

Flirting In The Gypsy Caravan The Old Mans Kisses Arouse Her Emotions Wrinkly Men English Edition

The English Spy: An Original Work Characteristic, Satirical, And Humorous Comprising Scenes And Sketches in Every Rank of Society Being Portraits Drawn From the Life - Bernard Blackmantle 1907

Let me have good proof of your greediness to devour my labours, and I will dish up such a meal for you in my next volume, as shall go nigh to produce extermination by surfeit. One favour, alone, I crave—give me abuse enough; let no squeamish pretences of respect for my bookseller, or disguised qualms of apprehension for your own sacred persons, deter the natural inclination of your hearts. The slightest deviation from your usual course to independent writers—or one step towards commendation from your gang, might induce the public to believe I had abandoned my character, and become one of yourhonourable fraternity—the very suspicion of which would (to me) produce irretrievable ruin. Your masters, the trading brotherhood, will (as usual) direct you in the course you should pursue; whether to approve or condemn, as their 'peculiar interests may dictate. Most sapient sirs of the secret bandit' of the screen, inquisitors of literature, raise all your arms and heels, your daggers, masks, and hatchets, to revenge the daring of an open foe, who thus boldly defies your base and selfish views; for, basking at his ease in the sunshine of public patronage, he feels that his heart is rendered invulnerable to yourpoisoned shafts. Read, and you shall find I have not been parsimonious of the means to grant you foodand pleasure: errors there are, no doubt, and plenty of them, grammatical and typographical, all of which I might have corrected by an errata at the end of my volume; but I disdain the wish to rob you of your office, and have therefore left them just where I made them, without a single note to mark them out; for if all the thistles were rooted up, what would become of the asses? or of those "Who pin their easy faith on critic's sleeve, And, knowing nothing, ev'ry thing believe?" Fully satisfied that swarms of literary blow flies will pounce upon the errors with delight, and, buzzing with the ecstasy of infernal joy, endeavour to hum their readers into a belief of the profundity of their critic erudition;—I shall nevertheless, with Churchill, laughingly exclaim—"Perish my muse"

The Neo-Aramaic Dialect of the Assyrian Christians of Urmi (4 vols) - Geoffrey Khan 2016-06-10

This work is a documentation of the Neo-Aramaic dialect spoken by Assyrian Christians in the region of Urmi (northwestern-Iran). It consists of four volumes: Volume 1 and 2—grammar, Volume 3—study of the lexicon and full dictionary, Volume 4—transcriptions of oral texts.

The Dada Painters and Poets - Robert Motherwell 1989

Presents a collection of essays, manifestos, and illustrations that provide an overview of the Dada movement in art, describing its convictions, antics, and spirit, through the words and art of its principal practitioners.

For Love of Evil - Piers Anthony 1990-02-01

The Man Who Would Be Satan Parry was a gifted musician and an apprentice in the arts of White Magic. But his life of sweet promise went disastrously awry following the sudden, violent death of his beloved Jolie. Led down the twisted path of wickedness and depravity by Lilah the harlot demoness, Parry thrived -- first as a sorcerer, then as a monk, and finally as a feared inquisitor. But it wasn't until his mortal flame was extinguished that Parry found his true calling -- as the Incarnation of Evil. And, at the gates of Hell, he prepared to wage war on the master himself -- Lucifer, the dark lord -- with dominion over the infernal realms the ultimate prize!

Encyclopedia of Pestilence, Pandemics, and Plagues [2 Volumes] - Joseph P. Byrne 2008-09-30

Editor Joseph P. Byrne, together with an advisory board of specialists and over 100 scholars, research scientists, and medical practitioners from 13 countries, has produced a uniquely interdisciplinary treatment of

the ways in which diseases pestilence, and plagues have affected human life. From the Athenian flu pandemic to the Black Death to AIDS, this extensive two-volume set offers a sociocultural, historical, and medical look at infectious diseases and their place in human history from Neolithic times to the present. Nearly 300 entries cover individual diseases (such as HIV/AIDS, malaria, Ebola, and SARS); major epidemics (such as the Black Death, 16th-century syphilis, cholera in the nineteenth century, and the Spanish Flu of 1918-19); environmental factors (such as ecology, travel, poverty, wealth, slavery, and war); and historical and cultural effects of disease (such as the relationship of Romanticism to Tuberculosis, the closing of London theaters during plague epidemics, and the effect of venereal disease on social reform). Primary source sidebars, over 70 illustrations, a glossary, and an extensive print and nonprint bibliography round out the work.

My Feudal Lord - Tehmina Durrani 1995

When a woman with brains and beauty from a wealthy background decides to take her fate into her own hands and challenge the restrictions of a male-oriented, conservative society, the consequences can be devastating. Born into one of Pakistan's most influ

Bealby - H. G. Wells 2021-04-17

When the hour for retirement came,—"Get out of it. Go to bed, you dirty little Kicker," said Thomas. "We've had about enough of you for one day"—young Bealby sat for a long time on the edge of his bed weighing the possibilities of arson and poison. He wished he had some poison. Some sort of poison with a medieval manner, poison that hurts before it kills. Also he produced a small penny pocket-book with a glazed black cover and blue edges. He headed one page of this "Mergleson" and entered beneath it three black crosses. Then he opened an account to Thomas, who was manifestly destined to be his principal creditor. Bealby was not a forgiving boy. At the village school they had been too busy making him a good Churchman to attend to things like that. There were a lot of crosses for Thomas.

The Goose Man - Jakob Wassermann 1922

The novel tells the story of Daniel Nothafft, a composer born in 1859, in Eschenbach, near Ansbach.

The Malady of the Century - Max Nordau 2018-09-21

Reproduction of the original: The Malady of the Century by Max Nordau Wicked - Gregory Maguire 2009-10-13

This is the book that started it all! The basis for the smash hit Tony Award-winning Broadway musical, Gregory Maguire's breathtaking New York Times bestseller *Wicked* views the land of Oz, its inhabitants, its Wizard, and the Emerald City, through a darker and greener (not rosier) lens. Brilliantly inventive, *Wicked* offers us a radical new evaluation of

one of the most feared and hated characters in all of literature: the much maligned Wicked Witch of the West who, as Maguire tells us, wasn't nearly as Wicked as we imagined.

Snow on the Danube - Francis Jonathan Gilbert 2018-12-19

Béla has grown up in a cramped East London flat with his great uncle, once a Hungarian count; as far as he's concerned his elderly relative is eccentric and annoying. But when his great-uncle dies, Béla is bequeathed a mysterious manuscript - a manuscript that reveals a completely different side to the count. For the first time Béla learns about the horrors his great uncle had to endure during the Second World War. Snow on the Danube evokes the lost world of Budapest during and between two great wars -- and is recounted in the inimitable voice of Count Zoltán Pongrácz: a fussy hypochondriac who becomes an unlikely and compromised hero when the Fascists take over his beloved country

and he is forced to rescue his adored, wayward sister Anna. An unlikely comedy, a document of filial love and a compelling portrait of the horrors of war, Snow on the Danube is the story of one man's quest to save everything he loves most: his family, his friends --- and, perhaps, soul.

Slaves of Freedom - Coningsby Dawson 2019-12-23

"Slaves of Freedom" is an absorbing novel by Coningsby Dawson, an early 20th-century Anglo-American novelist and soldier of the Canadian Field Artillery. Excerpt "The thin man's feelings were wounded. To the little boy who looked on this was evident from the way he swallowed. His Adam's-apple took a run up his throat and, at the last moment, thought better of it. "But I was thinking," he persisted; "thinking that I'd learnt something from stirring up this gray muck. If ever I was to kill somebody—you, for instance, or that boy—I'd know better than to bury you in slaked lime.""
