How would you like to read this story of public sex? Bent Over in the Library (I Gave Up My Backdoor in Public!) A First Anal Sex Erotica Story by Andrea Tuppens I still don't quite understand what happened. One minute I was arguing with a complete stranger, trying to convince him that no woman would just allow a stranger to have her. Yeah, that's what I was saying. Then he kissed me, and I have no idea why I didn't tell him to stop. It was crazy, insane even. Before long I was bent over the table and he was taking my ass! It all happened in the library, and anyone could have stepped from around the shelves and seen us! That's only one of the sexy tales you'll find in this collection where things happen right out in the open. Click now and it can be on your Kindle in just a moment or two. Warning: This ebook contains very explicit descriptions of sexual activity and includes rough sex, group sex, first lesbian sex, first anal sex, FFM threesome sex, and more. Only mature adults who won't find that offensive should read this collection. Here are the rest of the stories! 2. Hubby Tied Down in the Backyard (Let's Hope the Neighbors Get and Eyeful) A Group Sex in Public Erotica Story with Bondage by Skyler French Don has been up for hours pleasing one of his wife's friends after the other. Finally, he gets a break so he can take a shower, and as incredible as the experience has been, it's nice to have the handcuffs off and to have a break. Yeah, right. Katie and her friends aren't finished. Before long he finds himself tied down to tent stakes in the backyard, and once again all six women are ready to use his body for their pleasure. 3. Taken in Public at the Adult Theater (The Sexy Submissive on Display) A Reluctant Sex in Public Erotica Story by Tara Skye When Arthur told Ariel they wouldn't be going to a hotel for the evening, the beautiful submissive was disappointed but she was intrigued when he said he had something else in mind. A few minutes later she finds herself in a dark theatre filled with men watching porn movies! She's immediately nervous and she has a pretty good reason to be nervous! Before the evening is over, she'll be on display and the men won't be watching the screens as instead they watch Ariel in the middle of rough sex with Arthur! 4. Taken on the Hood of the Car! (My Crazy First Date with Sherman) A Reluctant Sex in Public Erotica Story by Karla Sweet I loved my date with Sherman, and I spent the whole walk home holding onto his hand and debating whether or not I was going to let him kiss me goodnight. Kiss me. That was my internal struggle. Evidently, Sherman didn't get the memo because he lifted me onto the hood of a car right in the apartment complex parking lot and his mouth was on mine before I knew it. The decision had been made for me, and I supposed that was all right. Then something happened I never would have expected. He didn't stop with the kissing! Before I knew it, we were having sex right there on the hood of the car, and I had no idea why I didn't stop him! 5. Tony in the Break Room (The Cougar's Unexpected Public First Anal Sex) An Office Sex Erotica Story by Savannah Deeds How in the hell could I do it? Not only was Tony much younger than me but I was at the office! I couldn't help myself, though. Before I knew it, I was seducing him or maybe he was seducing me. Whether he did the seducing or I did, we ended up having sex right in the break room. I kept expecting employees to arrive for the second shift to catch us. That didn't happen but something crazy did! I wasn't expecting it at all but Tony gave me my very first anal sex experience!

Rough - Rachel Thompson 2021-08-26

'2021's most important book about sex.' Stylist 'You need to read this.' Mashable A bad sexual experience. A grey area. Not rape but... A violation - these are the terms we use to describe the experiences we don't have words for. The way we talk about topics such as sex, consent, assault aren't fit for purpose. Rough is a revolutionary non-fiction work exploring the narratives of sexual violence that we don't talk about. Through powerful testimony from 50 women and non-binary people, this book shines a light on the sexual violence that takes place in our bedrooms and beyond, sometimes at the hands of people we know, trust, or even love. Rough investigates violations such as 'stealthing,' non-consensual choking, and non-consensual rough sex acts that our culture is only starting to recognise as sexual violence. The book explores the ways in which systems of oppression manifest in our sexual culture - from racist microaggressions, to fatphobic acts of aggression, and ableist dehumanising behaviour. An intersectional, sex-positive, kink-positive work, the book also examines how white supremacy, transphobia, biphobia, homophobia, and misogyny are driving forces behind sexual violence. Rough is an urgent, timely call for change to the systems that oppress us all. It's time for a societal shift. As individuals with agency within our sexual culture we have the power to remodel our behaviour and this book shows us how. Praise for Rough 'An incredible investigation into a frighteningly common part of our sexual experience; determined to give ownership back to those who have had their agency stolen from them.' Dr Fern Riddell 'Unflinching. Important, thought-provoking read.' Nataliya Deleva 'Rough speaks to how many women often feel after sexual encounters - violated but unsure of exactly why, and whether our feelings are valid. This book is excellent and demonstrates just how valid those feelings are.' Adele Walton, founder of Humanitarian Hotgirl

Stealing Innocents - Cari Waites 2018-04-18

Those who dare to scratch the surface of ordinary, everyday life may be horrified to find a sick underbelly beneath-a nightmare world populated by villains and victims, predators and prey, where the rules of society no longer apply. Where you'll find people like Danny, the boy who sells himself to pay for his father's gambling debts and ends up in a situation more twisted than he ever imagined. Or Troy, the cop whose obsession with saving a brutalized human trafficking victim turns deadly. Or Drew, the mental patient who begins to suspect his nightly delusions of abuse by his doctor are actually real. Or David, the cuckolded husband who decides the best way to get revenge is to seduce his wife's barely legal son. Stealing Innocents is an exploration of our darkest human impulses, where sex is power, love is horror, and there's no such thing as a happy ending.

The Noah Diary - Jordan Douglas 2021-03-15

The well-known personal diary of Texas Cowgirl Jordan Douglas in college, at age 19. A Daddy's Girl and Texas Tomboy, she grew up in rural Texas roping and riding on horses with her Father, and found out love could be harder for a Tomboy who weren't as pretty as the cheerleaders. She had kept secret diaries

through her teens of her ideas of love, sexual secrets, and as older guy friends shared benefits, they rejected her afterwards. She wrote about her strict religious upbringing and guilt from self-intimacy, and private sexual fantasies about the perfect Cowboy, her father. Her "Daddy Issues," and not recognizing her darker sexual needs exploded to the surface her 2nd year in College, and was recorded by her, in "The Noah Diary." With her secret "Daddy Issues," her thick, Texas curves in her favorite Cowgirl boots and short-shorts, found herself in the arms of a stranger and older Cowboy named 'Noah' who was 27 years old, and whose style of intimacy was emotionally and physically brutal and poisoning to her mind. Jordan began a sexually-dominated summer with her hands tied behind her back, getting forced to explore her darker sexual desires of real sexual humiliation, stimulating sexual-emotional abuse, and disturbing sexual mind-play drawing out her need for more than Daddy's approval. Noah used these on her all summer as he forced her sexual needs past limits she couldn't handle, punishing her with her own desires to screaming excess, drugging her daily, and bringing her into complete Submission to his stimulating Daddy role over her. She had found true love in this journey of self-discovery and understanding, and began to feel like a beautiful cheerleader with her new Daddy, and as the summer came to an end, she feared leaving Noah to go back to college, feared facing her religious parents, her lies to them about working all summer, the truth that she had flunked her last semester to be with Noah, and they paid the bill. She had to return home to face her mistakes, when all she wanted, was happily ever after in Texas.

Damian has serious doubts about getting involved with a younger man who knows nothing about the BDSM lifestyle, but Nick's adventurous and humorous approach to new experiences is far too alluring to resist.
