Vested Interests - Marjorie Garber 2012-10-12

Beginning with the bold claim, "There can be no culture without the transvestite," Marjorie Garber explores the nature and significance of cross-dressing and of the West's recurring fascination with it. Rich in anecdote and insight, *Vested Interests* offers a provocative and entertaining view of our ongoing obsession with dressing up--and with the power of clothes.

Many are the Deceivers - Cassie Worley 2006

"This thesis examines the adaptations and disseminations of ancient and modern dominant Western Parables. It investigates both Biblical myths and fairy tales, as they are used as socializing tools, which set standards in Western culture, and prescribe conventions to our children. Within the thesis, themes from Little Red Riding Hood are extrapolated, and compared to those found in Old Testament tales such as, The Expulsion from Eden, the Deluge, The Ten Plagues, and Exodus. Throughout the thesis, the history and function of the myth and fairy tale is defined, and questions are raised regarding the role of the story and storyteller. An analysis is made of the Western obsession with using stories as allegorical representations of a culture, and the human need to relate to mythical characters. Specific mythical characters are studied for their ubiquitous qualities, their fundamental representations of the human condition, and their incarnations of an iconic individual. Explanations are given to the artist's relationship to multiple medias, and her additional role as author and narrator of a new story. The title of the thesis (*Many are the Deceivers*) is a reference to Anne Sexton's 1971 poem 'Red Riding Hood.' The thesis describes Sexton's poem as a literary comparison to the visual artwork, and reinforces the idea that everyone holds the potential to deceive"-- Abstract.

A Study Guide for Aimee Bender's "The Rememberer" - Gale, Cengage Learning

A Study Guide for Aimee Bender's "The Rememberer," excerpted from Gale's acclaimed Short Stories for Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Short Stories for Students for all of your research needs.

Encyclopedia of Feminist Literature - Mary Ellen Snodgrass 2015-04-22

Presents articles on feminist literature, including significant authors, themes and history.

Red Riding Hood for All Ages - Sandra L. Beckett 2008

A global study of modern adaptations for readers of all ages of Little Red Riding Hood.

The Oxford Encyclopedia of American Literature - Jay Parini 2004

Alphabetically arranged entries include discussions of individual authors, literary movements, institutions, notable texts, literary developments, themes, ethnic literatures, and "topic" essays.

Out of the Wreck I Rise - 2016-08-23

Addiction is easy to fall into and hard to escape. It destroys the lives of individuals, and has a devastating cost to society. Steinberg and Bader harness the power of literature, poetry, and creativity to illuminate what alcoholism and addiction are all about. Each chapter begins with advice and commentary followed by a wealth of quotes to inspire and heal. The result is a mosaic of observations and encouragement that draws on writers and artists spanning thousands of years.

The Trials and Tribulations of Little Red Riding Hood - Jack Zipes 2017-09-25

First Published in 1994. Routledge is an imprint of Taylor & Francis, an informa company.

Transformations - Anne Sexton 2001

These poem-stories are a strange retelling of seventeen Grimms fairy tales, including "Snow White," "Rumpelstiltskin," "Rapunzel," "The Twelve Dancing Princesses," "The Frog Prince," and "Red Riding Hood." Astonishingly, they are as wholly personal as Anne Sexton's most intimate poems. "Her metaphoric strength has never been greater -- really funny, among other things, a dark, dark laughter" (C.K. Williams).

The Forest and the EcoGothic - Elizabeth Parker 2020-02-13

This book offers the first full length study on the pervasive archetype of The Gothic Forest in Western

culture. The idea of the forest as deep, dark, and dangerous has an extensive history and continues to resonate throughout contemporary popular culture. *The Forest and the EcoGothic* examines both why we fear the forest and how exactly these fears manifest in our stories. It draws on and furthers the nascent field of the ecoGothic, which seeks to explore the intersections between ecocriticism and Gothic studies. In the age of the Anthropocene, this work importantly interrogates our relationship to and understandings of the more-than-human world. This work introduces the trope of the Gothic forest, as well as important critical contexts for its discussion, and examines the three main ways in which this trope manifests: as a living, animated threat; as a traditional habitat for monsters; and as a dangerous site for human settlement. This book will appeal to students and scholars with interests in horror and the Gothic, ecohorror and the ecoGothic, environmentalism, ecocriticism, and popular culture more broadly. The accessibility of the subject of 'The Deep Dark Woods', coupled with increasingly mainstream interests in interactions between humanity and nature, means this work will also be of keen interest to the general public.

Vested Interests - Marjorie B. Garber 1997

A revolutionary and wide-ranging examination of transvestism ranging from Shakespeare and Mark Twain to Oscar Wilde and Peter Pan, from transsexual surgery and transvestite sororities to Madonna and Flip Wilson. The author examines the nature and importance of cross-dressing and society's recurring fascination with it. 40 pages of inserts, 8 in color.

Disenchantments - Wolfgang Mieder 1985

Contains poetic interpretations (the majority for older students) of traditional fairy tales such as The Frog Prince, Snow White, Sleeping Beauty and Rapunzel. Poets include Randall Jarrell, Robert Graves, Anne Sexton, Sylvia Plath, and Aileen Fisher. Secondary.

Little Red Riding Hood Uncloaked - Catherine Orenstein 2003-07

Reveals the intricate sexual politics, moral ambiguities, and philosophical underpinnings of the folktale, tracing its history from the court of Louis XIV to its applications in modern marketing, and showing how it has served as a measure of social and sexual mores for women. 25,000 first printing.

Nature, Culture and Gender - P. Mary Vidya Porselvi 2016-04-20

Folktales in India have been told, heard, read and celebrated for many centuries. In breaking new ground, Indian folktales have been reread and examined in the light of the Mother Earth discourse as it manifests in the lifeworlds of women, nature and language. The book introduces ecofeminist criticism and situates it within an innovative folktale typology to connect women and environment through folklore. The book proposes an innovative paradigm inspired by the beehive to analyze motifs, relationships, concerns, worldviews and consciousness of indigenous women and men who live close to nature as well as other socially marginalized groups. In the current global context fraught with challenges for ecology and hopes for sustainable development, this book with its interdisciplinary approach will interest scholars and researchers of literature, environmental studies, gender studies and cultural anthropology.

Mythic 2 - Mike Allen 2006-09-01

The world's greatest sorcerer is losing his mind, and all the nations wait in fear for his next move. The faces of the future gaze forward and back, and sirens don't always sing the songs you expect. Deserts speak with the voices of girls, mothers and stepmothers are two pages of the same book, and churches house things stranger than angels. But in the afterlife, you never know when an absinthe spoon will come in handy The second volume in the critically acclaimed fantasy anthology series from Mythic Delirium Books, edited by Rhysling Award-winning poet Mike Allen, with new writings by Leah Bobet, Richard Parks, Cherie Priest, Catherynne M. Valente, Lawrence Schimel, Sonya Taaffe, Steve Rasnic Tem, Jo Walton and more.

The Trials and Tribulations of Little Red Riding Hood - Jack Zipes 2017-09-25

First Published in 1994. Routledge is an imprint of Taylor & Francis, an informa company.

How Fairy Tales live happily ever after: (Analyzing) The art of adapting Fairy Tales - Conny Eisfeld 2015-02-18

What happened to the classic fairy tale? Do we still read the 'old and dusty tales' of wonder to our children or would we rather take them to the cinema? The fairy tale boom has reached Hollywood where popular tales are currently transformed into entertainment movies. Makers of films and TV series have become the storytellers of the digital age - a transition that frequently leads to discussions about how these new forms limit or contribute to the further development and preservation of the traditional fairy tale. But what exactly is a traditional fairy tale? The book follows the history of the tale, how it has been changing colors and how it has been adapting and surviving for centuries. The main focus lies on the literary and multi-medial analysis of two popular fairy tales: Rapunzel and Little Red Riding Hood, which have not only been adapted to the screen recently but have been repeatedly altered throughout the centuries. Follow the journey of the fairy tale from its most basic form, i.e. oral storytelling, to a written and illustrated commitment that shaped the general image of fairy tales for forthcoming generations, to its newest form: the visualization through new and digital media.

Don't Bet on the Prince - Jack Zipes 2014-05-22

First published in 1987. Routledge is an imprint of Taylor & Francis, an informa company.

The Trials and Tribulations of Little Red Riding Hood - Jack David Zipes 1983

This text presents the many faces of Little Red Riding Hood. In tracing the evolution of the story, the author takes on those questions which other authors have shied away from: violation, rape, male fantasies and manipulation. This book collects 35 of the best versions of the story, from the first tellings as a folktale, to

its written renderings by authors such as the Brothers Grimm, Walter De La Mare, James Thurber, Alphonse Daudet, Anne Sexton and Olga Broumas, providing a detailed social history of the literary Red Riding Hood. Zipes uses these tales to explore questions of Western culture, sexism, and politics and, in a new epilogue, examines the illustrations used in past versions for their take on the tale. A new preface and an expanded bibliography have also been included for the second edition.

Little Red Riding Hood Uncloaked Ten Moral Tales From The Forest - Catherine Orenstein 2002-07-03

In *Little Red Riding Hood Uncloaked* Catherine Orenstein reveals for the first time the intricate sexual politics, moral ambiguities and philosophical underpinnings of Red Riding Hood's epic journey to Grandmother's house--and how, from the nursery on, the story influences our view of the world. Beginning with its first publication as a cautionary tale on the perils of seduction, written in reaction to the licentiousness of the court of Louis XIV, Orenstein traces the many and various lives the tale has lived since then, from its appearance in modern advertisements for cosmetics and automobiles to the inspiration it brought to poets like Anne Sexton and its starring role in pornographic films. In *Little Red Riding Hood Uncloaked*, Red appears as seductress, hapless victim, riot grrrrl, femme fatale, and even she-wolf, as Orenstein shows how, through centuries of different guises, the story has served as a barometer of social and sexual mores pertaining to women. Full of fascinating history, generous wit, and intelligent analysis, *Little Red Riding Hood Uncloaked* proves that the story of one young girl's trip through the woods continues to be one of our most compelling modern myths.
