Hollywood's Notable Deaths of 2019 - The Hollywood Reporter - Hollywood Reporter

Punk 57 - Penelope Douglas 2016

"MISHA I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F*ck it. I need to meet her. I just don't expect to hate what I find. RYEN He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it. *Punk 57 is a stand alone New Adult romance. It is suitable for ages 18+."--Amazon.com

Unstuff - Hayley DiMarco 2010-12-20

God . . . and stuff. Everything in the universe falls into one of these two categories. Which is more important to you? (It's not a trick question.) In *Unstuff: Making Room in Your Life for What Really Matters*, popular authors Hayley and Michael DiMarco take a close look at what's in your wallet, your heart, your house, and your mind to reveal the pleasures and perils of stuff—and the joy, peace, and freedom that comes from learning to live with less. In this real-life look at “how it's done,” the DiMarcos take an uncomfortably close look at the cost of their love affair with stuff. They start by Unstuffing their house—getting rid of anything they don't need by giving away, selling, or throwing out items that only add to their love for more. Then, kicking it up a notch, this family of three travels across the country with nothing more than they can fit in a motor home . . . and discovers that the really important stuff goes with them.

The Fruitful Wife - Hayley DiMarco 2012-09-30

Are you loving, joyful, peaceful, patient, kind, good, faithful, gentle, AND self-controlled? Most of the time? Sometimes? How about when life gets hard or marriage gets tough? Whatever your answer may be, the good news is that you are not alone. Best-selling author, mother, and wife Hayley DiMarco understands the challenges we all face and answers the question at hand: How can you be the woman God is calling you to be, a woman who bears the fruit of the Spirit in your marriage and in the daily grind of life? To help you grow, Hayley explores the biblical significance of all 9 fruits of the Spirit, explaining how each fruit first begins to grow and then how each impacts your day-to-day life and marriage. She writes like a wise friend and is readily transparent about her own failures to be spiritually fruitful as well as her relational struggles for control, authority, and respect. Ultimately, Hayley teaches us how even the rockiest of marriages can blossom and generate the fruit God intends to produce.

A Woman Overwhelmed - Hayley DiMarco 2017-08-15

"A Woman Overwhelmed" is a phrase with which many women can relate. But what would happen if we could see the insanity in our pace and embrace our overwhelming God? There is a reason they say that a woman's work is never done—because it isn't! As women, we often are overwhelmed by the demands and circumstances of life, resulting in stress, fear, worry, impatience, fatigue, frustration, and even depression. The truth is that we were created to be overwhelmed . . . not by life but by God! When we learn to be overwhelmed by God, the fruit in our lives goes from rotten to fragrant—filling our days with peace, hope, love, and joy. In *A Woman Overwhelmed*, best-selling author Hayley DiMarco shares biblical insights and personal stories to offer a glimpse at the comedy of an overwhelmed life while encouraging us to discover the depths and heights of God's love and power. Be empowered to find

freedom in becoming overwhelmed with who God is—by learning to focus on what we know about God so that we can hold onto faith even when it seems that all is lost. For it is when an overwhelmed woman gives up the mission of me and exchanges it for the mission of God that being overwhelmed becomes a good thing. Choose to bask in the abundance of the Father instead of the abundance of life as his unfathomable depths can surely replace our fathomable messes.

The technical virgin, a term becoming all too familiar with Christian teens, is someone who believes in abstinence but allows loopholes in their physical relationships, thereby compromising true purity. In this new book, Hayley DiMarco takes a look at what purity really is. With her straightforward, in-your-face writing, she shows girls - what they are really saying about themselves through their sexy actions - what happens when purity is reduced to a technicality - what words like abstinence and commitment really mean - what God says on the subject of purity With candid advice, personal insight, and tough truth from God's Word, Hayley DiMarco will help teen girls understand who they are so they can make informed, godly decisions about purity and sex.
