Footsteps in the Dark Georgette Heyer 2007-01-04 The Priory may be ramshackled in appearance, but Peter, Margaret and Celia, who have inherited it from their uncle, love it for its rambling charm. But there's more to this house than is at first apparent: for years hardly a single person has set foot in the place, and even their uncle chose to live in a different house, far away from this particular property. Local wisdom says that the house is haunted. And when things start going bump in the night, it certainly seems as if something ghostly is walking the Priory's halls. Then a murder is committed. Does the key to solving the crime lie in the realm of the supernatural? Or is the explanation much more down to earth? To Love During War Joanne Wadsworth 2019-02-22 To Love During War is the sweet/tame version of The Wartime Bride. My dearest hussar, Harry, from the day you arrived at St. Vincent's Fort six months ago, an undeniable attraction began to simmer away between us. Whenever I got too close to you, my traitorous heart skipped a dratted beat and butterflies would abound in my belly. You have tempted me with your honor and integrity, with your deep love for your family and your fellow soldiers-in-arms. I'm aware you will fight to the death to ensure Napoleon doesn't end up taking Portugal, and so will I. Our enemy cannot be permitted to rule all of Europe, or to force his way onto England's shores. I admire all that you are, but you are also from a titled English family and of far better blood than I. My true parents abandoned me as a wee baby and if not for the professor who adopted me, I would have been left to perish. That is why I will never attempt to take our friendship any deeper than I should. Days together enjoying companionable friendship is all that I've asked for, but this war keeps tearing us apart, as if we shouldn't even be permitted that much. Never fear for me, my hussar—we will both survive this coming battle. It is time for us to slay our enemy, to win this dratted war, then for you to return safely to your family. Yours in deep friendship, Julia. Each book in this series is standalone, and can be enjoyed out of sequence. SWEET REGENCY TALES SERIES The Duke Who Stole My Heart, #1

I understand your father is demanding you wed, something you've no intention of doing and I've agreed to your ruse, will gladly speak false marriage vows with you so you can be rid of the spy your father has tailing you. Unfortunately, I never expected to be kidnapped by that spy and tossed on a ship bound for the Mediterranean, or to learn from my captor that you're in fact a lost Prince of Naples and Sicily. Why couldn't you have shared the truth with me from the beginning? Please, take all care. I know you'll be captaining your ship in hard pursuit. Don't take any unnecessary risks. I have no intention of becoming your downfall. Your devoted friend, Olivia.
