**She's on the Money: The award-winning #1 finance bestseller** - Victoria Devine 2021-06-16  
Winner of the ABIA General Non-fiction Book of the Year 2022 Winner of the Best Personal Finance & Investment Book of the Year at the 2021 Business Book Awards Through her phenomenally popular and award-winning podcast, She's on the Money, Victoria Devine has built an empowered and supportive community of women finding their way to financial freedom. Honest, relatable, non-judgemental and motivating, Victoria is a financial adviser who knows what millennial life is really like and where we can get stuck with money stuff. (Did someone say 'Afterpay'...?) So, to help you hit your money goals without skimping on brunch, she's put all her expert advice into this accessible guide that will set you up for a healthy and happy future. Learn how to be more secure, independent and informed with your money - with clear steps on how to budget, clear debts, build savings, start investing, buy property and much more. And along with all the practical information, Victoria will guide you through the sometimes-tricky psychology surrounding money so you can establish the values, habits and confidence that will help you build your wealth long-term. Just like the podcast, the book is full of real-life money stories from members of the She's on the Money community who candidly share their experiences, wins and lessons learned to inspire others to turn their stories around, too. And with templates and activities throughout, plus a twelve-month plan to get you started, you can immediately put Victoria's recommendations into action in your own life. You are not alone on your financial journey, and with the money principles in this book you'll go further than you ever thought possible.

your wealth, retiring early, and living life on your own terms. Kristy Shen retired with a million dollars at the age of thirty-one, and she did it without hitting a home run on the stock market, starting the next Snapchat in her garage, or investing in hot real estate. Learn how to cut down on spending without decreasing your quality of life, build a million-dollar portfolio, fortify your investments to survive bear markets and black-swan events, and use the 4 percent rule and the Yield Shield - so you can quit the rat race forever. Not everyone can become an entrepreneur or a real estate baron; the rest of us need Shen's mathematically proven approach to retire decades before sixty-five.

**A Most Clever Girl** - Stephanie Marie Thornton 2021-09-14

A thrilling novel of love, loyalty, and espionage, based on the incredible true story of Elizabeth Bentley, a Cold War double agent spying for the Russians and the United States, from USA Today bestselling author Stephanie Marie Thornton. 1963: Reeling from the death of her mother and President Kennedy's assassination, Catherine Gray shows up on Elizabeth Bentley's doorstep demanding answers to the shocking mystery she just uncovered about her family. What she doesn't expect is for Bentley to ensnare her in her own story of becoming a controversial World War II spy and Cold War informer... Recruited by the American Communist Party to spy on fascists at the outbreak of World War II, a young Bentley—code name Clever Girl—finds she has an unexpected gift for espionage. But after falling desperately in love with her handler, Elizabeth makes another surprise discovery when she learns he is actually a Russian spy. Together, they will build the largest Soviet spy network in America and Elizabeth will become its uncrowned Red Spy Queen. However, once the war ends and the U.S. and U.S.S.R. become embroiled in the Cold War, it is Elizabeth who will dangerously clash with the NKVD, the brutal Soviet espionage agency. As Catherine listens to Elizabeth's harrowing tale, she discovers that the women's lives are linked in shocking ways. Faced with the idea that her entire existence is based on a lie, Catherine realizes that only Elizabeth Bentley can tell her what the truth really is.

**Power to the Purse: A Woman's Guide to Financial Freedom** - Kimberlee Davis 2021-10-26

Wealth manager and host of The Fiscal Feminist podcast Kimberlee Davis taps her 25 years' experience to teach women how to take charge of their money and control their financial destiny. Women are more educated and successful than ever, but they still tend to stand on the sidelines when it comes to their money, according to financial experts. At the same time, women live longer, earn less, and often have to work harder than men to offset years spent out of the workforce raising children. Adding to this perfect storm, women have suffered disproportionately in the post-pandemic downturn. Power to the Purse is a call to action for women to reverse these trends by increasing their financial literacy and--ultimately--controlling their destiny. Author Kimberlee Davis, a wealth manager and host of The Fiscal Feminist podcast, taps her 25 years' experience to educate women of all ages and economic strata about how to independently achieve--and maintain--financial health on their own terms.

**Manage Your Money Like a F\*cking Grown-Up** - Sam Beckbessinger 2019-04-18

You're going to earn plenty of money over your lifetime. Are you going to waste it on stupid crap that doesn't make you happy, or let it buy your freedom and your most audacious dreams? We never get an instruction manual about how money works. Most of what we learn about money comes from advertising or from other people who know as little as we do. No wonder we make such basic mistakes. No wonder we feel disempowered and scared. No wonder so many of us just decide to stick our heads in the damn sand and never deal with it. In *Manage Your Money Like a F\*cking Grown Up*, Sam Beckbessinger tells it to you straight: how to take control of your money to take control of your life. In this clear and engaging basic guide to managing your finances, you will learn: - How to trick your dumb brain into saving more, without giving up fun - How to make a bona fide grown-up budget - Why you need to forget what you've learned about credit - How to negotiate a raise - Why buying a house (probably) won't make you rich - The one super-simple investment you need With helpful exercises, informative illustrations (also: kittens) and straightforward advice, this book doesn't shy away from the psychology of money, and is empowering, humorous and helpful. The book you wish you'd had at 25, but is never too late to read.
