Best Bisexual Erotica - Bill Brent 2002

These erotic tales of bisexuality really run the gamut -- from Samurai-era Japan to an 18th century French nunnery; from a shape-shifting college dude to a lap-dance stripper to a man cross-living as a woman on the Canadian prairie in the early 1900s. Plenty of three-way affairs and encounters, a moderate dose of bondage and S/M, and three great stories incorporating sex in the restroom! Despite all of this delightful romping, the tone of the book is more serious overall and somewhat darker than in the first volume, with well-developed plots featuring characters dealing (and in some cases, Not dealing) with complex issues. Stories tackle the intricacies of polyfidelity, coming out, and forging a positive bisexual identity. There is a Lot for readers to sink their teeth into, and the range of contributions demonstrates a maturing of the

bisexual erotic voice.

Sugar Daddies - Jade West 2016-07-12

Two hot guys seeking their Little Miss Right. Someone who can entertain them, amuse them, fit in with their corporate schedule. And sex. They want sex. Lots of sex. Bonus, right? One major dose of epic win. Of course, guys like Carl and Rick have their conditions. One being that they come together, or not at all. Hell, I can live with that. And there are no skeletons in their designer closet, none that I can find. Just two hot sugar daddies, with particular

tastes, nothing to worry about. Until Carl and Rick spill the big one, the one that sends the girls running. A whole string of them before me, running to the hills without so much as a backward glance. Maybe I should run, too. Thanks but no thanks, see you around, guys, nice knowing you. But I'm already in way too deep for that.

EXCERPT FROM BOOK It was not until she neared the end of the final document that something struck her. She read it a few times, believing she understood what it meant. Below this last paragraph was the line for

her signature. She hovered over it with the pen, looking up at Ivan. "The sexual trial," she said. "Yes," he replied. "That is non-negotiable I'm afraid." "And you are the test subject?" "I am in a unique position to determine if you will be to Ivan's liking." Ginny looked him over again, trying to determine if he was being disingenuous with her, but it did not seem to her that he was. She was not afraid of him in the least. She looked him dead in the eye and signed her name on the dotted line. She dropped the pen on the table. She turned to Alexi. He began to undo his belt. Ginny walked across the room, around the table. She hopped up on the table and laid down flat on her stomach. Alexi finished undoing his belt and dropped his pants. His member was firm and upwards, ready to go. Ginny motioned for him to come closer. She stuck her legs in the air as she took his cock into her mouth. Her head bobbed back and forth and Alexi moaned in pleasure. Eventually, he instructed her to get up, to stand up on the table. "I need you to remove your clothes now," he said.
