Creole Religions of the Caribbean - Lizabeth Paravisini-Gebert 2011-07-11

A comprehensive introduction to the syncretic religions developed in the Caribbean region Creolization—the coming together of diverse beliefs and practices to form new beliefs and practices—is one of the most significant phenomena in Caribbean religious history. Brought together in the crucible of the sugar plantation, Caribbean peoples drew on the variants of Christianity brought by European colonizers, as well as on African religious and healing traditions and the remnants of Amerindian practices, to fashion new systems of belief. *Creole Religions of the Caribbean* offers a comprehensive introduction to the syncretic religions that have developed in the region. From Vodou, Santería, Regla de Palo, the Abakuá Secret Society, and Obeah to Quimbois and Espiritismo, the volume traces the historical-cultural origins of the major Creole religions, as well as the newer traditions such as Pocomania and Rastafarianism. This second edition updates the scholarship on the religions themselves and also expands the regional considerations of the Diaspora to the U. S. Latino community who are influenced by Creole spiritual practices. Fernández Olmos and Paravisini-Gebert also take into account the increased significance of material culture—art, music, literature—and healing practices influenced by Creole religions.

Dictionary of the Language of the Micmac Indians - Silas Tertius Rand 1888

This work from the late 1800's outlines a dictionary of the Mi'kmaq people who are native to Prince Edward Island. The work has a wonderful preface and several common phrases are given.

The Tourist Killer - Fc Etier 2012-11

In his first novel, FcEtier delves into the mindset of a masters candidate and the events that take the student on a career path to the top of a lonely profession. We meet 'The Shooter' as a mission is about to conclude and quickly become acquainted with a conflicted individual seeking resolution to inner conflicts as a phenomenal career enters its twilight years. Then another assignment comes up almost immediately. How does an individual become a target? Who makes the life-ending decision? The cast includes potential victims, security staffs, and several eccentric characters including an aging hippie who speaks only in song lyrics and a former FBI agent with diverse interests. The role of Julian F. Thibaut, the enigmatic billionaire member of the one percent of the one percenters, changes with the winds and adds doubt to the already unstable status quo. As the action proceeds on several fronts, the shooter battles conscience, hired killers, and burn-out while juggling relationships and attempts at normalcy. In this fast-paced story with political overtones, FcEtier

takes readers on a thrilling ride while addressing personal, business, and governmental ethics.

Demystifying Meaningful Coincidences (Synchronicities) - Gibbs A. Williams 2010-02-15
Demystifying Meaningful Coincidences (Synchronicities) is an original naturalistic theory of meaningful coincidences (synchronicities) as well as a blueprint for identifying, decoding, interpreting, and utilizing their embedded self-generated 'messages' in ways that are intellectually innovative and experientially useful. Interested readers are promised an experience that will unquestionably stimulate their self-awareness and, in so doing, expand their consciousness.

When God Created Mothers - Erma Bombeck 2005-03

When it first appeared in Erma Bombeck's Mother's Day column in 1974, *When God Created Mothers* was an instant success, clipped from newspapers, tucked into purses, and tacked onto refrigerators all over America. Now in this beautiful keepsake edition, Bombeck's moving words are paired with original art that bring to life the warm portrait of motherhood contained within. An angel marvels at the detail and overtime that the good Lord is putting into his creation of mothers. Despite the six pairs of hands and the three pairs of eyes that every mother needs, the angel thinks she has discovered a flaw: "There's a leak," she pronounced. "I told you that you were trying to put too much into this model." "It's not a leak," said the Lord. "It's a tear." "What's it for?" "It's for joy, sadness, disappointment, pain, loneliness and pride." "You are a genius," said the angel. The Lord looked somber, "I didn't put it there." Every mother will treasure this moving tribute, penned by America's most beloved expert on motherhood.

Texts and Practices - Carmen Rosa Caldas-Coulthard 2013-04-15

Text and Practices provides an essential introduction to the theory and practice of Critical Discourse Analysis. Using insights from this challenging new method of linguistic analysis, the contributors to this text reveal the ways in which language can be used as a means of social control. The essays in *Text and Practices*: * demonstrate how critical discourse

analysis can be applied to a variety of written and spoken texts * deconstruct data from a range of contexts, countries and spheres * expose hidden patterns of discrimination and inequalities of power *Texts and Practices*, which includes specially commissioned papers from a range of distinguished authors, provides a state-of-the-art introduction to critical discourse analysis. As such it represents an important contribution to this developing field and an essential text for all advanced students of language, media and cultural studies.

Amazon Peasant Societies in a Changing Environment - Cristina Adams 2008-12-02

Amazonia is never quite what it seems. Despite regular attention in the media and numerous academic studies the Brazilian Amazon is rarely appreciated as a historical place home to a range of different societies. Often left invisible are the families who are making a living from the rivers and forests of the region. Broadly characterizing these people as peasants *Amazon Peasant Societies in a Changing Environment* seeks to bring together research by anthropologists, historians, political ecologists and biologists. A new paradigm emerges which helps understand the way in which Amazonian modernity has developed. This book addresses a comprehensive range of questions from the politics of conservation and sustainable development to the organization of women's work and the diet and health of Amazonian people. Apart from offering an analysis of a neglected aspect of Amazonia this collection represents a unique interdisciplinary exercise on the nature of one of the most beguiling regions of the world.

Portrait of a Patriot - Josiah Quincy 2007

Tacky Goes to Camp - Helen Lester 2009-05-04

Tacky and his fellow penguins are off to summer camp in Nice Icy Land to enjoy themselves while Rock Hopping, Line Dancing, and playing Capture the Ice Cube. One night, they gather around the campfire to sing, eat s'mores, and tell scary stories. But after going to bed, something straight out of one of their scary stories pays the sleeping penguins a visit.

Goodly, Lovely, Angel, Neatly, and Perfect think they should high-tail it out of there, but it is Tacky—with some unexpected heroics—who saves the day. Includes lyrics to the official Camp Whoopihaha song!

Outlander - Diana Gabaldon 2015-02-12
THE FIRST NOVEL IN THE BESTSELLING OUTLANDER SERIES. As seen on Amazon Prime TV. What if your future was the past? 1946, and Claire Randall goes to the Scottish Highlands with her husband Frank. It's a second honeymoon, a chance to learn how war has changed them and to re-establish their loving marriage. But one afternoon, Claire walks through a circle of standing stones and vanishes into 1743, where the first person she meets is a British army officer - her husband's six-times great-grandfather. Unfortunately, Black Jack Randall is not the man his descendant is, and while trying to escape him, Claire falls into the hands of a gang of Scottish outlaws, and finds herself a Sassenach - an outlander - in danger from both Jacobites and Redcoats. Marooned amid danger, passion and violence, her only chance of safety lies in Jamie Fraser, a gallant young Scots warrior. What begins in compulsion becomes urgent need, and Claire finds herself torn between two very different men, in two irreconcilable lives. (Previously published as Cross Stitch)

Searching for Self - in Pursuit of Inner Peace - K R V HARI 2020-12-25
About the Book: This book explores our ideas of self, repeatedly revealing "who we are not" to

gently bring us into peace without attempting to alter our external conditions. It is well known that when we dissociate ourselves from all our worldly identities, we will naturally come to peace. This book lays out a clear roadmap to achieve enduring peace through detachment. But detachment does not mean renouncement of all types of pleasures and living a life of inactivity and boredom. In truth, detachment can relieve us of all the burdens and baggage we carry, leaving us free to enjoy all the genuine pleasures available on earth to the fullest. The only condition is that we must not cling to the pleasures but be ready to let them go freely. Hence our life here can be one of unending joy and achievement. About the Author: Born in 1960 in the rich culture of South India and educated in English, he was exposed to two opposing world views enabling him to achieve synergy and realize true harmony. He belongs to the linguistic community "Saurashtra" who were silk weavers patronised by kings of yore. His ancestors are said to have migrated from the western part of India to Tamil Nadu in the south several centuries ago. Born to a father who served in the lower ranks of the Indian Central Government and a mother who was less educated, he was brought up by his grandmother, a very traditional woman, in the extended family. With his two younger brothers he was afforded English education from the beginning that enabled him to become fluent in the language right from his childhood. Graduating in Agriculture from the Tamil Nadu Agricultural University in Coimbatore in 1982, he secured the prestigious position of Probationary Officer in State Bank of India, the premier bank in India. After a dedicated service of over two decades, he ventured out on his own to learn about real life outside the cocoon of privileged living that his parents and his job had offered him till then. Growing up in the country as India underwent its pangs of Westernisation, he was able to synthesise the self-oriented Western perspective with the community oriented native one to arrive at a wholesome concept of self after considerable efforts and experimentation. This book is the culmination of decades of efforts in discovering his real place in the world. Married to Vijayashree with a daughter Meenalochani, who has gifted him with

a lovely granddaughter, he lives in the Southern Indian cities of Bangalore and Coimbatore with his family and his aged aunt.

God Has Your B.A.Q. - Mark Hamric 2013-12
Have you ever taken the time to ask God some important questions about life or personal matters, or just asked for a little help in understanding the Bible? These are real questions from people of all walks of life; some of these questions are of a serious nature, and some are challenges to faith. I believe God has helped me to answer them from a biblical perspective. My own rocky walk through this valley of the shadow of death has taught me many things. Even as a Christian who has learned to rely on God, I still have my challenges; however, I can say with some confidence that the Lord is indeed my shepherd, and the answers I provide in this book come from that experience. My hope is that you will be awakened to deeper things and greater understanding of the God who loves you. Some topics of interest: Studying and Comprehending the Bible Prayer Morality Christianity Jesus Church Theology Other Religions Spiritual Gifts and the Supernatural Science and the Bible Sex, Marriage, and Relationships

Echoes in the Halls - Gordon McIntosh 1999-11
From the research labs at the University to remote lakes in Alberta and the Northwest Territories, *Echoes in the Halls* tells us the stories about the antics, the hijinks and the adventures of professors at the University of Alberta. A must-read for history buffs and University Alumni. "With so many wonderful memories, of people, events and achievements

over the years, it's no wonder that the University of Alberta Drama Department holds such a large place in my heart. And it's no wonder that I still come back for opening night." - Frank Bueckert
"No matter what the setting, however, I always found it immensely satisfying to teach undergraduates. It was fun. It was hard work. And there was always something further to come." - Ralph Nursall

Glooscap Legends - Stanley Spicer 2006
These stirring tales describe the life-history of Glooscap. Endowed with supreme powers, Glooscap, the benevolent warrior against evil, was credited with the creation of many wild creatures and the change in form of others. Even the land was influenced by his handiwork and several notable landmarks along the Fundy Coast are linked with this story. In *Glooscap Legends*, both famous and little-known legends are told of this god who made his home on the mountaintop of Cape Blomidon. He was a giant, a magician and a friend to the oppressed. This edition is illustrated by native artist Teresa MacPhee and includes a map of Glooscap landmarks.

Oathbound, 1 - Victoria McCombs 2022-02-08
Beware the waters. The dangerous deep brings ruin to all. Emme has spent her life avoiding anything to do with pirates. But the fates are cruel, and now a hidden sickness leads her to partner with pirates for the one thing that can save her--a cure on an island none are certain exists. The pirate captain's secrets are darker than the deep and threaten to kill them all. His obligations are tinged with betrayal, for his oathbind must be fulfilled. To ignore it is to invite peril of unimaginable destruction. As the adventure unfolds, the sea takes more than she expects and the sea gives more than he wants.
