Stalked by the Kraken - Lillian Lark
2021-06-28

A matchmaking witch, an ancient sea creature, and the sex contract they make. Welcome to the Love Bathhouse where desire and acceptance are in the water. The Witch Celibacy is a bad look for a matchmaker. Especially a matchmaker who works at the kind of paranormal bathhouse that would have grandmothers clutching their pearls. A worse look is a matchmaker experiencing a crisis of confidence. I am that matchmaker. We need raw magic, desperately. And now a mysterious man walks into my office, offering me the exact solution I need. The problem is that he wants to be matched... with me. Matching doesn't work for me; I found that out the hard way. The Kraken I saw her and the creature inside me wanted. She doesn't want a relationship. She says that the most we can have are the three nights she promised me, but the dark part of myself isn't going to let the woman who snared its attention go. I found her. I hunted her. She's mine. ****Stalked by the Kraken** is a monster romance that features tentacles. This book is a standalone and takes place in the same world as, and prior to the events of, *Three of Hearts* with some character crossover. Content Warning: Book includes breeding behavior and mentions infertility.

Mounted by a Monster: Boxed Set Volume 4 (Monster Breeding Paranormal Erotica) - Mina Shay

This boxed set contains five paranormal erotica stories. **Mounted by a Monster: Snake** (3,200 words) Janie works as an animal control specialist and she's used to having the upper hand with animals. But when she meets a half-man, half-snake she finds herself losing control of the situation, and then losing control of herself to the seductive shifter. **Mounted by a**

Monster: Boogiemán (3,400 words) Lauren's been a very bad young lady. While visiting home, she's provoked her Mom to send her to bed with the exclamation "The boogiemán's going to take you!" Lauren braces herself for the boogiemán's visit, because she plans on being the naughtiest she's ever been. **Mounted by a Monster: Kraken** (3,400 words) Something has been missing in the life of Lucy, a young woman constantly in search of adventure. Sailing on a private yacht in the Mediterranean Sea, adventure comes to her in the form of the massive Kraken. Much more than the sea monster it appears to be, the Kraken awakens Lucy to a life she never expected. **Mounted by a Monster: Nightmare** (3,200 words) Cathryn's been having terrible nightmares and they are destroying her sex life. She's decided to face her unnatural fears once and for all, and to do that she's got to control the demon haunting her dreams. Cathryn soon learns that control is almost impossible to keep in the throes of passion. Will she give in to her fears, or to her desires? **Mounted by a Monster: Leprechaun** (3,200 words) Janet makes a big mistake when she tries to steal some gold coins from a feisty leprechaun's pot of gold. What she doesn't realize is that Fergus has something big of his own, and it's no mistake. Now he's come to collect not just his gold, but also the interest due.

Treasure of the Abyss - Tiffany Roberts
2017-12-30

HIS TREASURE AND HIS OBSESSION... Despite her longing for the sea, Macy has clung to the safety of land for half her life, devoting herself to her daily routine - until she agrees to go sailing with a childhood friend. Her fears come to fruition when a sudden storm capsizes their boat, rekindling her old terror. She awakens to a rescuer who is anything but human - and he refuses to let her go. Treated like a curiosity and a possession, she's desperate to go home. Yet Macy is undeniably drawn to this strange

creature. Can she give up her old life, her family and friends, to embrace this adventure...and Jax? HER SAVIOR AND HER CAPTOR... Jax the Wanderer is a hunter, an explorer, and an oddity among his kind. While other kraken are content near their dens, Jax is driven by a deep need to journey far and wide, discovering the unknown corners of the sea. Macy challenges everything he's known; she is the most alluring creature he's ever seen on his travels. He must possess her, though he knows it can only end in disaster. How much is he willing to forsake for the female he desires? -----

Warning: This book contains explicit sexual content and is intended for mature readers only. The Spaces and Places of Horror - Francesco Pascuzzi 2020-01-16

This volume explores the complex horizon of landscapes in horror film culture to better understand the use that the genre makes of settings, locations, spaces, and places, be they physical, imagined, or altogether imaginary. In *The Philosophy of Horror*, Noël Carroll discusses the "geography" of horror as often situating the filmic genre in liminal spaces as a means to displace the narrative away from commonly accepted social structures: this use of space is meant to trigger the audience's innate fear of the unknown. This notion recalls Freud's theorization of the uncanny, as it is centered on recognizable locations outside of the Lacanian symbolic order. In some instances, a location may act as one of the describing characteristics of evil itself: In *A Nightmare on Elm Street* teenagers fall asleep only to be dragged from their bedrooms into Freddy Krueger's labyrinthine lair, an inescapable boiler room that enhances Freddie's powers and makes him invincible. In other scenarios, the action may take place in a distant, little-known country to isolate characters (Roth's *Hostel* films), or as a way to mythicize the very origin of evil (Bava's *Black Sunday*). Finally, anxieties related to the encroaching presence of technology in our lives may give rise to postmodern narratives of loneliness and disconnect at the crossing between virtual and real places: in Kurosawa's *Pulse*, the internet acts as a gateway between the living and spirit worlds, creating an oneiric realm where the living vanish and ghosts move to replace them. This suggestive topic begs to be

further investigated; this volume represents a crucial addition to the scholarship on horror film culture by adopting a transnational, comparative approach to the analysis of formal and narrative concerns specific to the genre by considering some of the most popular titles in horror film culture alongside lesser-known works for which this anthology represents the first piece of relevant scholarship.

Kidnapped by the Kraken (tentacle erotica, monster sex, anal virgin, monster erotica, light bondage, tentacle hentai, underwater sex, dubcon) - Cindel Sabante

After taking a dip to escape the heat of a quiet Mediterranean beach, Melina finds herself taken away by a creature from the deep. But everything isn't as it seems as she floats in the ocean, with only the tentacled monster as a companion. She begins to have strange thoughts at the urging of the monster, and when her dreams turn to sex, she can't help but invite its tentacled touch on her body! This ~4,700 word story contains scenes which include bondage, anal play, horny tentacles and vivid dreams that may shatter reality.

Sex, Drugs, and Sea Slime - Ellen Prager 2011-10

When viewed from a quiet beach, the ocean can seem calm, even serene. But hidden beneath the sea's waves are a staggering variety of active creatures, engaged in the never-ending struggles of life--to reproduce, to eat, and to avoid being eaten. Marine scientist Ellen Prager takes us deep into the sea to introduce a cast of fascinating and bizarre creatures. From the tiny arrow worms whose voracious ways may lead to death by overeating, to the lobsters that battle rivals or seduce mates with their urine, Prager reveals the ways they interact as predators,

prey, or potential mates. And while these animals make for some jaw-dropping stories--there's far more to Prager's account than entertaining anecdotes: again and again, she illustrates the crucial connections between life in the ocean and humankind, in everything from our food supply to our economy, and in drug discovery, biomedical research, and popular culture.--From publisher description.

The Kraken's Mate - Susan Trombley 2018-05-20

A desperate escape from a prison cell inside an alien research facility leaves Joanie in the clutches of an alien with a handsome face, a great body, and tentacles that could have come out of a horror movie. Her life back on Earth is a mess, but nowhere near as complicated as her new situation becomes when the alien test subject named Nemon decides that she's his mate. Nemon knows that Joanie is the mate he's hoping for as soon as Thrax hands her to him, but he can also see that she's frightened and traumatized. He must win a battle against his own body-which has a mind of its own-to maintain control, so he can win her trust and avoid frightening her further. His newfound friends warn him that Joanie will need time to accept him, and Nemon is willing to wait, but they all may have underestimated Joanie. They have escaped their fate as Iriduan test subjects, but Nemon and Joanie can't escape the legacy left behind by their captors. A legacy that brings them together-a legacy that also threatens to tear them apart. Author's Note: 18+ This book contains explicit steamy scenes between a human heroine and an alien with tentacles.

Kraken My Heart - K L Hiers 2021-05-18

It's just Ted's luck that he meets the love of his life while covered in the blood of a murder victim. Funeral worker Ted Sturm has a foul mouth, a big heart, and a knack for communicating with the dead. Unfortunately the dead don't make very good friends, and Ted's only living pal, his roommate, just rescued a strange cat who's determined to make his life even more miserable. This cat is more than he seems, and soon Ted finds himself in an alternate dimension... and on top of a dead body. When Ted is accused of murder, his only ally in a strange world full of powerful magical beings

calling for his head is King Grell, a sarcastic, randy, catlike immortal with impressive abilities... and anatomy. The two soon find themselves at the center of a cosmic conspiracy and surrounded by dangerous enemies. But with Ted's special skills and Grell's magic, they have a chance to get to the bottom of the mystery and save Ted. There's just one problem: Ted's got to resist Grell's aggressive advances... and he isn't sure he wants to.

Wriggle and Sparkle - Megan Derr 2016

Lynn is a kraken shifter in every way: detailed, tenacious, resilient, and hard-working. Also possessive, vain, arrogant, and demanding. It makes him an excellent agent for the Federal Bureau of Paranormal Security and Investigation—and impossible to work with, as the long list of partners who have transferred away from him will attest. His newest partner is a unicorn, possibly the worst type of paranormal for work that often turns ugly and violent. Everyone knows unicorns are too delicate for such things. Then Anderson proves to be a unicorn like no other, the kind of partner Lynn has always wanted—the kind of partner he wishes was more. But if there's one thing he's learned, it's that the only thing harder to keep than a partner is a lover.

The Tarot Witches Complete Collection: Caged Wolf, Forbidden Witches, Winter Court, and Summer Court - S M Reine 2018-09-03

This is the complete four-book collection of The Tarot Witches, a New York Times bestselling paranormal romance series. There are seventy-eight cards in a tarot deck, and each card has been appearing in the mailbox of a different witch. Each one bears a message for the unlucky recipient, and it brooks a warning: fix your life and earn power beyond imagining, or lose everything you care about. Werewolves are drawn to the scent of these tarot witches, driven to bond and protect them. The desire to mate cannot be conquered. And entire packs will rise and fall for the love of the tarot witches... Book One: Caged Wolf Book Two: Forbidden Witches Book Three: Winter Court Book Four: Summer Court

Ensnared (The Spider's Mate #1) - Tiffany Roberts 2022-07-11

He's spent years as a hunter, but now he's the one ensnared in a creature's trap. Ketahn did not want a mate. Fate has a different plan for him. When the queen he despises declares her intention to claim him, he retreats into the jungle. What he finds there changes his world. Small, delicate, and pale skinned, Ivy Foster is nothing like the females Ketahn has known. She's not of his kind at all. Yet the moment he sees her, he knows the truth in his soul-she is his heartsthread. And now that he has her, he won't let anything take her away. Not the jungle, not the gods, not the queen and her warriors. Whether Ivy agrees or not, their webs are entangled. No one will ever sever those threads. ---- Book 1 of 3 in The Spider's Mate Trilogy. Warning: Contains darker themes and there is also a cliffhanger. Check the author's website for more detailed content warnings.

Fallen from the Stars - Tiffany Roberts 2019-03-16

Vasil has spent his life serving the needs of his people, denying his own desires -- until a star falls from the sky. He follows its fiery trail and finds the unexpected: a mysterious human female. She is his chance at having the mate, the family for which he's longed. But when he discovers her connection to the organization that created and enslaved his ancestors, he must decide if claiming his happiness is worth the risk of exposing the kraken. Stranded on an unknown planet, Theodora Velenti has limited supplies and no way to call for help. Hopeless, the arrival of a half-man, half-octopus alien doesn't seem like an improvement. But despite his differences,

Theo finds herself drawn to him. Giving in to Vasil's advances means accepting that the life she knew is gone forever. Can she give up a chance of rescue or is what she and Vasil feel for each other real?----**Trigger Warning: This book contains sexual explicit scenes and sexual violence.**

You're Kraken Me Up - Kaye Draper 2021-09-01
Gender-bending half fae, half kraken shifter
Iolani Lionheart has been handed a perfect excuse to stay in Florida with her new flame, but it turns out her demon godfather may have other reasons for keeping her where she is. A new goddess overlord has arrived in Florida, and Io has been tasked with helping her settle in. Old flames and interesting new friends are drawing Io in, and for once she feels like she might have a chance at happiness. Until the sweetest man she knows goes missing.... Author's Notes
*Kraken's Cult books are longer novellas to shorter novels (40,000-50,000+) words. They may or may not include cliff-hangers. Typically, one plot thread will be resolved or "resolved for now," while others may continue to build throughout the series. There's none of that "book that ends abruptly in the middle and I'm gonna call it a novella" stuff. *Includes mentions of past trauma, including but not limited to: implied threat of sexual abuse as a minor, bullying, violence, emotional trauma. *So much swearing. Seriously. *Explicit sex with varying levels of heat and kink possible. *Series contains M/F, F/F, M/M, MMMMFF romance. *Characters with gender fluidity, non-binary/intersex characters, gender bending/gender swap, gray ace, and any other orientation you can think of may appear in this series. *Let's face it, you're thinking about reading a book with a kraken main character. There may be tentacles put to use in ways that make some people uncomfortable. It's just to be expected.
