Coping with the fact that you are indeed stuck in the friend zone feels nothing short of heart-wrenching. No one said it would be easy, but then again, every part of life is challenging. As humans, we all have different coping mechanisms, but keep in mind: the mere fact that you have already accepted your situation means you have already taken the first step, and you should be proud of yourself. The Friend Zone Nicole Strycharz 2016-10-22 Chloe: Moses has been my best friend since kindergarten. We met when I shoved him face first in the dirt and took his action figures. Ever since, we've been tighter than blood, but we're not blood, and my body knows that. My heart has known that for years. The fact that being a pole dancer has interfered with my relationship status is an understatement. Moses is literally the longest I've been with a man, except I'm not really 'with' him. Now I'm approaching a place where I'm curious enough to tell him about my feelings. I've gotten close, but a man as hot as my bestie has had really small gaps between girlfriends. I know it could be a big mistake, and he's never seen me that way, but I won't know for sure unless I act right? Only problem is, I might be too late again. Moses: I'm not blind to the fact that my best friend is dangerously hot. She's basically every man's dream but she's not mine. I'm the one that protects her, councils her, and encourages her, knowing she will do the same for me. She's my girl. But now something is different, and I can't put a name to it. Something feels changed, but I'm putting all that on the back burner because I think I found my perfect girlfriend. Still, Chloe is in my head; I'm not sure she would handle knowing that. After all, I'm in the friend zone...

[Breaking the Friendzone](#) May Lynn 2022-10-18 Revenge is sometimes best served . . . in bed When Lacey Mason was six-years-old, her family moved to the Hamptons. A beautiful location for sure, but not much fun when you're the only kid in the area. When Lacey stumbles upon her next door neighbor, Luke Drake, on the beach it is instant friendship. For the next four years they spent almost every waking hour together. But just as Summer inevitably turns to Fall, all good things must end. As Lacey's family sells their house and leaves the Hamptons, Lacey and Luke vow to stay in touch. But a dramatic meeting when they are teens leaves their friendship in tatters and Lacey's heart broken. Fast forward seven years, and 22-year-old Lacey returns to the Hamptons. During a night out partying, who does she run into? Luke Drake. The only thing is Luke doesn't recognize her. At first, Lacey thinks it's hilarious--a case of karma finally catching up with the golden boy--but then she realizes that all the feelings she's buried for so long aren't going to stay buried . . . especially when she and Luke are thrown together by internships at Drake-Mason Pharma. Luke Drake wants to be anywhere but the Hamptons, and he certainly doesn't want to be interning at his dad's company. Luke's got a secret plan: make enough money to break away from his controlling father and strike out on his own. Then one night he sees a girl at a club and after an incredible night together, he discovers that the mystery girl is his childhood friend: Lacey Mason. He knows what he did to her when they were teenagers was wrong and is determined to spend the summer showing Lacey that he's changed...and that they belong together. However, family secrets, including the one that ended their friendship in the first place, may prove to be too much and Lacey may not be willing to let Luke break the friendzone.

Friendzoned Heart Eyes Press 2021-05-23 When Murphy Landon, the New York socialite, runs off to Vermont with her bruised reputation and stylish wardrobe in the trunk of a used car, it's the first time in her life she's dared to turn her back on her high-society parents. Used to grabbing a gourmet coffee whenever the urge strikes, Murphy finds herself on the other side of the counter, fumbling strangers' orders...until a sinfully handsome thirty-three year old version of Ben Rooney from high school walks in. The pair met years ago at a prestigious boarding school and became friends, but only behind closed doors. She'd been a spoiled brat, and he was a football player on scholarship. Ben tried to hide his crush on her, and Murphy set firm boundaries. After a prom night gone wrong, they'd gone their separate ways. Now their circumstances are reversed. Ben is a successful surgeon. He's come a long way from his parents' humble maple syrup business. And Murphy is pouring his coffee? Is this a joke? His first thought is that she should drive her gorgeous self right back to New York, where she can't possibly break his heart. His second one is deep concern. His third thought is he wants a do-over of prom night. A very adult one... With plenty of secrets between them, copious pure maple syrup, and a hippy-dippy sidekick, Ben and Murphy are in for a wild and sticky ride.

Friendzoned Soprano Irene Vartanoff 2018-01-29 "I have a girlfriend," he said. "Several, in fact." He didn't pretend to misunderstand what I'd asked. "What I need is a friend. Will you be my friend, Abbie?" My heart sank. The friendzone speech. I withdrew my hand. I should have known better. Sean might have some genuine interest in friendship, or he might be the kind of guy who denies he could ever be hot for a curvy girl. I'd met both kinds. I'd seduced my share, too, but today I didn't have the heart for the struggle. I didn't want to start myself down the same old path of wanting more than a man wanted to give me. Plus-sized soprano Abbie Fisher has a great opera career and a lousy love life. Dieting down a hundred pounds hasn't changed her luck with men. Sexy baritone Sean Grant friendzones her—dashing her hopes for a romance—as they intimately rehearse the opera *Tosca* in Baltimore. Lots of touching to raise her temperature, and yet she's supposed to keep her hands off. But then Sean snatches kisses and flirts with her, anyway. Is he pursuing a romance with her after all? What does he want from her? Confused and angered by Sean's sexy overtures, Abbie consults her trusted Tarot cards before taking a bold step that could resolve her romantic dilemma—or break her heart. This novel is a stand-alone story and also Book 2 in the *Singers in Love* series about love, opera, and (maybe) the supernatural. A sweet contemporary romance with a hint of steam, much talk of food and dieting, and an upbeat happy ending. Enter the world of opera through the eyes of a woman in love.
