Bree Grayson may have graduated high school in her small Tennessee hometown, but she never got to leave it. She works as a maid with her mom and flags at the local motocross track on the weekends. It's good money but it won't get her out of Hopewell. She's determined to make something of herself, but she'd settle for something—anything to get her out of this rut. Zach Pena's notorious motocross fame crashed and burned as quickly as he had risen to the top. He let the fame get to his head and the partying and girls took over his life. Now he's off the race team. Determined to get back into the sport he loves, he moves back home to spend the summer focusing solely on motocross. Girls are off the menu. And then he runs into Bree. She's gorgeous and sweet and everything he shouldn't have this summer. He doesn't recognize her as the girl from his childhood, but Bree knows exactly who Zach is. She's only had a crush on him forever. She knows he's a womanizer and too hot for his own good, but he's fun. Bree doesn't expect to fall for someone she can't have. And Zach doesn't expect to be pulled back into his world of fame before the summer is over. Will Bree finally be the girl to tame his wild ways? Or will their romance crash and burn? BOOK TWO: Alluring Aiden "It's just six weeks. Or forever. You choose." Aiden is supposed to be traveling the country with his professional motocross racing team. He isn't supposed to break his wrist over summer and be benched for the whole fall season. He definitely isn't supposed to find himself falling for a hometown girl who loves dirt bikes as much as he does. And when her boyfriend cheats on her, he probably shouldn't agree to be her fake boyfriend just to piss him off. But Aiden has never been good at doing the right thing. Jenn's relationship just fell apart. She thought she'd had it all: a hunky motocross racer boyfriend, an awesome job at her dad's shop, and a promising career as a physical therapist on the horizon. Then it all falls apart, leaving her broken and hopeless. A fake relationship might get back at her ex, but there's something in the way Aiden looks at her that doesn't feel very fake at all. BOOK THREE: Captivating Clay Clay Summers has a reputation for being a jerk. He was one of the youngest teenagers to be signed to Team Loco, a professional motocross racing team, and he knows it's because of his dedication to the sport. Avery Dunn just graduated high school and she has no idea what to do next. Tired of living in her small town, she dreams of traveling the world and getting paid to do it. So when the perfect internship with Team Loco comes around, she'll do whatever it takes to keep her spot on the team so she can travel the country as they go to races each week. Team Loco is determined to have a family friendly image, and Avery's number one job is to make Clay become a team player with their fans. If she doesn't get him to sign autographs, takes pictures, and smile more, she'll be out of a job. She's spent enough time with Clay to know there's a little softness underneath his intimidating exterior, and before she knows it, she's starting to fall for him. ### **Texting Women** - Cristiano Marquez 2019-11-22

If you are reading my book's description it's because maybe you are having trouble finding a girlfriend, isn't it? It's likely that among the photos you posted online there isn't one in which you look like Leonardo di Caprio and that you think physical appearance is the only way to impress woman. Or maybe your girlfriend never texts you until you do, and when she answers, hours later, it's with a simple or . Or perhaps you're one of those guys who's convinced he can get the attention of a beautiful girl by simply texting her " Hi! " or " Hey! "? I guess I must give you a hint then, pal: Women are different from men! And naturally, they

think differently, they love differently! And this is because before loving with their body women always love with their mind... In my book, "Texting Women", I give you the right tips, quick and simple, to learn everything there is to know about texting a woman, and especially to understand how to get the timing right. In your opinion, what's every man's main goal when texting a woman he likes? Easy! That she always texts him back - the sooner the better - and eagerly! But clearly, to be able get there one must study the method and train hard - as if it were a physical activity - and put all of the following steps into practice: Mindset: work on yourself. Remember how as a child you were told to always be yourself? Well, forget that! Unless you want to die alone... The thing is, there is no "self". Which self? There can be many different selves, you can be whatever you want, you can improve: To manipulate girls, first you must be able to manipulate yourself. Skills: The main skill consists in figuring out who is the girl you're writing to, what she likes, what language frequencies she travels on. By doing that, you will be able to become the mirror in which she sees herself, and in you and in your texts she will recognize a part of herself and of her mind. Techniques: The right techniques allow you to seduce girls by doing nothing, you have to get to the point where, whatever you write them, they start answering with long messages, as if they were talking about themselves with a psychologist. This way girls feel like they're seducing themselves with their own mind and will increasingly feel the need to answer your texts. Secrets: once you have completed all the previous steps, you should not be in a hurry to meet or see them, enjoy the moment and let them stew in their own juice. Raise the conversation's level by talking about spicy stuff, that's when they'll go crazy, and that's how when you'll see them in person they will already be completely obsessed with you and they will be yours. In the end it's going to be you the one not texting them back.

### **Attached** - Amir Levine 2012-01-05

"Over a decade after its publication, one book on dating has people firmly in its grip." —The New York Times We already rely on science to tell us what to eat, when to exercise, and how long to sleep. Why not use science to help us improve our relationships? In this revolutionary book, psychiatrist and neuroscientist Dr. Amir Levine and Rachel Heller scientifically explain why why some people seem to navigate relationships effortlessly, while others struggle. Discover how an understanding of adult attachment—the most advanced relationship science in existence today—can help us find and sustain love. Pioneered by psychologist John Bowlby in the 1950s, the field of attachment posits that each of us behaves in relationships in one of three distinct ways: • Anxious people are often preoccupied with their relationships and tend to worry about their partner's ability to love them back • Avoidant people equate intimacy with a loss of independence and constantly try to minimize closeness. • Secure people feel comfortable with

intimacy and are usually warm and loving. Attached guides readers in determining what attachment style they and their mate (or potential mate) follow, offering a road map for building stronger, more fulfilling connections with the people they love.

**Oklahoma!** - Tim Carter 2020

"Oklahoma!" premiered on Broadway on 31 March 1943 under the auspices of the Theatre Guild, and today it is performed more frequently than any other Rodgers and Hammerstein musical. When this book was first published in 2007, it offered the first fully documented history of the making of the show based on archival materials, manuscripts, journalism, and other sources. The present revised edition draws still further on newly uncovered sources to provide an even clearer account of a work that many have claimed fundamentally changed Broadway musical theater. It is filled with rich and fascinating details about the play on which Oklahoma! was based (Lynn Riggs's Green Grow the Lilacs); on what encouraged Theresa Helburn and Lawrence Langner of the Guild to bring Rodgers and Hammerstein together for their first collaboration; on how Rouben Mamoulian and Agnes de Mille became the director and choreographer; on the drafts and revisions that led the show toward its final shape; and on the rehearsals and tryouts that brought it to fruition. It also examines the lofty aspirations and the mythmaking that surrounded Oklahoma! from its very inception, and demonstrates just what made it part of its times." --
