus far.'

Samantha Bond, Glamadelaide.com.au Fight Like A Girl - Clementine Ford 2018-08-02 An incendiary debut taking the world by storm, Fight Like A Girl is an essential manifesto for feminists new, old and soon-to-be. Online sensation and fearless feminist heroine, Clementine Ford is a beacon of hope and inspiration to thousands of women and girls. In the wake of Harvey Weinstein and the #MeToo campaign, Ford uses a mixture of memoir, opinion and investigative journalism to expose just how unequal the world continues to be for women. Personal, inspiring and courageous, Fight Like A Girl is an essential manifesto for feminists new, old and soon-to-be. The book is a call-to-arms for women to rediscover the fury that has been suppressed by a society that, despite best efforts, still considers feminism to be a threat. Urgently needed, Fight Like a Girl is a passionate, rallying cry that will awaken readers to the fact they are not alone and there's a brighter future where men and women can flourish equally - and that's something worth fighting for.
