The Awakened Woman's Guide to Everlasting Love - Londin

Angel Winters 2018-03-11

In today's disconnected, distracted world, it seems like deep love gets harder to maintain every day. We spend more time looking at screens than at each other, cycle through new partners every time the spark starts to fade, and wall away our feelings until we become strangers who share a house and kids. But underneath all this, our souls long for an unbreakable love which deepens over time and lovemaking that gets hotter, not cooler, inside a lifetime commitment. This bond we yearn for is not impossible. It's not even improbable. You can create it in your life right now intimacy that opens both you and your partner to a

divine awakening you could not create on your own, lovemaking that curls your toes, and a partnership where both people champion each other's best interests, where even the difficult moments bring you closer together. This is sacred relationship, and it exists in these pages. This book is an owner's manual for intimacy, a map for loving at the deepest level, and an invitation into sacred practice where divine connection becomes part of everyday life.

Project Everlasting - Mathew Boggs 2007-06-05

A heartwarming and revealing look at the wisdom drawn from successful marriages and the secrets to making love last, not from Ph.D.s or therapists but from more than 200 real couples who have walked the walk to more than forty years of marriage. Jaded by his parents' divorce, Mathew Boggs was a young man who'd lost all belief in lifelong love. After observing his grandparents who were madly in love after sixty-three years of marriage, Mat talked his

best friend Jason into joining him on a cross-country search for America's greatest marriages. The two bumbling bachelors jumped in an RV and embarked on "Project Everlasting," a 12,000-mile cross-country adventure to discover what it takes to make love last. Each chapter of Project Everlasting is dedicated to one of the pressing questions the bachelors asked the couples, such as: —"How do you know you've found The One?" —"What's missing from today's marriages?" —"How do you keep the romance alive?" —"What's the most important ingredient for a solid marriage?" As the traveled the country, meeting happy couples from all walks of life, Mat and Jason began to understand why their own relationships hadn't worked out quite as planned. They also realized that what they were learning from their wise new friends could change everything for them and—through Project Everlasting—show their generation and generations to

come how to build a marriage to last.

Love Me Back - Merritt Tierce
2016-01-14

Marie is a waitress at an upscale Dallas steakhouse, attuned to the appetites of her patrons and gifted at hiding her private struggle as a young single mother behind an easy smile and a crisp white apron. It's a world of long hours and late nights, and Marie often gives in to self-destructive impulses, losing herself in a tangle of bodies and urgent highs as her desire for obliteration competes with a stubborn will to survive.

Pulsing with a fierce and feral energy, *Love Me Back* is an unapologetic portrait of a woman cutting a precarious path through early adulthood and the herald of a powerful new voice in American fiction.
Intimate Communion - David Deida
2010-01-01

To truly understand your intimate relationships, you must read this book! David Deida, internationally known for his work in personal growth and intimate relationships,

shares the deep understandings and effective techniques that he has refined through his 20 years of consultation, research and spiritual practice. Learn how to keep your relationships growing--beyond the sexually neutralized roles so typical of today--and create a relationship that is spiritually erotic, sexually deep and passionately committed to love.

Blue Truth - David Deida 2011

In Blue Truth, internationally acclaimed teacher David Deida presents a treasury of insights for uncovering your true heart of purpose, passion, and unquenchable love. In Part One, Deida shows you how to "open as the entirety of the moment, feeling as deep inside and as far outside as you can, for as long as now opens." In Part Two, he reveals how to walk this path in the wilderness of intimate relationship, illuminating "the art and play of sexual gifting" and how to expertly navigate the tangle of anger, jealousy, fear, and lust.

The Woman's Guide to how

Men Think - Shawn T. Smith
2013

Comedian George Carlin once said, "Women are from earth. Men are from earth. Just deal with it." Though witty, this sentiment fails to recognize one of the real truths in life: that both genders are completely mystified by one another, and often have a mile-long list of complaints for the opposite sex. Yet, generally speaking, both men and women want to get along--especially if there's romance involved. A Woman's Guide to How Men Think offers a practical, humorous, yet compassionate guide for women who want to learn the secrets of the elusive male mind. With author Shawn Smith's trademark humor, you'll come to understand why men think and see the world the way they do, and how to work with men to cultivate understanding and communication in relationships, without expecting men to be creatures that they are not. This isn't a male-bashing book about how men should be more like

Bliss

women, but a book about how men actually are, and how women can use this understanding to get what they need from their relationships. You'll also learn why men often feel frustrated and criticized, how to deal with lack of communication in ways that don't put men on the defensive, and how being curious and compassionate (while not accepting disrespectful or abusive behavior) instead of dismissing men for their inherently male traits can lead to greater understanding between the sexes. The plain truth is that both men and women are from planet earth. But that doesn't mean we are the same. If you are looking for an insider's guide to the ever-elusive male mind, this is the book for you. The author, Shawn Smith, is a psychotherapist with a blog at ironshrink.com.

Male vs. Man - Dondré T.

Whitfield 2020-04-07

Males look to be served. Men look to be of service. Emmy Award-nominated actor best known for his role on *Queen Sugar* and transformational speaker Dondré Whitfield challenges us to be real men in this provocative look at the power found in serving others. Too many males abuse the power they have. Often those males grow up without healthy role models and so, while they look like men, they act like boys. Only now there are adult consequences to their actions. And many of us are caught in the shifting cultural ideas about manhood, unsure of how to make sound decisions or truly be a man. Every day we find evidence that the role of men at home, at work, and out in the world is deeply misinterpreted. In *Male vs. Man*, Dondré Whitfield equips us to become men rather than simply "grown males." Men are healthy and productive servant-

leaders who bring positive change to their communities. Males are self-serving and stuck in negative cycles that we hear and read about daily. They create chaos instead of cultivating calm. Male vs. Man is an uplifting playbook for men who want to level up. It will help men and women alike understand what real manhood is, based on biblical wisdom as well as hard-earned lessons from someone who has been there. With practical guidance and a strong spiritual foundation, Dondré shows how to cultivate the life-changing spiritual, emotional, and psychological attributes of servant leadership at home, at work, and in our communities.

The Way of the Superior Man - David Deida 2008-09

Deida explores the most important issues in men's lives--from career and family to women and intimacy to love and spirituality--to offer a practical guidebook for living a masculine life of integrity, authenticity, and freedom.

I Love Jesus, But I Want to Die - Sarah J. Robinson

2021-05-11

A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty,

Pussy - Regena Thomashauer
2018-04-03

"Required reading for every woman who longs to step into her power and live with pleasure and purpose." — Kris Carr, New York Times best-selling author Author, educator, and School of Womanly Arts founder Regena Thomashauer has been working with women for the past 25 years, and what began as just a few women in her living room has since grown into a global movement with thousands of graduates worldwide. In her New York Times bestseller Pussy: A Reclamation, she reveals what no one taught you about the

source of your feminine power and how to use it. This power is the part of a woman that she has been taught to ignore, push down, and despise. Indeed, the word that most viscerally sums it up is "arguably the most powerful pejorative word in the English language." Like any expletive used effectively, the title of this book is meant to be a wake-up call. It is a reclamation, in a world that desperately requires the feminine. Readers learn the secret ingredient every woman is missing; how to crack the confidence code; why sex appeal is an inside job; what's ahead on the next frontier of feminism—and how they can help make it happen; and much more. By turns earthy and erudite, passionately argued and laugh-out-loud funny, Pussy delivers the tools and practices a woman requires to do and be whatever she wants in this life. It's a call for her to tune in, turn on, and not drop out—but live more richly, fully, and lusciously than she ever thought she could.

Wild Nights - David Deida 2011

Meet Mykonos: scurrilous madman - and voice of truth. *Wild Nights* presents David Deida's remarkable account of his days with the unconventional teacher who revealed to him the deeper wisdom of the erotic path to the divine. From our very first encounter to the "burden of bliss" that is his parting gift, Mykonos challenges our understanding of what makes a spiritual life. Brutally candid, he offers his teaching to anyone ready to listen, with an uncanny ability to see into the hearts and minds of his students better than they can their own. Charged with provocative scenes of unbridled passion and play, *Wild Nights* explodes with spiritual insights into our choice to "open as love, or close and suffer" yogic

sexual techniques including circular breathing and expanding feeling beyond the self and into the heart of a lover and why, for some, full sexual expression is a requirement of spiritual maturation. For its honest depiction of the spiritual teacher and student relationship - and the questions it demands we ask about our own sexuality - *Wild Nights* proclaims David Deida a guiding light in the often cloudy realm of sex and spirit. The Things We Leave Unfinished - Rebecca Yarros 2021-02-23

Told in alternating timelines, *THE THINGS WE LEAVE UNFINISHED* examines the risks we take for love, the scars too deep to heal, and the endings we can't bring

ourselves to see coming.

Twenty-eight-year-old Georgia Stanton has to start over after she gave up almost everything in a brutal divorce—the New York house, the friends, and her pride. Now back home at her late great-grandmother's estate in Colorado, she finds herself face-to-face with Noah Harrison, the bestselling author of a million books where the cover is always people nearly kissing. He's just as arrogant in person as in interviews, and she'll be damned if the good-looking writer of love stories thinks he's the one to finish her grandmother's final novel...even if the publisher swears he's the perfect fit. Noah is at the pinnacle of his career. With book and movie deals galore, there isn't much the "golden boy" of modern fiction hasn't accomplished. But he can't walk away from what might be the best book of the century—the one his idol, Scarlett Stanton, left unfinished. Coming up with a fitting ending for the legendary author is one thing, but dealing

with her beautiful, stubborn, cynical great-granddaughter, Georgia, is quite another. But as they read Scarlett's words in both the manuscript and her box of letters, they start to realize why Scarlett never finished the book—it's based on her real-life romance with a World War II pilot, and the ending isn't a happy one.

Georgia knows all too well that love never works out, and while the chemistry and connection between her and Noah is undeniable, she's as determined as ever to learn from her great-grandmother's mistakes—even if it means destroying Noah's career.
