Choosing Me Before We - Christine Arylo 2009

Full of sass, soul, and the type of empowering wisdom that no woman should live without, *Choosing ME before WE* is like a heart-to-heart with your closest girlfriend. And best of all, you'll discover that your closest girlfriend is your own truest self, inside you, always ready to offer wise, loving advice about what is best for you. Designed to challenge and guide women to create the relationships they want instead of the ones they often find themselves stuck in, this book is packed with stimulating questions to uncover what's true for you, powerful techniques to change old habits that sabotage your dreams, and real-life experiences shared by the author, her friends, and her clients. Author Christine Arylo, who almost married the wrong guy for all the wrong reasons, speaks to women of all ages, whether they're seeking a relationship, evaluating a less-than-fulfilling one, rebounding from a bad breakup, or working through issues with a partner. *Choosing ME before WE* teaches women to stop settling, to get real about the kind of partner they're looking for, and to start exploring and creating what they truly want in themselves and their relationships.

God Is Speaking - Are You Listening? - Steven W. Raasumaa 2002

In July 1998, GOD approached a man, to assist GOD and channel his will into the written word. This book is the result of that conversation. GOD is responsible for the flow, topics and discussions. The man simply wrote what GOD spoke and what thoughts he received. "GOD is speaking - Are you listening? My Story" is GOD'S full disclosure to his human family, including his laws of Life and Death. He speaks to Steve as a friend. That is, a friend of GOD'S, chosen by GOD. The fact that anyone would be allowed to hear his voice is astonishing. In this day and age of miracles, is it so far fetched not to believe? He speaks to Steve of his world...Heaven. He speaks of his Love for his human family. GOD tells it like he sees it. No soft touch, no political correctness, just the plain truth, GOD'S Truth. July 5th 1998 4:00 P.M. I AM the GOD of ALL. The reason for this writing is that the stories I AM about to unfold to you, through my friend Steve, are stories to teach, inspire and to create hope. Hope, in that when you greet me in my Heavenly Kingdom, you will have a better understanding, appreciation and moral imperatives, necessary to the alleviation of your guilt. I AM in the world as a spirit of Love, hope, divine inspiration and most of all understanding. I have tried to conquer you, and your fears, by sending messengers to your world, Moses, Abraham, Isaac and Jesus the Christ. I have been alive 50 million of your Earth years and the stories I AM about to tell you are just one of many, told countless times in my Kingdom.

But They Won't Talk with a Woman - Leta Gorham 1998

Based on a workshop between clergy members of the United Methodist Church, 'But They Won't Talk With a Woman' focuses on justice issues between male and female clergy, relying on the personal experiences of the participants, as well as their reflections from points made in the book, *Women's Growth in Connection* by Judith V. Jordan, et. al. In this book, the group posits that unless injustices that female clergy are subjected to in their daily lives are changed, the Church may potentially be destroyed. Topics covered include the abuse of power by men over women, traditional gender roles, biblical interpretations of these roles, and communication between men and women.

She continued her national dialogue with the bestselling *Salvation: Black People and Love*. Now hooks culminates her triumphant trilogy of love with *Communion: The Female Search for Love*. All of Me - Dani Burlison 2019-09-01

With women's anger, empowerment, and the critical importance of intersectional feminism taking center stage in much of the dialogue happening in feminist spaces right now, an anthology like this has never been more important. The voices in this collection of essays and interviews offer perspectives and experiences that help women find common ground, unity, and allyship. Through personal essays and interviews about what it is like to live as a woman (cis + trans) in this modern world—with all of our love, anger, complexities, and desires for justice—*All of Me: Stories of Love, Anger, and the Female Body* includes vulnerable, painful truths and bold inspiration. This anthology is for seasoned feminists and young feminists alike—anyone looking to find inspiration in radical activism, creativity, healing, and more. This book covers topics of social and economic justice, creativity, racism, transgender perspectives, sexuality, sex work, addiction and recovery, reproductive rights, assault, relationship dynamics, families, fitting and not fitting in, radical self-care, witchcraft, and more. If love and anger are two sides of the same coin, for women there are worlds to be explored with every flip of that coin. Readers will find a glimpse into those worlds in the pages of *All of Me*.
