The Hidden Resource of God's Power - Bill Vincent 2022-04-11

This book contains all of the teachings I've learnt as I've come to know the Lord. He was my closest friend, and all of this may be located in the hidden location. Prior to this insight, I had little to no access to God's power. It is past time for the Church to become more powerful. Everyone desires to have someone lay hands on them and impart God's power. Real impartation may hold some truth, but it will not come without a cost. This book has taken a long time to come, but it is essential. You'll

discover how to defeat religion, grow closer to God, discover God's power, and experience Heaven. God told me that this book was written to help His people discover the Secret Place and His Power.
