**Rethinking Sexuality** - Dr. Juli Slattery  
2018-07-24

This ground-breaking resource challenges and equips Christians to think and act biblically and compassionately in matters of sexuality. Sexual abuse, sex addiction, gender confusion, brokenness, and shame plague today's world, and people are seeking clarity and hope. By contesting long-held cultural paradigms, this book equips you to see how sexuality is rooted in the broader context of God's heart and His work for us on earth. It provides a framework from which to understand the big picture of sexual

challenges and wholeness, and helps you recognize that every sexual question is ultimately a spiritual one. It shifts the paradigm from combating sexual problems to confidently proclaiming and modeling the road to sacred sexuality. Instead of arguing with the world about what's right and wrong about sexual choices, this practical resource equips you to share the love and grace of Jesus as you encounter the pain of sexual brokenness--your own or someone else's.

[Beyond the Masquerade](#) - Juli Slattery  
2012-10-17

Many Christian women today are wearing masks. From an early age, we are taught that to be valuable we need to do more, to be more. To feel worthy, we learn to hide behind the masks of our accomplishments, physical appearance, intelligence, education, relationships—even our work in the church. But those masks separate us from God, from other people, and from our true selves. Thankfully, there is hope. We can remove our masks and trust Christ to see us as we really are . . . but it takes humility. To examine our hearts, motives, and past experiences requires honesty and confession. But beyond the masquerade, Christ can heal and transform our lives, freeing us from bondage.

[Finding the Hero in Your Husband, Revisited](#) - Juli Slattery  
2021-10-19

When our plans for marriage improvement begin with "If my husband would . . ." or "If, as a couple, we could . . ." we're missing the secret. Despite her man's flaws and failures, the Lord plans to bless a wife's marriage through her husband. *A Wife's Secret to Happiness* shares eleven powerful, practical blessings that God wants to pour into your lap like sweet spiritual confetti, and the wifestyle habits that will attract or reject this divine provision. *Love Signs and You* - Rochelle Gordon 2003  
*Love Signs and You* is the definitive volume of romantic astrology.

**Deeper Dating** - Ken Page 2014-12-30

With exercises, practical tools, and inspiring stories, *Deeper Dating* will guide you on a journey to find the love—and personal fulfillment—you long for. Lose weight. Be

confident. Keep your partner guessing. At the end of the day, this soulless approach to dating doesn't lead to love but to insecurity and desperation. In *Deeper Dating*, Ken Page presents a new path to love. Out of his decades of work as a psychotherapist and his own personal struggle to find love, Page teaches that the greatest magnet for real love lies in our "Core Gifts"—the places of our deepest sensitivity, longing, and passion. *Deeper Dating* guides us to discover our own Core Gifts and empowers us to express them with courage, generosity, and discrimination in our dating life. When we do this, something miraculous happens: we begin to attract people who love us for who we are, we become more self-assured and emotionally available, and we lose our taste for relationships that chip away at our self-esteem. Without losing a pound, changing our hairstyle, or buying a single new accessory, we find healthy love moving closer . . . *Deeper Dating* integrates the best of human intimacy theory with timeless spiritual truths and translates them into a practical, step-by-step process.

**Sex and the Single Girl** - Dr. Juli Slattery  
2017-08-01

A study on sex that goes beyond "just don't do it." Sexuality is a hot topic these days, and opinions are all over the place. A resource offering simple "do's and don'ts" won't cut it. *Sex and the Single Girl* fills the gap by providing a broader, more comprehensive understanding of what it means to honor God with our sexuality. This resource will equip single women to understand their sexuality, trust the Lord for redemption and healing, and stand against the cultural trends that marginalize and compromise God's design for sex. Juli Slattery is a clinical psychologist, cofounder of *Authentic Intimacy*, and author of several popular books, including *25 Questions You're Afraid to Ask About Love, Sex, and Intimacy*. She has devoted the last five years to equipping women with God's truth about sexuality, and here she drives home the truth that every sexual choice is also a spiritual choice. The six-week study is broken down into five days for each week, covering: *Why Sexuality Matters: The connection between spirituality and sexuality* *Embracing a Grand Design: God's design and the beauty of living according to His*

wisdom. *Sexuality and Your Character: How sexuality is part of worship and Christian identity.* *Sexual Boundaries: A very practical chapter providing a biblical grid for matters like masturbation, oral sex, and how far is too far to go in a dating relationship.* *Battling Temptation: A peak at "the enemy's playbook," helping women anticipate, prepare for, and stand against sexual temptation.* *Restoring Intimacy with God: How God can tear down the wall of sexual sin, shame, and confusion through forgiveness and redemption.* This study has been tested through pilot groups with college women and other 20somethings. Revised according to their feedback, it is primed and ready to help any single woman think biblically about sexuality, live accordingly, and experience the joy and freedom of doing so. *Sex and the Single Girl* is especially relevant today. One of the greatest threats to the modern church and emerging adults is the distortion of sexual design. Study after study has documented the proliferation of porn use (among both men and women), sexual exploitation on college campuses, experimentation with homosexuality and bi-sexuality, and the acceptability of multiple sexual partners. The average single Christian has received very little teaching on the purpose of sexuality, and a simple "just wait until you're married" approach won't cut it. Christian singles need to be equipped with a biblical worldview of sexuality and practical tools for talking it out. This study, which Slattery created with two women familiar with curriculum development, is ideal for college campuses and small groups. It will prompt discussions on practical topics like sexual temptation, sexual conduct, and responding to cultural thinking on gender issues and sexual autonomy. It is designed to challenge women to examine the assumptions underlying their sexual behaviors and beliefs. The ultimate goal of this resource is to introduce women to an intimate relationship with God who cares about every aspect of her life.

[Beyond Order](#) - Jordan B. Peterson 2021-03-02

The inspirational sequel to 12 RULES FOR LIFE, which has sold over 5 million copies around the world - now in paperback In 12 Rules for Life, acclaimed public thinker and clinical psychologist Jordan B. Peterson offered an antidote to the chaos in our lives: eternal truths applied to modern anxieties. His insights have helped millions of readers and resonated powerfully around the world. Now in this long-awaited sequel, Peterson goes further, showing that part of life's meaning comes from reaching out into the domain beyond what we know, and adapting to an ever-transforming world. While an excess of chaos threatens us with uncertainty, an excess of order leads to a lack of curiosity and creative vitality. *Beyond Order* therefore calls on us to balance the two fundamental principles of reality - order and chaos - and reveals the profound meaning that can be found on the path that divides them. In times of instability and suffering, Peterson reminds us that there are sources of strength on which we can all draw: insights borrowed from psychology, philosophy, and humanity's greatest myths and stories. Drawing on the hard-won truths of ancient wisdom, as well as deeply personal lessons from his own life and clinical practice, Peterson offers twelve new principles to guide readers towards a more courageous, truthful and meaningful life.

**Pulling Back the Shades** - Juli Slattery 2014 With solid Biblical teaching and transparent stories, trusted authors Dannah Gresh and Dr. Juli Slattery offer an unflinching look at the most personal questions women ask. The book offers practical advice for women to address five core longings: to be cherished by a man, to be protected by a strong man, to rescue a man, to be sexually alive, to escape reality. God designed women with these longings and has a plan to satisfy them. It's time for women to identify their intimate longings and God-honoring ways to fulfill them.

*No More Headaches* - Juli Slattery 2011-09-09 Both husbands and wives can be extremely frustrated by the differences in sexual needs and expectations between them. This frustration manifests itself as fighting, resentment, feelings of either guilt or rejection, and general marital strife. There are few safe and appropriate places to ask the questions about sex that frustrate and

confuse women most. In *No More Headaches*, Juli Slattery provides that place with honest answers that target women's specific needs. Her warm and compassionate style come through as she examines the underlying issues that prevent couples from having a satisfying sex life. Helping husbands and wives understand and address the sexual relationship with their spouse will improve the marriage by reducing stress and frustration in that area, which will reduce stress in other areas of marriage as well. Each chapter contains questions for reflection and questions for couples to discuss. Juli Slattery has extensive experience speaking to women about marriage, parenting, and family issues at retreats and conferences as well as on television and radio.

**Passion Pursuit** - Linda Dillow 2013-07-22

A Bible study about sex for women? Now that's different! This new study, *Passion Pursuit: What Kind of Love Are You Making?*, lets God's Word speak about sex as being holy and erotic, blessed by God, and satisfying far beyond what the world can even imagine. Picture that as a headline on the cover of *Cosmopolitan*! By using scripture throughout the Bible, *Passion Pursuit* not only urges women to pursue passion but details how God has given them permission to do so. Though there is fun to be had along the way in this study, it hits hard on the questions women have but are hesitant to ask, like: What does God say is okay and not okay in the bedroom? I'm 54 years old; how can my husband still be attracted to me? Why did God make men and women so different? This audaciously bold study combines the psychological expertise of Dr. Juli Slattery, formerly of Focus on the Family, along with moving stories from trusted Bible teacher and best-selling author Linda Dillow. The groups who have already done this study have seen their marriages come alive, whether they've been married four months or forty years; be next!

themselves. But as we age, our progression into and throughout our own sexual adulthood we will gain greater insights, experience, and wisdom surrounding the topic of sex that will fully transform our emotional and sexual responses to the word. At a young age, the common knee-jerk reaction to "sex-talk" may include disgust, curiosity, or blatant ignorance and avoidance. This reaction is common due to the minimal information individuals of a younger age may have about sex. Without having gained any understanding of the word, or the act itself, engaging in a serious conversation about the topic of sex is something the majority of younger people simply refuse to do. Fast forward to a few years in the future, and a handful of sexual encounters later, those same individuals will now experience new reactions that may include lusting over someone of the opposite sex or a sense of longing for the intimate touch of another. Disdain may also surround their emotions in relation to sex due to still having certain inexperience with the subject. Frustration may be mixed in there as well because their sex-life is not of the lavish quality others may be able to relate to. Maybe even a hint of confidence could be found within this individual as they acquire their few first hand experiences, leaving them to feel as though they are older and now much wiser because of it. After becoming a parent your definition of sex more often can mean something you never thought it would, or if you are one of the lucky few the act has become everything you have ever imagined it to be. Triggered emotions of feeling hopeful, happiness, adornment, contentment, or grave anticipation for your next sexual encounter with your partner are more

common at this stage. Also more commonly found is an even better understanding of what sex means to you.
