What Men Want in Bed - Bettina Arndt 2012-01-01

Across the world, the story is the same. Sex scandal. Media frenzy. Another prominent man caught with his pants down. So why do men take such risks for sex? Sex therapist Bettina Arndt's new book is all about why sex matters so much to men. More than 150 men kept diaries for her, talking about what it is like to live with that constant sparking sexual energy—and, relentless, uncontrollable, all-consuming. Their painfully honest, confronting, often hilarious stories explain their quest for sexual adventure, their secret delights, the thrill of giving pleasure, why some men turn to pornography and men's delight in the Viagra revolution. With every second man over fifty dealing with erection problems, Bettina offers advice on the wondrous new treatments giving men a new lease of sexual life. Her diarists reveal what it is like to pop little blue pills, or inject their best friend, or face impotence after prostate cancer treatments, or use treatments with a reluctant partner. *What Men Want: In Bed* lifts the lid on men's longings, frustrations, their fears and their intense joy in making love.

The Freedom House - Rick Wallenbrock 2005-04

During the tail end of the Vietnam War, the US Army Europe, faced with a large drug problem among soldiers stationed in Germany, opens the Freedom House, a drug and alcohol rehabilitation center. A group of unforgettable characters are chosen to administer an unorthodox

program laced with Zen Buddhism, Taoism and an enigmatic teacher, Duane Baldini, an ex-Marine. Duane brings Christopher Bold on board, a confused college graduate who is trying to find his own way against the legacy and the background of the turbulent and revolutionary period of the late sixties. Christopher is confronted by the universal struggle with dualities--the mind vs. the body, the head vs. the heart, "them" vs. "us" in his attempt to find the road to himself. He also is confronted by First Sgt. Ron Slade, a career Army man, whose "real" world experience clashes with the "new age" teaching and antics of both Duane and Christopher. The result is a story that is funny, poignant, and fascinating in its portrayal of a young man on a journey to find himself against the tragedy of war, strife, a torn nation and the comedy of a M.A.S.H.-like military environment.

Making Love Better Than Ever - Dr. Barbara Keesling 2005-03
Contrary to popular myth, great sex is not reserved for those under 40. With maturity comes the potential for a multi-faceted, soulful loving that deepens ties of intimacy and nurturing. That is the loving that sustains relationships into later years. As we get older, many of us find that work and family stress or health problems keep us from enjoying sex as much as we used to. We may become less demonstrative with our partner or begin to avoid physical closeness. In this book Dr. Barbara Keesling shows couples how to reignite sexual feelings while reconnecting emotionally. She provides a series of relaxation, body-image, and touch exercises that build self-esteem, open lines of communication, promote playfulness and spontaneity, and heighten sexual response. This warm and encouraging guide is for both longtime couples and new partners who want to learn to make love in the deepest sense of the word-not just with their bodies, but from their hearts.
