Angeline has a confession to make. She's broken. When she tells her friends, Heather and Farley, that she's never been with a man who could take her body to the places it's desperate to go—and alone, her singular pleasure is wholly unsatisfying—they decide to get her drunk one night to see if they can solve her problem. But it's no use. She's sure she's broken, unfixable. Damaged goods. When she passes out, drunk, car still running in the garage, she doesn't care if she ever wakes up again. And then she opens her eyes to find that Mason, the arrogant, asshole friend of her stepbrother has not only seen her at her lowest, he's humiliated her even further by restraining her after her drunken, half-hearted suicide attempt. Mason isn't just confident, cocky, a self-proclaimed Master of the Universe—he's Master of much more than that. Mason is a Dom. And he's sure he can prove to her that she's not broken. Just... untapped. Troubled and desperate, Angeline looks at Mason with new eyes, wondering if he really is the only man who can tap her—so to speak. *A Modern Wicked Fairy Tale: Beauty* - Selena Kitt 2011-04-29

Do you love fairy tales? Then don't miss these happily ever afters! In this modern retelling of a fairy tale classic, former beauty queen Jolee Mercier finds herself in big trouble, locked in the trunk of her husband's BMW on her way to a remote location in the woods of northern Michigan where she's going to be killed. Her crime? Knowing too much. An anonymous letter arrived addressed in her name with proof that her husband, Carlos, a state logging and mining mogul, had been the one responsible for her father's death years earlier, killed for supporting the unions at a local logging camp. When a terrible accident ends her husband's plan to kill her, Jolee wakes up alone in a cabin in the middle of the woods, rescued by a masked man they call "the beast," with a husband who wants her dead, and miles of state forest between her and civilization. EXCERPT: Jolee could never stay out of trouble for long and being locked in the trunk of Carl's black BMW was no exception to that particular rule of her life. She'd given up trying to kick the side of the car to make noise—luxury car makers practically sound-proofed their trunks. Who knew? She wondered if engineers considered scenarios like this one—after all, any rich husband might have to enlist his hit men tie up and toss his troublesome wife into the trunk for easy disposal, right? Besides, her feet were secured with zip ties, as were her hands, which stretched painfully behind her back. They didn't use duct tape—too easy to wiggle out of—except for the pieces over her mouth. And even those weren't just slapped on—they'd used the roll to wrap the silver stuff around and around her mouth and jaw in layers. Carl's guys knew exactly what they were doing. Of course they did. It was their job. There was just no way out of this bit of trouble. That realization finally hit her in the darkness, the car's wheels crunching gravel for a long time now, off the highway she surmised, the suspension bouncing her violently up and down. This was going to be the last batch of trouble she ever got herself into in the whole expanse of a life that seemed suddenly very short. She'd been so focused on escaping or finding a way out since Carl's

goons had grabbed her out back—zip-tied and duct taped before she could even raise the snow shovel she'd been using—that this final realization hit with such force Jolee actually wet herself, urine staining the crotch of her jeans with spreading navy blue darkness. She was going to die. ### **Submissive Fairy Tales** - Kitty Thomas 2012-05-26

Dark Fairy Tales by Kitty Thomas... This work is meant for a mature, adult audience and contains content which may or may not match the personal tastes of every reader. Enter a world of mythological places, mermaids, king's harems, dragon-like beings, and gypsies—a world of erotic domination and submission in times and places far different from our own. Submissive Fairy Tales is a collection of previously published erotic novellas by Kitty Thomas: The Auction, Awakening, and The King's Pleasure. The Auction Belle Walker lives in a strict society where women are treated as property, sold to the highest bidder soon after their eighteenth birthday. The monsters outside the city have promised to leave them in peace, but one of them is intent on having Belle as his own. Awakening Nerina has lived all her life as a mermaid, fascinated by humans and land but also repulsed by sex and unable to understand love. Her curiosity gets her captured by a human male intent on awakening her lust and turning her human. The King's Pleasure In the kingdom of Himeros, Abigail is despised for her gypsy heritage. Pushed to the fringes of society, she's forced to break the law in order to help feed her family. When a castle guard catches her stealing bread, he intends to cut off her hand for the offense, but the King has other plans. What Readers are Saying About Submissive Fairy Tales: "I'm a huge Kitty Thomas fan, she is a definite one click author for me--since I became acquainted with the novel comfort food. You should know going into this read that it is done on the premise of fantasy; therefore in order to enjoy this book you

are going to have to be a reader who can allow your imagination to go with the flow of the author's intent. The book covers the lifestyle and behaviors of those who practice BDSM. It covers things like dominance, submission, degradation, and even the occasional mind !@#%\$." - Suzanne Steele "I don't know what words to use to express how I feel about this book, but I'll try. I am a big fan of erotica. This book takes erotica to a whole new level. This is a very dark read and is not for the faint of heart. There is a lot of BDSM and non-consensual seduction (Fifty Shades is tame in comparison). This is a book of three short stories. Some of the scenarios are mind boggling, but that is why we read these fantasies. You will have to relax your mind and go with it." -Cherryreads "Sexy-sinister writing from the darkly talented erotica author, Kitty Thomas." -Dee18 "I'm a pretty big fan of Kitty Thomas and I love fairy tale retellings, so I was really excited when she bundled these little stories into a nice dark package. Is it dark? Yes. Is it erotic? Very much so!" -Amanda Booklvr "Well written and edited. There are a few low reviews here, and I don't get it. So much of the BDSM available out there is schlocky smut -- Kitty Thomas's stories aren't schlocky or smutty. These are fantasy, or "fairy tales," typical of the best capture/slave stories. They are exactly what the author discloses when she say: don't read if you're offended by." No surprises, just short, well-written imaginings. A couple reviewers rated this low because they wanted the stories to be longer. I think that's also unfair, as they are labeled fairy tales, therefore, clearly will be short. That said, any one of them could be expanded into a full-length, highly erotic story -- on the order of Comfort Food. As it is, I enjoyed the collection and would recommend to anyone who likes Capture/Master/Slave fiction." - LA Kristy "All three were beautifully written tales (the first, about a "dragon" master; the second, a mermaid brought to human form by the Lord of the Castle; the third, the King of a mythical kingdom and his Gypsy slave) engaged readers who were willing to suspend logic. The BDSM aspects of all the stories were light (although the last tale was a bit darker than the others). As with most of the BDSM erotica recently written, none of this is to be taken too seriously and is meant for entertainment only--not guidelines for a "D/s

relationship." - Teacher Lady "Kitty Thomas takes Kinky to a higher level!" - Larissa "Kitty's writing is a beautifully obscene comfort." - Claudia D. Christian, author of *Suicide Doll* "Thomas writes with a passion and purpose so pure she makes her readers live and breathe every word." - Emma Petersen, author of *Reign of Pleasure* More dark literary erotica by Kitty Thomas: *Erotic novels: Comfort Food Guilty Pleasures Tender Mercies The Last Girl Big Sky Mafia Captive Blood Mate Note*: This work is not *50 Shades of Grey*, however, if you enjoy work like *50 Shades of Grey*, you may also enjoy Kitty Thomas. In this modern version of the fairy tale classic, recently orphaned Mae finds herself taking care of her ill grandmother and trying to negotiate the big, wide world of New York. Aside from Griff, a drifter she's befriended on the long walk to her grandmother's, she is alone, a frightened country mouse in the big city. Mae can't believe her good fortune when she meets Lionel Tryst, a charming and charismatic real estate agent, who arranges the miraculous sale of her grandmother's expensive apartment in the horrible buyer's market of the Great Depression so they can both move out of the city. But is Mae's luck too good to be true--or is there a big bad wolf lurking in the shadows?
