*Get Your Shit Together* David Tee 2014-12-23 Average or below-average dating life? It's time to change that. NOW it's time for YOU to learn and ADOPT the mindset of "the natural". This is THE shortcut that lets you avoid YEARS of struggling with this area of your life so that you can become the type of guy women NATURALLY want to spend time with. This is THE action plan for men who want to see a massive improvement in their dating lives QUICKLY. It's NOT about "How to bang as many girls as possible". The contents of this book are far more important and life-changing than that. Mainstream dating advice is generic and doesn't address or even acknowledge the core underlying issues which cause men to struggle to attract women or even hold their attention or interest for more than a couple of minutes. And the end of the day, if you don't see yourself as somebody who deserves to have beautiful, strong, intelligent, independent, sexy women in his life, then it won't happen. David T., author Some men resort to using "pickup artist" tricks to fool women into believing that they are attractive, when deep down they know that the only reason they are using "game" techniques is because they don't feel like they're enough of a man to attract women naturally. They get occasional results, but ultimately remain unfulfilled. Why waste years in the gym or trying to get rich to impress girls, or spending countless hours learning about "pickup artist" tricks and practising your "game", when you can just read this book and get on with your life? David T., author This book explains the EXACT STEPS TO TAKE and the MINDSET that will allow you to stand out above the VAST MAJORITY of men. Most men do not understand what makes women attracted and make the SAME MISTAKES AGAIN AND AGAIN, finding themselves dealing with rejections time and time again. So what DOES make a woman feel attracted to a man? It's not about looks, money, your height, your skin colour, your income level, or the car you drive. IT'S ABOUT HOW YOU SEE YOURSELF. All but the most superficial women don't mind if you're "flawed" in some way. The key is to become a man who is comfortable in his own skin despite what you might think is unattractive about yourself. It's when a woman can see that you're good at expressing your authentic self, and that your authentic self is a guy who knows he is enough, that she can decide that she's into you. You don't need to buy her drinks and flowers, do her favours, be a "nice guy" or pretend to be a "bad boy" to win her affection. You just need to become a man who is perfectly at ease with himself and knows that any challenges life throws at him won't throw HIM off his path in life. This book will teach you how to adopt this mindset. If right now you believe that you are deserving of anything less than the highest quality women who YOU find attractive, then YOU NEED THIS BOOK. Do you want THE SOLUTION, or do you have MORE EXCUSES to not tackle this area of your life once and for all? DO NOT download this book if you're not prepared to have your entire mindset challenged with regards to meeting and attracting women. This is NOT a long book. Because the concepts in it are not complex and don't require going into excessive detail. You'll be delighted at how quickly you can internalize the mindset explain within, and apply it to your life. THE SOLUTION STARTS WITH YOU. Delve deeply into the 3 CORE PRINCIPLES a man must internalise in order to become successful in this area of life. Learn how to BECOME A MAN WHO IS COMFORTABLE IN HIS OWN SKIN, able to EXPRESS YOUR AUTHENTIC SELF WITHOUT FEAR OF REJECTION. Trying to attract and create deep connections with women will ALWAYS be a HUGE CHALLENGE without a solid grasp of these principles. Contains the CLEAR AND SOLID ACTION PLAN to guide you through the process of becoming the man who DESERVES and NATURALLY ATTRACTS the type of women he desires. This is THE SOLUTION for men who have tried "pickup" methods and still suffer the painful symptoms of APPROACH ANXIETY, FEAR OF REJECTION, and DISAPPOINTMENT at the results of using outdated "PUA" strategies in their efforts to meet and attract women. Your days of having to memorize "game" routines and strategies are over.

**F\*CK Him! - Nice Girls Always Finish Single - a Guide for Sassy Women Who Want to Get Back in Control of Their Love Life** Brian Nox 2016-10 The MANipulator Manual: Keep Your Man Interested and Begging for More Without Playing Games Let me start off by explaining I am in no way talking about the sexual act. F\*ck him in this case is not physical, it's mental. So many women get in trouble in their love lives, and 99.9 percent of that trouble could have been avoided if they'd said, "Well, f\*ck him!" a bit more often. Too many women are way too nice and compliant to their men, especially when these men don't deserve that kind of treatment. And yet, every woman I've ever met tries to not be needy or wear her heart on her sleeve. She simply wants to protect her feelings. Nevertheless, most women I've coached have had men seem very interested only to disappear suddenly. These women are left standing in the dark. Once the guy vanishes, they often find out it's easier to get the President of the United States on the phone than the man who seemingly really liked them...just not enough to stick around. This should stop. I, as a dating coach and author of books for women who want to get men, cannot take it anymore. You deserve better. This is not your fault. It's his! He needs to learn to be much more transparent and upfront. That said, we both know most men won't change. We can lead a horse to water, but we can't make it drink. Or can we? What if there was a way to change a guy's behavior? What if you could get into his head and take over the driver's wheel? What if you could make him do more of the things that you appreciate and need and less of the bad behaviors you dislike? At first, this might seem impossible. Nevertheless, I'm sure you've already met women who are good at manipulating their men. Enter the high-value woman. You know her. You've seen her. She's the woman who always has great men drooling over her. It's the woman you see getting all the attention. You often wonder, "How does she do it? What do they see in her? What does she know that I don't?" You might have even complained to your girlfriends that men just don't seem to notice what a catch you are. Your girlfriends may have even said, "He doesn't know what he's missing." What if you could make him see it? When you look at these high-value women who get their way with men, it might have surprised you that their looks don't seem to matter. The high-value woman can be great looking, average looking, or even bad looking. It doesn't matter. She knows her way around men. She knows how to mentally f\*ck them. Are you ready to implement her strategies? You'll see behavior you've never seen from him. He'll start to put in an effort that makes you feel like you're a queen because to him, you are. At first, it will be strange. If you've never truly been in control of a man, it might feel like riding a horse for the first time. But soon, it will make you feel all tingly inside. I'm not kidding. There's nothing more powerful than being in a relationship with a guy and having him do exactly what you want while he thinks it was his idea. (This is important, as you'll see. He needs to think he is the one in the driver's seat, even though you actually are.) This book is not about becoming someone you're not or turning your boyfriend into a spineless manslave. It's about your empowerment, about taking back what's yours. No man should ever be able to play games with you, to take you for granted, to treat you even a tiny bit less than you deserve. By the time you've finished this book, this will all be part of your past. Are you ready? Then hit the buy button at the top of this page and start your high value woman journey right away!
