**The Ultimate Journey** - Robert A. Monroe 2014-11-12

In 1958, a successful businessman named Robert Mornroe began to have experiences that drastically altered his life. Unpredictably, and without his willing it, Monroe found himself leaving his physical body to travel via a "second body" to locales far removed from the physical and spiritual realities of his life. He was inhabiting a place unbounded by life or death. Monroe recorded these experiences in two bestselling, landmark books, *Journeys Out of the Body* and *Far Journeys*. *Ultimate Journey*, his final and career-defining work, takes us further than we thought possible—and reveals to us what it all means. *Ultimate Journey* charts that area which lies "over the edge," beyond the limits of the physical world. It presents us with a map of the "interstate"—the route that opens to us when we leave our physical lives, with their entry and exit ramps, their signposts and their hazards. It also tells us how Monroe found the route and travelled it, and uncovered the reason and the purpose of this pioneering expedition. It is a journey that reveals basic truths about the meaning and purpose of life—and of what lies beyond.

**Helrunar** - Jan Fries 2005-12-09

Preface to the new edition: When I went to school, my history teacher told us about the old Germani. In her opinion, the Taunus mountains were populated by a bunch of brawny brawlers who wore horned helmets and small pieces of pelt. They lived in hilltop settlements which were fortified by ringwalls. Barely able to manage agriculture, they had to rely on hunting to fill their stomachs. They lived in shabby huts with mud-plastered walls and when the Romans came, they fought the invaders with crude swords, pointy sticks and by hurling rocks at them...

Nowadays, the ringwalls of the Taunus are known as the work of La Tène Celts, who lived on the heights in well organised cities. For this new edition much of the text has been rewritten and updated. A large section on the bronze ages, the Celts, Germani and the later Vikings added. The theme of Wodan and Helja has been elaborated with more detail on pagan Scandinavia. The chapter on magical rune inscriptions has been extended, on Seiðr/seething trances rewritten, the bibliography updated and twelve pages of new illustrations added. The runes are a pan-European magical language. Its roots lie in the ancient pagan beliefs of our ancestors, who built many thousands of stones circles, long barrows and dolmens throughout ancient Europe. These same symbols and techniques were used by the pagan Celts and Germans. This book is a complete manual of magick based upon arcane symbolism and secret techniques.

**Undercurrents** - Ridley Pearson 2014-04-15

"Outstanding . . . An attention to forensic and procedural detail unmatched outside of Ed McBain's best . . . A read-through-the-night story" (Kirkus Reviews). Police Sgt. Lou Boldt heads a special task force within Seattle's homicide bureau. His job: find and stop the Cross Killer, a twisted, perverse serial murderer who has eluded police for six months and paralyzed the city. But when a body washes up on the shore of Puget Sound, Boldt thinks the killer has finally made a mistake. This body shows some of the work of the Cross Killer—but a job badly botched. Did this woman die while trying to escape? Did she knowingly jump in the water to preserve a clue? And is she now desperately trying to tell Boldt something? With the help of the alluring Daphne Matthews, a police psychologist, Boldt must piece together the complex puzzle. From the #1 New York Times–bestselling author of the Chris Klick series and the Walt Fleming series, this thriller reveals "an authentic feeling for police investigation and forensic medicine, and a remarkable insight and understanding of the motivations of the criminal mind" (Publishers Weekly). "Pearson has done well at putting together the grueling steps in an investigation . . . His characters are believable, and it's an enjoyable entertainment." —Chicago Tribune

**Ritual of Proof** - Dara Joy 2002

In a world where women hold all the power, the only purpose for a man is to secure a good match and hope his "bed price" is high enough. Jorlan Reynard is chosen by the Marquelle Gree Tamryn, and, in a bold move, the powerful aristocrat marries him, offering him the security of her name and position. When a conspiracy arises against her, the Marquelle must summon all her influence to fight for their survival. Copyright © Libri GmbH. All rights reserved.

**The DMSO Handbook** - Hartmut P. A. Fischer 2015-07-29

DMSO is a natural substance that is obtained from wood. Medical and pharmaceutical studies have repeatedly shown that DMSO has the greatest range and number of healing effects ever recorded for a single substance. Its comprehensive healing properties are unique, all working in synergistic harmony. Over the last sixty years, more than forty thousand research articles on this substance have been published but the general public remains unaware of these discoveries, partly as a result of efforts from certain quarters to suppress the dissemination of that information. Having been treasured as a secret for many years by just a small number of specialists and alternative practitioners, DMSO is currently enjoying a remarkable comeback in the field of alternative medicine. This book now makes this information available in an accessible and engaging manner, revealing all about this wonderful universal medicine, its uses and its applications. Hartmut Fischer, an alternative health practitioner with a background in scientific and pharmaceutical research, has been researching this substance for many years and uses it privately and professionally in his practice. This book is intended as a practical, application-oriented reference book for patients who treat themselves, as well as for doctors, alternative health practitioners and other therapists.

**The Tarot Handbook** - Angeles Arrien 1991

*Without a Trace* - Charles Berlitz 1994

To this day, it remains true that for over half a century, ships and planes have been disappearing without trace in this extraordinary stretch of water between Florida, the Sargasso Sea and Bermuda. A sequel to *The Bermuda Triangle*, *Without A Trace* examines the evidence surrounding the series of baffling incidents that have taken place in the Devil's Triangle, and proposes theories and explanations for them. Featuring personal stories of unusual experiences in the area from survivors, reports by officials on duty with the Navy, Air Force or commercial airlines, who had previously been warned not to discuss the incidents they had witnessed, and suggested explanations for disappearances that are happening even now!

*A Tourist in the Yucatan* - James McNay Brumfield 2004-02-10

Journey to the sun washed resort of Cancun and follow a young American couple, Jack and Josephine Phillips, on an adventure into the jungles of Mexico's Yucatán Peninsula. Adventure turns to terror when Josephine disappears and Jack finds himself on the run from mysterious assassins, the Mexican Federales, and possibly even his own government. The Phillips have unwittingly become entangled in the Mexican underworld, a complicated web that stretches from the Carribean coast line of Quintana Roo to the upper reaches of the United States Government. In a land where the line between the law and the outlaw is blurred, can Jack survive long enough to solve the mystery of his wife's disappearance? *A Tourist in the Yucatan* is a story that will keep you turning pages well into the night. Mexico's brilliant beaches, historic colonial cities, and ancient Mayan ruins hidden deep in the jungle, provide the back drop for this fast paced adventure/thriller.

**Love Is the Link** - Pamela M. Kircher 1995-01

A hospice doctor shares her own experience with near death and her work with the dying.

*Freemasonry of the Ancient Egyptians* - Manly Palmer Hall 1937

Interprets the Freemasonry of the ancient Egyptians as set forth in the teachings of the State Mysteries. Among the subjects discussed are Egyptian magic, the Osirian cycle, the secret doctrine of Egypt, and the initiation of Plato. The appendix is *The Crata Repoa*, a restoration of the ancient Egyptian mysteries, describing the initiation ceremonies which took place in the old Egyptian temples. This has been translated into English by Dr. John Yarker from the French edition of 1778.

*When Your Lover Is a Liar* - Susan Forward 1999-12-22

Have you ever been lied to by a lover? In this straightforward and supportive book, therapist Susan Forward profiles the wide variety of liars, shows you how to deal with the lies -- from the benign to the lethal -- that these men spin, and gives practical strategies to stop them before they ruin your relationship and, ultimately, your life. Once you find out the truth about your lover and his lies, what do you do? Forward offers practical, proven, step-by-step methods for healing the wounds caused by his deception and betrayal. She provides all the communication and

behavioral techniques you need to deal with a lover's lies, telling you exactly what to say, when and how to respond to his reactions, and how to present your requirements for staying in the relationship. With understanding and compassion, she helps you decide whether your relationship can be saved and shows you how to move beyond doubt and regret if you feel that it can't. But whether you stay or go, you can learn to love and trust again.

**Mutant Message from Forever** - Marlo Morgan 2000

From the bestselling author of 'Mutant Message Down Under' comes a fabulous tale of aboriginal twins, separated at birth, and the search for their roots that takes them halfway across the world. Marlo Morgan weaves the entrancing story of babies Geoff and Beatrice, who are taken from their mother by Christian missionaries. Geoff is sent to a sheep ranch, where he grows up wild, and is then uprooted to the US by an American minister. Beatrice is brought up by nuns in an Australian orphanage where for 18 years she encounters continual racism. The story follows them as they grow into adults and eventually meet again, to discover the different paths their lives have taken. Eventually both twins are reunited with the ageless values and healing wisdom that is their Aboriginal heritage.

The Stormy Search for the Self - Christina Grof 1992-06-01

Many people are undergoing a profound personal transformation associated with spiritual opening. Under favorable circumstances, this process results in emotional healing, a radical shift in values, and a profound awareness of the mystical dimension of existence. For some, these changes are gradual and relatively smooth, but for others they can be so rapid and dramatic that they interfere with effective everyday functioning, creating tremendous inner turmoil. Unfortunately, many traditional health-care professionals do not recognize the positive potential of these crises; they often see them as manifestations of mental disease and respond with stigmatizing labels, suppressive drugs, and even institutionalization. In *The Stormy Search for the Self*, Christina and Stanislav Grof, the world's foremost authorities on the subject of spiritual emergence, draw on years of dramatic personal and professional experience with transformative states to explore these "spiritual emergencies," altered states so powerful they threaten to overwhelm the individual's ordinary reality. This book will provide insights, assurances, and practical suggestions for those who are experiencing or have experienced such a crisis, for their families and friends, and for mental-health professionals. It is also a valuable guide for anyone involved in personal transformation whose experiences, though generally untraumatic, may still at times be bewildering or disorienting.

Texas Sunrise - Fern Michaels 2013-05-01

"A stunning and emotional conclusion to the story of a family that readers have come to care for and love" from the #1 bestselling author of *Texas Fury* (Los Angeles Daily News). From the seductive waters of Hawaii to the rustic splendor of Vermont, from the sprawling family ranch, Sunbridge, to the high-tech glamour of Japan, the Colemans have been driven apart by the passions and betrayals of a new generation. But now, as Billie Coleman Kingsley, their beloved matriarch, lays dying, she offers new hope to heal their rifts. Even as her own strength fails, the indomitable Billie instills courage and confidence in the future. And as

the Colemans gather around her, preparing for their inevitable, shattering loss, they all must transform their lives. Praise for *Texas Rich* "Fascinating, interesting, and exciting. One of those rare books, the kind the reader doesn't want to end. A real winner!" —Green Bay Press Gazette "A big, rich book in every way . . . I think Fern Michaels has struck oil with this one." —Patricia Matthews "A steaming, sprawling saga . . . As always, Fern Michaels writes a full story with bigger-than-life characters we would look forward to meeting." —Romantic Times "Fine fare for Fern Michaels's fans!" —The Philadelphia Inquirer  
The Kundalini Experience - Lee Sannella 1987

Many people have heard of the extraordinary phenomenon of kundalini awakening, and a growing number have had firsthand experience -- in some cases, involving disturbing physical and psychological effects. This classic work documents numerous case studies to demystify the process and reassure "victims," who sometimes fear for their own sanity.

The Final Jihad - Martin Keating 1996-04-01

After his family is attacked by terrorists, former naval intelligence officer Jack Stroud joins forces with U.S. government agencies to combat a frightening chain of events

**The Bone Parade** - Mark Nykanen 2004-02-11

Ashley Stassler is not your average artist. He has been wildly praised for a series of bronze sculptures that group families together, depicting them in moments of excruciating physical and emotional pain -- but the art world has no clue as to how he creates such authentic, gruesome, seemingly tortured human representations. He assigns each family a number, and now he's up to number nine. What's in store for family #9? Cruelty and savagery that you can't even imagine . . . The Bone Parade introduces a villain who is as methodical, calculating, and detached as any found in the best fiction. It's gripping. It's chilling. You might be too afraid to read on, but you'll never be able to tear your eyes away.

**Amaryllis** - Jayne Castle 2021-08-24

Acclaimed for her novels of "delectably entertaining paranormal romantic suspense" (Booklist), the wildly popular alter ego of bestselling author Jayne Ann Krentz takes off on a star-dusted excursion to a rich civilization where danger and passion are just a heartbeat away. Amaryllis Lark is one of the best psychic detectives on St. Helen's, the Earth colony recently cut off from the mother planet—and a place where love defies the most incredible odds. Lucas Trent, the rugged head of Lodestar Exploration, isn't attracted to prim and proper women and takes no interest in Amaryllis, with her crisp business suit and her aloof evaluation of his request to bust a corporate thief. But when a bold hunch leads them from a wild murder investigation to an electrifyingly red-hot love affair, no power on heaven, Earth, or St. Helen's can keep them apart.

**Synchronicity** - C. G. Jung 2013-04-15

To Jung, synchronicity is a meaningful coincidence in time, a psychic factor which is independent of space and time. This revolutionary concept of synchronicity both challenges and complements the physicist's classical view of causality. It also forces us to a basic reconsideration of the meaning of chance, probability, coincidence and the singular events in our lives.
