One Flew Over the Cuckoo's Nest Ken Kesey 2011-08-23 Pitching an extraordinary battle between cruel authority and a rebellious free spirit, Ken Kesey's *One Flew Over the Cuckoo's Nest* is a novel that epitomises the spirit of the sixties. Tyrannical Nurse Ratched rules her ward in an Oregon State mental hospital with a strict and unbending routine, unopposed by her patients, who remain cowed by mind-numbing medication and the threat of electroshock therapy. But her regime is disrupted by the arrival of McMurphy - the swaggering, fun-loving trickster with a devilish grin who resolves to oppose her rules on behalf of his fellow inmates. His struggle is seen through the eyes of Chief Bromden, a seemingly mute half-Indian patient who understands McMurphy's heroic attempt to do battle with the powers that keep them imprisoned. The subject of an Oscar-winning film starring Jack Nicholson, *One Flew Over the Cuckoo's Nest* an exuberant, ribald and devastatingly honest portrayal of the boundaries between sanity and madness. 'A glittering parable of good and evil' *The New York Times Book Review* 'A roar of protest against middlebrow society's Rules and the Rulers who enforce them' *Time* 'If you haven't already read this book, do so. If you have, read it again' *Scotsman*

Cuckoo Song Frances Hardinge 2015-05-12 "Full of rich language that is reminiscent of an old fairy tale. . . . [a] spine-chilling, creative work [and] a well-wrought fantasy." —*School Library Journal* (starred review) Following a mysterious incident that leaves her feverish and sopping wet, Triss awakens to a world that's eerily off-kilter. Her memories are muddled, her sister despises her, and when she brushes her hair, out come crumbled fragments of leaves. Is she going mad? Or has she endured a nightmarish chain of events? Is this related to the illnesses she's had since her brother died in the Great War? And why is she so hungry? In her search for the truth, Triss ventures from the shelter of her parents' protective wings into the city's underbelly. There she encounters strange creatures whose grand schemes could forever alter the fates of her family, in an unnerving tale of one girl's struggle to confront her darkest fears. "Few authors can evoke a twinned sense of terror and wonder better . . . Vivid, frightening, and inventive, with narrative twists and turns. . . . A piercing, chilling page-turner." —*Booklist* (starred review) "Nuanced and intense." —*Kirkus Reviews* (starred review) "Quiet but elegant prose moves the story seamlessly from an effectively creepy horror tale to a powerful, emotionally resonant story of regret and forgiveness." —*Bulletin of the Center for Children's Books* (starred review) "Gorgeously written and disconcerting . . . Hardinge delves deeply into the darker side of family life." —*Publishers Weekly* (starred review) "Cuckoo Song transcends its teen-reader designation. The psychological and historical nuances . . . will mesmerize older readers as well." —*BookPage*

Woman on the Edge of Time Marge Piercy 2020-03-05 'One of those rare novels that leave us different people at the end than we were at the beginning.' GLORIA STEINEM 'She is a serious writer who deserves the sort of considered attention which, too often, she does not get...' MARGARET ATWOOD

Often compared to Margaret Atwood's *The Handmaid's Tale* and Naomi Alderman's *The Power* - *Woman on the Edge of Time* has been hailed as a classic of speculative science fiction. Disturbing and forward thinking, Marge Piercy's remarkable novel will speak to a new generation of readers. Connie Ramos has been unjustly incarcerated in a mental institution with no hope of release. The authorities view her as a danger to herself and to others. Her family has given up on her. Beware the Cuckoo Julie Newman 2021-05-31 A reunion between childhood friends stirs up the traumas of the past—and poses a threat in the present. . . As a young, deeply insecure girl, Karen was targeted, and traumatized, by her friend Sandra's father. Now, decades later, he is dead—and Karen has been reunited with Sandra, whom she hasn't seen in ages. Against her better judgment, she agrees to meet Sandra at a nearby restaurant, and Sandra proves to be just as thoughtless and self-absorbed as she was back when the two of them and their friend Yvonne were attending school dances together. Karen has a husband and children now, and they live in a beautiful home thanks to a successful family business. Sandra is supposed to be in town only temporarily, so Karen tolerates her excessive drinking and intrusive questions. But things become more difficult as her life starts to go awry—and as this taut, unsettling novel moves between past and present, secrets come to the surface and both women will come to understand the true cost of betrayal. . .

The Lie Tree Frances Hardinge 2016-04-19 Costa Book of the Year: This novel of science, magic, murder, and a determined Victorian-era teenager is a "heady concoction . . . absolutely unforgettable" (Kirkus Reviews, starred review). Faith Sunderly leads a double life. To most people, she is modest and well-mannered—a proper young lady who knows her place. But inside, Faith is burning with questions and curiosity. She keeps sharp watch of her surroundings and, therefore, knows secrets no one suspects her of knowing—like the real reason her family fled to the close-knit island of Vane. And that her father's death was no accident. In pursuit of revenge and justice for the father she idolizes, Faith hunts through his possessions, where she discovers a strange tree. A tree that bears fruit only when she whispers a lie to it. The fruit, in turn, delivers a hidden truth. The tree might hold the key to her father's murder. Or, it might lure the murderer directly to Faith herself, for lies—like fires, wild and crackling—quickly take on a life of their own. "Frances Hardinge has joined the ranks of those writers of young-adult fiction, like Philip Pullman, whose approach to fantasy proves so compelling that they quickly develop an adult following, and *The Lie Tree* is a good demonstration of why this is so . . . [a] page-turner." —Locus "The time is nineteenth-century England just after Darwin's theory of evolution has thrown the scientific world into turmoil; the setting is the fictional island of Vane, between land and sea; the main character is a fourteen-year-old girl caught between society's expectations and her fierce desire to be a scientist. . . . A stunner." —The Horn Book (starred review) "A murder mystery that dazzles at every level, shimmering all the more brightly the deeper down into it you go." —Chicago Tribune "Haunting, and darkly funny . . . features complex, many-sided characters and a clear-eyed examination of the deep sexism of the period, which trapped even the most intelligent women in roles as restrictive as their corsets." —Publishers Weekly (starred review) "Hardinge, who can turn a phrase like no other, melds a haunting historical mystery with a sharp observation on the dangers of suppressing the thirst for knowledge." —School Library Journal (starred review)

The New Mother (and other stories) Lucy Lane Clifford 2012-11-08 The writings of Lucy Lane Clifford (who also wrote as Mrs W K Clifford) were for almost a century completely lost to obscurity, but during her lifetime this extraordinary woman was a friend and confidant of Henry James, Rudyard Kipling, Thomas Hardy and other luminaries of the day. This collection contains possibly her best works. Her writings, originally penned as cautionary didactic tales for Victorian children, present themselves as a cycle of unique fables of existential dread and alienation, worthy (at their best) of a Kafka or Borges. Ranging from paeans to autism ('Wooden Tony' or 'The Paper Fish') or surreal horror ('The New Mother') this collection asks for Mrs Clifford to be reappraised as a precursor to 20th century and 21st century literature. This collection has been augmented with collages by artist D M Mitchell to show the link to such allegorical artists as Leonora Carrington, Max Ernst and Toyen.

When Elsie and Bert Jones move with their children, Ann and Arthur, to Candle Lane, a modest street in Battersea, they miss their comfortable house in Wimbledon. But the move is the right thing to do, while Bert starts a new business. They are a warm-hearted family and Elsie soon makes friends with her less fortunate neighbour, Ruth, and her daughter Sally. But before long Elsie realises that all is not well in the house next door... Perfect for fans of Nadine Dorries and Katie Flynn, this is a rags to riches story from the Sunday Times bestselling author of A Mother's Sacrifice and A Family Scandal.

Surge Jay Bernard 2019-06-20 ****Winner of the 2020 Sunday Times/University of Warwick Young Writer of the Year Award**** Jay Bernard's extraordinary debut is a fearless exploration of the New Cross Fire of 1981, a house fire at a birthday party in which thirteen young black people were killed. Dubbed the 'New Cross Massacre', the fire was initially believed to be a racist attack, and the indifference with which the tragedy was met by the state triggered a new era of race relations in Britain. Tracing a line from New Cross to the 'towers of blood' of the Grenfell fire, this urgent collection speaks with, in and of the voices of the past, brought back by the incantation of dancehall rhythms and the music of Jamaican patois, to form a living presence in the absence of justice. A ground-breaking work of excavation, memory and activism - both political and personal, witness and documentary - Surge shines a much-needed light on an unacknowledged chapter in British history, one that powerfully resonates in our present moment. 'The verse has anger and political purpose, but a rare lyrical precision, too. The combination is powerful' Sebastian Faulks, Spectator, Books of the Year 2020 ***Winner of the Ted Hughes Award for New Work in Poetry*** ***Shortlisted for the Costa Poetry Award; T.S. Eliot Prize; Forward Prize for Best First Collection; Dylan Thomas Prize; RSL Ondaatje Prize; John Pollard Foundation International Poetry Prize*** ***Longlisted for the Jhalak Prize 2020***

The Cuckoo's Nest A. Sethumadhavan (Sethu) 2019-11-10 The cuckoo's nest is the story of Madam Agatha, a former devout nun who, after renouncing the order, decides to take up the cudgels for the cause of tolerance and pluralism. She decides to set up a unique institution called 'nest' for empowering the hapless girls from all over the country, discarded by society. The paramount condition set by her is that none of the Resident girls are allowed to talk of their religion or caste inside the campus. The novelist attempts to portray the kind of challenges she has to face from vested interests all around while working towards secularism, and how she manages to swim against the tide. The Theme is quite contemporary and topical, and some of the issues treated in this novel are staring Indian society and Polity in the face today. One increasingly comes across certain divisive forces trying to promote othering in order to disturb the cultural and communal harmony in the country. It is significant here that the eternal optimistic Agatha believes strongly that even in this darkest hour, all is not lost. And she continues her fight for what she thinks is right. This novel works like a soothing balm for the human spirit, tired and beaten down by false ideologies.
